Life Evangelism International

New Zealand born International Evangelist, Dr Des Sinclair came to know Jesus at the age of 11 on a rubbish dump in New Zealand. It was in the nineties that he and his wife Roslynn answered God's call to Africa. He and Ros, obediently

relocated to Johannesburg and that was to be the beginning of an adventurous and at times, dangerous career in Africa.

Dr Des and Roslynn Sinclair started *Life Evangelism International* (LEI) in South Africa in August 2001. We are now a registered Trust with NPO status and section 18A tax exemption. Our web site is: www.lei.org.za

LEI is a evangelistic organisation bringing life to the world by evangelising the Gospel of Jesus Christ to all levels of society throughout the continent of Africa and beyond! Also bringing life to the down trodden and destitute via humanitarian aid. We believe that time is short before Christ returns for his bride, so *while there is light... Let us work!*

LEI currently working on:

Our Trust (LEI Trust) has been involved this past year in establishing a bank for sub Sahara Africa, so that through the profits we will give back to the people by helping to alleviate poverty in Africa, will bring humanitarian aid, social upliftment, and most importantly - spiritual upliftment by evangelism to the continent. Our bank is not yet “Live”, but we are hoping that at the end of all the paper work we can then go live with FREE LIFE CO-OP BANK.

BOOK:

Des and Roslynn Sinclair put out a new book recently named: *LIFE ON THE LINE – by Al Gibson*. This book is about their life, adventures in ministry and many of the miraculous miracles that God has done. In the book Des shares many testimonies of how Jesus showed Himself strong on his behalf. Des recounts how he was healed from paralysis, rescued from Muslim extremists by an Angel, beaten and left for dead, awarded royal robes by the King of Ghana, rescued by French Soldiers and many other challenging testimonies. Truly a “must read”. You can see more of this inspiring book by going to: www.halloffaitbooks.com

FACEBOOK:

Our ministry also runs a “facebook” group named: *Life Evangelism Int*. Come and join us on our group where you can receive regular testimonies, devotions, scriptures, give your prayer requests and hear some of the mighty miracles that God has done. “Catch the fire” by joining the LEI facebook group: *Life Evangelism Int*
