ISRAEL TOUR

3-in-1 Publishing Interviewed **BO SANDER** who is part of GOD TV's Executive Management Team and Tour Director for the Kim Clement 2001 Israel Tour, presented by GOD TV 19 – 23 September of 2011.

Q How long have you been organizing tours/events for GOD TV?

I've been involved in taking tours to Israel with GOD TV for about 10 years. The largest of these was in 2008 for Israel's 60th Anniversary when we had 1800 tour members from 35 nations representing GOD TV viewers from all over the world.

Q How does this seven day tour differ from any other?

Each one of our GOD TV tours is special and slightly different. Each tour has its own unique line-up of special events and we also try and incorporate historic sites, which we have not visited before. Our 2011 Tour is different because we are co-organising it with Prophet Kim Clement, so it will have a very strong focus on the Prophetic Word including a concert with Kim in Jerusalem on 25th September.

Q Do you agree that not only will people receive but they will be able to give something back to Father God in a unique way as Kim has invited people on this tour to a time of fast whilst in Israel?

Yes, many of the tour members will be fasting along with Kim Clement and ending their fast in Israel. I believe this touches the Father's heart, but whether you're fasting or not, there is always a spiritual blessing in visiting Israel. Our tours also bless the Jewish people as we show our support as a group for the State of Israel at this crucial time in the nation's history.

Q The tour involves visits to strategic sites including Mount Carmel, how do you decide to go to these sites?

There are certain sites that are "must-see" when you come to Israel for the first time. These include many of the places we read about in

the Bible, where Jesus went, the Mount of Olives, the Garden of Gethsemane, Old City of Jerusalem and the Sea of Galilee.

You have to see these and of course we like to provide a new experience for those who have been to Israel before by taking them to other sites like the City of David in the heart of Jerusalem. We also visit non-Biblical sites like the Holocaust Museum, Yad Vashem, lest we forget. There is so much to see in Israel, you cannot do it all in one trip and will want to come back time and time again!

Q The tour culminates in a huge prophetic celebration on Sept 25th can you tell me more about this and what it means and will it be broadcast on GOD TV?*This is going to be a very special event. Kim Clement will be hosting an exclusive worship concert in the heart of Jerusalem. Yes it will be broadcast LIVE on the GOD Channel, but imagine being there in person, there will be nothing like it. For those who saw the LIVE broadcast we did with Kim at Mount Carmel in 2008, you will remember the powerful prophetic worship and electric, life-changing atmosphere. Don't miss this opportunity to receive a new impartation of God's anointing on your life as you participate in person.*

Q Having been to the Holy Land it really brings the Biblical stories to life and gives the scriptures a type of new fresh anointing I think, do you hope and pray that those going will receive this also and much more?

Absolutely, every time I go to Israel, I feel the presence of God in a fresh way and I want every Christian to be able to experience this for themselves. It is as you say, the Bible literally comes alive before your eyes as you visit all the places you have only read about.

It is a great privilege to walk where Jesus walked and to be in the land He cares so much for. If you can join us in Israel in September, we'd love to have you join the tour!
