invites you to view a film:

Title

The Forsaken Promise

This DVD documents the failure of Britain to fulfil her pledge under the Balfour Declaration. It highlights a number of tragic events that took place as a result of Britain's political expediency in appeasing the militant Arab nationalist movement, the result of which caused wholesale misery to many thousands of Jewish people who were turned away from the shores of Palestine in the 1930s and 1940s.

Discussion to follow.

Wednesday, 30 March 2011, 7.45 p.m.

The Wolfson Centre, the Belfast Synagogue, Somerton
Road, Belfast
