YOU BELONG HERE

We are incredibly excited to release our information/tryout packet for the 2024-25 season. Thank you for considering Riot Xtreme Cheer for your athlete. We look forward to welcoming your family to ours!

WHO ARE WE?

Riot Xtreme Cheer is a cheerleading program that offers training in levels 1-7 with both the opportunities to advance your skills in tumbling, stunting or to compete in an all-star program. Our focus is to help our students and teams develop elite level skills in both tumbling and stunting while providing a safe and effective environment. We have a strong team of coaches with over 50 years combined experience at all levels. Each coach is dedicated to teaching your athlete not only the necessary skills to be successful in cheerleading but important life skills to take with them when they step off the mat.

Our athletes are ages 4 and up, no experience is necessary to tryout. The tryout process is very casual and fun! Your athlete maybe be asked to demonstrate jumps, tumbling, stunting and their ability to learn choreography. Athletes are evaluated in small groups and we encourage each person to do their best. Many key elements factor into the decision of team placement. Keep in mind all RXC teams are built to perform to a high standard and we place each athlete to achieve their highest level of success for both themselves and their team.

WHAT WE OFFER

Elite Teams: Our elite teams require an 11-month commitment. The season begins in June and lasts through late April. Our elite teams consist of the Magic Valley's most competitive athletes and requires maximum commitment in order to participate. Elite teams practice 2-3 days a week with additional practice times added 2 weeks before most national events. These teams travel 4-6 times out of state each season to compete in our sports more prestigious national cheerleading events. Our elite teams may be asked to perform at local events as past time entertainment so a flexible schedule is imperative.

Prep/Novice Teams: These teams begin in June and go through the end of April. Our prep and novice teams are the perfect team for beginner athletes or those wanting to do competitive cheer without the heavy commitment of an Elite team. These teams practice 1-2 times per week, depending on age and skill level. Our prep and novice teams compete twice a year out of state as well as perform locally.

Rec Teams: Our rec teams are our non-competitive teams which run in mini sessions throughout the year. Our first session runs June-November and our second session runs December-May. Our rec teams practice once a week and will receive a t-shirt and bow for both their practices and performance. This team will perform once at the end of each session for close friends and family. This is a great low-cost program for athletes wanting to participate in cheerleading but can't commit to the out of state travel commitments.

Tumbling Classes: We offer multiple tumbling classes for beginner, intermediate and advanced tumblers. Tumbling classes are required for the 24-25 season for competition athletes who do not have all the tumbling skills necessary to compete true to their level or are inconsistent. These classes will incur an additional charge. Athletes who fail to maintain the proper tumbling skills may be re-evaluated at any time in the year for team reassignment.

Flyer Training: Flyer flexibility and training classes are also available at an additional charge. Athletes interested in flying will be required to sign up for our flyer class. All elite elements require flyers to perform each skill to body position. This is an important part to scoring in the high range in all levels. An athlete must be enrolled in flyer training in order to be considered for a flying position.

TEAM PLACEMENT

There may be athletes on any given team that perform at a different level than the rest of their teammates. We try our best to match up each athlete to where we believe they will achieve the most success and growth per season. Please remember that age, stunting, jumps, and dance are huge factors as well. Some will be stronger tumblers than others; some will contribute more in stunts than others. We choose our team based on the positions that we need to fill to hit in the high range on the score sheet. **EVERY ATHLETE IS ON THE TEAM FOR A REASON, PLEASE TRUST OUR STAFF.**

TUITION

Competitive cheer, while not as costly as some youth activities, can still be expensive. Before considering RXC or any program, please consider the financial commitment involved. RXC is run by the most knowledgeable staff in the Magic Valley and some of the highest credentialed coaches in the Nation. Although others may advertise lower rates, RXC's overall value per dollar is highly competitive.

Each month tuition can be paid in full or billed monthly on the 1st of each month. Tuition will be considered late after five days. Tuition paid after the 5th day of the month will incur a \$25 late fee. A fee of \$50 will be automatically applied to bounced checks. Tuition is to be paid per athlete for ALL TEAMS. Please remember that team tuition is billed separate from tumbling and other class tuition.

