

ECO32 Bar & Chain Oil

Biodegradable

DGP High Performance ECO32 Bar and Chain Oil is a proprietary blend of American grown seed oils that deliver incredible lubricity and excellent temperature stability. This product is designed to maintain a high flash point to prevent arching and uses no phosphorus, chlorine or metal-based additives. Ultimate biodegradability makes it ideal for 100% loss applications. It is significantly less hazardous to plants, animals, and end users when compared to petroleum-based products. **Safer** for employees, better lubrication for equipment and **safer** for the environment.

Performance	Value
Flash Point	~300°C
Pour Point	-21°C
Bio-derived Content	97%
Biodegradability	ULTIMATE
USDA BioPreferred	YES

31-35cSt @40C, 3-4mm tack, -20F ppt, .61mm 4ball,
corrosion protection, AO

Green Shield Certification means products outperform conventional petrochemicals through independently tested standards and they are environment safe alternatives

Package Sizes: 32oz | 1 Gal | 55 Gal | 275 Gal
