EVENT REPORT

Graham Gilliland

At the beginning of April 2010 Towerview Free Methodist Church hosted a conference with Patricia Bootsma from Canada and this is a brief report about how things went.

Patricia and her husband John Pastor a church about an hour or so west of Toronto in a place called Stratford and it was such an honour to have her ministering to us. There were also a couple of folks over from Bath and Shaftesbury in England over to make up the team.

There was a perfect blend of the Word and Spirit throughout the weekend of meetings as Patricia shared with us rich teaching from the Bible and then ministered to those who needed healing or just wanted more of God in their lives. There was a great emphasis on re-opening the wells of revival in Bangor and the whole of Ireland and during the weekend there was much prayer and intercession raised up for this.

Many of us who attended witnessed something very significant as prayer was offered to God regarding this and as we interceded there was amazing freedom and liberty in the meetings as God released a spirit of praise and joy. It was a wonderful to see people entering into this joy and go up to the front of the church and abandon themselves in worship to the Lord.

As well as praying for the wider aspect of the region there were also many individuals touched by the presence of the Lord. It was very moving to watch as Holy Spirit so clearly touched people in very

personal ways to bring deep inner and physical healing. Many folks had a very real and meaningful encounter with Holy Spirit and one could clearly feel His presence in the building in each meeting.

We had groups from South Belfast Elim and Bangor West church over to help us lead the worship and they were a real blessing to the conference as the Holy Spirit moved through them in a most beautiful way.

Since the conference various people of all ages have spoken of how impacted they have been both by prophetic words God gave them and by simply experiencing the Father's wonderful presence.

The whole conference was a great encouragement to us all and we trust and believe God has heard and will answer prayer for the re-opening of the wells of revival for Bangor and this land of Ireland.

PATRICIA BOOTSMA – INTERVIEW PREVIEW

Karin McBride

John and Patricia Bootsma are the Senior Pastors of Jubilee Christian Fellowship in Stratford, ON, Canada, a Partners in Harvest church closely linked with it's daughter church, Toronto Airport Christian Fellowship. John and Patricia founded and pastored TACF's Prophetic Team. Patricia travels locally and abroad inspiring hearts to know the Father's love, awoken with passion for Jesus and walk intimately with the Holy Spirit. Additionally she helps to equip the Bride of Christ to hear the voice of the Bridegroom, operate proficiently in the prophetic gifting with accompanying signs and wonders walking in both the Great Commandment and the Great Commission.

Therefore I was excited at the prospect at interviewing Patricia. Prior to our interview on the Sunday the conference was already well underway. It had started on the Friday evening and it became very clear that this was not going to be a 'regulated' church event...the schedule was entirely at the disposal of the Holy Spirit, and after a time of praise and worship, the team quickly got to work issuing people with a prophetic word. This was totally unexpected but even though many did not receive a 'word', there was a peace that was almost tangible and a sense of love that made you feel you were totally unworthy of...and this was to dominate the entire event with healings, signs and wonders following the preaching of the Word...

Patricia Bootsma has a great delivery and gift of teaching. A mother of six children, and a former nurse, Patricia is learned as well as wise and practical.

God indeed has entrusted Patricia with great gifts and you will be able to read, in our exclusive interview, how an encounter at the tender age of 8 years would determine the path that this mighty woman of God is now following – not to be missed!