Parent & Athlete Expectations

1. 3 Strike Policy- We hold both athletes and parents responsible for any actions within or related to Riot Xtreme Cheer as well as abiding to our parent & athlete policies. Not abiding by these rules will result in disciplinary action. 1st offence will be a written warning, 2nd offence will lead to temporary suspension from team practices, 3rd offence will result in dismissal from our program. ANY action or threat made by either a parent or athlete that the gym deems as a safety issue or liability to the success of our teams or program will result in immediate dismissal from our program.
2. Practice- You must be at all practices on time, properly dressed. This means no jewelry and hair up. NO GUM. No practices will be excused without prior approval at least 2 weeks in advance. **Financial agreement with the gym will still need to be met regardless of removal from the program. All unpaid charges will be referred to a professional collection agency or small claims court.** The coach has the right to give consequences for late arrival to practices and the coach will decide those consequences. Any absence for any Riot Xtreme Cheer event must be **APPROVED 2 WEEKS PRIOR TO THE EVENT.** It is **REQUIRED** you keep an open schedule 2 weeks leading up to each event as Riot Xtreme Cheer may add additional practices that will be MANDATORY. Failure to attend these practices will result in a \$25 fine to your account that must be paid before your athlete can return to the floor and may result in your athlete being pulled from that competition or performance.
3. Practice Attire- Each athlete is required to arrive at each practice dressed in their assigned practice gear with shoes on and hair up in a high pony tail with their practice bow. Failure to arrive to practice fully dressed down in the appropriate attire will result in extra condition.
4. Practice Absences- **Excused absences:** Death in family, serious contagious illness and required school functions that affect his/her grade (You MUST bring in a flyer for any required school function or doctors note to count it as excused). **Unexcused absences:** Injury, birthday parties, concerts, camping, games, transportation issues, work schedule and vacations. Unexcused absences may result in a \$25 fine that must be paid before the start of the following practice before your athlete can participate.
5. Competition Absences- NO ABESNCES FOR COMPETITIONS! Being absent for any competition will result in immediate dismissal from any Riot Xtreme Cheer team and you will be held liable for all vendor expenses for any items you have received (choreography, gear, uniform, bow, makeup, etc.) as well as a contract termination fee of \$500 per athlete.
6. Drug Policy- ZERO TOLLERANCE!
7. Bullying- We have a zero-tolerance policy for bullying and harassment. This includes everyone that is part of Riot Xtreme Cheer. We want RXC to be a safe place for our coaches, athletes and their families.
8. Competition- No one is guaranteed the right to compete. The coach will select those who he/she feels will best represent Riot Xtreme Cheer at any and all functions. **Parent Note- Please do not complain about which team your son or daughter is competing on, which bases or flyer he/she may have or may not have, etc.** The coaches have to make decisions on what is best for the team and not what is best for a particular individual. If your son or daughter feels that he/she should be doing something different in a routine, then he/she should discuss the issue with their team coach who will provide the reasons behind the current placement as well as what your athlete should work on to improve and gain consistency in his/her skills. Consistency is everything.
9. Ability- Your athlete is required to maintain the ability level that was exhibited at tryouts as well as show reasonable growth with the team. Executing less or failure to execute skills required at their level may result in re-evaluation and new team placement.
10. Booster Club- Each RXC family is required to support our booster club with events. If your child is on an RXC team, you are required to pay the yearly booster club dues of \$40 and well as their end of season banquet fee. Our booster club does their best to host gym wide bonding events lower cost of season fees as well as host our amazing end of season banquet and can use all the help and support to ensure our gym can keep doing these fun activities. Personal and gym fundraisers will be available for those wanting to participate.

