

BREAKING the chains that bind:

- *I'm a Pastor but I was sexually immoral, while visiting families. I would think I couldn't get out of it, but the presence of God has touched me so affectionately that I'm totally healed from the impure spirit; these three days are remarkable.*
- *The blood of Jesus Christ has washed me and made me a whole new being, hurray! For I'm new born and sanctified.*
- *The hidden sins that would bind me for lifetime are bound with the Cross of Christ; I'm set free by the power of the blood of Jesus Christ.*
- *I wasn't upright with God, but He has encountered me and took away the filth of my heart and mind and renewed my soul body and spirit.*
- *I was living impure life, the spirit of lust had full control over me, but the blood of Jesus has sanctified me, I'm washed and I'm set free. Hallelujah!*

real forgiveness...

My young daughter had left home for a boy, which is so shameful in our society. I had therefore decided that I would never forgive her nor will I see her face again. But in these three days, by the power of the Word of God I've learnt to forgive through Jesus' love. Now, I not only forgive her but the boy also. I praise God for the spirit of unforgiveness has left me and I am free to forgive. Amen!

The Blood of Jesus has cleansed us from inside out. The yokes of impurity and lust have been broken into pieces by the power of the Word of God.

Seen God face to face?

It's a vision for every leader; a three days course, in which the lives are transformed and renewed by the power of the Word of God and Holy Spirit helps us to repent and to be renewed for his service in holiness. For we believe that the reformers too need reformation, are you ready for it?

I had no idea of what the Lord will do in these three days but I'm completely transformed, I therefore highly recommend "Encounter with God" for every Church leader and Pastor. (a participant)

The Encounter with God.

13, 14, 15 August

Transforming Leaders, transforming Churches;

Encounter with God is a whole new experience, never heard about this kind of course; the Lord has dealt me in the core of my personal and ministerial life. The whole purpose of serving God is changed; I'm no more a focus in the ministry but Christ Himself.

I boldly confess with all of my might, I have been crucified with Christ and I no longer live, but Christ lives in me. Amen!

Stepped into a new dimension of holiness and deep intimacy with God through encounter:

To be with God has never been an experience of my ministerial life ever; this is the first time I have seen God moving through the lives, changing them and renewing them in his own likeness & image. Lord I only have tears to offer you but nothing else. Dear team thank you for allowing me to encounter God to receive the purpose of my life and ministry. God is good, Amen!

The Lord has made me an article of honor in his house during three days; I'm richly blessed and happy for I have made the best decision of my life to attend the encounter retreat. I really wish if could bring my whole family to encounter God face to face; my father, my mother, my brothers and sisters, and my wife.

After coming back from encounter Holy Spirit encouraged me to confess before my wife for all of my evil doings. The moment I did that, she started to cry and confessed her sins. Praise the Lord for the same spirit of confession in accompanying me in my house. (testimony heard on the next Sunday in the Church)

Holiness is what attracts God.

I was convicted of a sin of looking at girls lustfully, even when browsing internet or using facebook, I would stop on the porn pictures and the websites. But in the three days of the encounter I have made a covenant knowing the Word "I made a covenant with my eyes not to look lustfully at a girl. Job 31:1 I repented of my sin and Lord restored me in his service. Amen!

I was living a life of a prodigal son, but when I heard the Word, it broke my heart and the Holy Spirit made me realize that long ago I had left my father's house, so when I came to my senses I decided to go back to my father's house and serve the Lord with him. I'm so thankful for my destination is revealed unto me.

The Lord had called me from the gentiles long ago; I accepted Jesus as my savior and kept it to myself only. But in the encounter I have come to know the purpose of my calling, it is not only I but the whole tribe needs Jesus the savior, the Lord has spoken to my spirit very clear that "I" have to bring my tribe to Jesus for their salvation, for Jesus is not only concerned for me but the whole family. Amen! Lord Jesus I thank you for your concern and love showed on the cross for all of us.

Husband wife relationship;

I have had impure relationship with my wife, because while being with my wife I would think of other beautiful women in my mind. This nasty thing was revealed unto me only through the teachings in the encounter retreat. So I have made my relationship pure with my wife, I'm thankful to the encounter team who brought me here. All the praises are for Jesus Christ alone. Amen!

The real servant-hood that we are taught to live-out by Jesus Christ.
We were washing their feet and the Lord was washing their spirits, it was awesome!
