

Degreaser

Next Generation...Innovative

DGP High Performance Degreaser uses the most advanced bio-based ingredients available, is USDA BioPreferred and offers superior performance compared to standard petroleum-based products. This degreaser has no smell because there are virtually no VOC's, increases operator safety by not having harsh chemicals and is dilutable for light duty applications. DGP High Performance Degreaser is excellent for metal cleaning, non-porous surfaces and general hard-to-clean greasy applications.