11. Fundraising- Individual fundraising efforts using our booster club's 501C3 or business EIN will NOT be permitted unless we have cleared it in writing. All revenue will be maintained and allocated by the booster club.
12. Commitment- The cheerleading season is not over until our end of season banquet. You must be totally committed to this activity. Remember work is not an excuse to miss practice. At competition time, we may need to add practices and it is your responsibility to be at those practices. Lack of commitment may result in your dismissal from the team or your athlete temporarily being taken off mat.
13. Transportation, Food & Lodging- You are responsible for all transportation, food and lodging to and from competition.
14. High School Teams- Riot Xtreme Cheer must be your first priority. If you have already made a commitment to a high school team, before trying out, you must bring us written approval from your high school coach as well as provide us your high school team's full season calendar.
15. Communication- It is the parent's responsibility to know what is going on with your team. Check your emails and Band app regularly. All communication between parents directed towards gym staff must be handled via band or email. DO NOT contact staff through personal pages or phone numbers unless given out by them – We respect our staff's personal time outside of work. We ask that you email us with any questions or concerns. If there is a conflict that needs resolved, we will schedule a time to meet with the parent, athlete, coaches and whoever else might be involved. DO NOT post to the Band App outside the hours of 8:00AM-8:00PM – Just like our staff, we would like to respect the time of our RXC families.
16. Social Media Pages-
 - Any & all social media pages, groups and events in relation to RXC must be approved/directed & managed by RXC staff only. Parents & athletes are not permitted to create any pages, groups or events.
 - Other groups and public forums are to be used to promote our program. Any posts made in retaliation towards our program, staff or another athlete will result in legal action to remedy the situation.
17. Logo and Team Name Use- We love our logo and are proud of it. We want it to stay consistent and unmodified. We work hard to give you the best apparel with our branding. All Riot Xtreme Cheer logos are not to be recreated or duplicated. All Riot Xtreme Cheer apparel must be purchased or approved by Riot Xtreme Cheer; this includes team sponsored items, parent apparel, etc. Vendors or parents selling RXC approved apparel are required to pay the gym a 20% fee on all sales for compensation on use of our logo.
18. Sportsmanship- Our cheerleaders and parents represent us and our community and must conduct themselves with "good sportsmanship." Foul language and inappropriate behavior will not be tolerated. Riot Xtreme Cheer athletes must treat their teammates, coaches and team parents with respect at all times.
19. Protests- Protests at any event, practice or competition are NOT permitted and will result in immediate dismissal from our program.
20. We DO NOT allow uniforms to be worn outside of Riot Xtreme Cheer approved events.
21. Choreography- Choreography is MANDATORY; Choreography for elite teams will be held July- August. We will be using in-house choreography, as well as guest choreographers. "Choreography" is where your athlete will learn the routine they will be competing throughout the season. All athletes are expected to be at their team choreography dates. Receiving in-house vs guest choreography does not change your choreography price. Coaches and choreographers are paid for the time it takes to create a routine outside of regular floor practice time.
22. Private Lessons- Most of our coaching staff offer private lessons for tumbling, stunting, flexibility, choreography and jumps. You will contact the coach you are wanting to work with directly to book. During all private lessons there MUST be an adult (aside from the coach) present. This can be another coach, parent, sibling, etc.
Cancellations with less than 24-hour notice may still be charged/asked to pay.
23. Injuries- All athletes must have his/her own insurance. In a situation where an injury occurs it is your responsibility to seek medical help. If an injury requires professional attention, all athletes must have a signed doctor's note to return to practice.
24. End Of Season Events- Our elite teams will work to earn a bid to an end of season event. End of season costs are NOT included in the tuition or regular season cost. If your team earns a bid, additional fees will apply depending on the type of bid earned.

25. Cell Phones- ABSOLUTELY NO CELL PHONES ON THE FLOOR DURING PRACTICE! Cell phones must be stored away in the designated athlete area. Failure to do so will lead to a designated “cell phone bucket” that each team member will be asked to put their phones in for the duration of practice.
26. Cheerleaders in each team must stay together at competitions and support each other. There will be a fine of \$50 for not attending other designated RXC team’s competition performances. Each team will be assigned to 1-3 RXC teams to support based on the competition schedule. Roll call will be done by the assistant coach of each team during the designated meeting times. Family plans are NOT an excuse to miss another team’s performance. Competition must be your first priority when traveling to any event.
27. Amount of travel- Following tryouts, Riot Xtreme Cheer will determine the number of competitions for each team (See competition page). All athletes are expected to attend every competition. Many of the events we attend are “stay to play” which requires athletes in attendance to book through sanctioned hotels. Links to those hotels will be sent out in the months leading up to the event. Athletes that do not comply with the stay to play policy may result in team disqualification.
28. Season Fees- I understand Riot Xtreme Cheer does not offer refunds/reimbursements. Any tuition paid towards team fees, uniform, choreography, practice wear, warm-ups, private lessons, camps, clinics, tumbling classes or any other services. **There will be no refunds made to anyone who quits or is asked to leave the program.**
29. Extra Competitions- If an extra competition is added and exceeds the budgeted amount, an extra fee may be incurred. Likely under \$300.
30. Adult Athletes (18 years+)- Will incur an additional fee by USASF for a background check and adult athlete training in order to be eligible to compete and go backstage.
31. Volunteers- In order to ensure the safety of our participants, all members wishing to volunteer must follow the following procedures:
 - Submit to Riot Xtreme Cheer, a completed volunteer application.
 - Provide written consent to Riot Xtreme Cheer to conduct a criminal background check which the volunteer will also be responsible to pay for.
 - Drug screening.

A volunteer will be disqualified and prohibited from serving as a volunteer with Riot Xtreme Cheer if the person:

- Fails to consent to personal criminal background check; or
- Has been convicted of a crime of child abuse, sexual assault, child neglect, murder, voluntary manslaughter, arson, robbery, burglary, indecent exposure, public lewdness, terrorist threats, or any offense against a minor.

Riot Xtreme Cheer shall have final decision on all personnel matters.

Any members that break any of the above rules may be asked to leave the facility, any event, or asked to leave the program without receiving a refund on any fees collected by Riot Xtreme Cheer. Those members will still be required to finish financial responsibilities for the remainder of the season.

By signing below, I understand the above expectations and consequences for not abiding by those expectations.
