Prices

BOSS reserves the right to change prices without notice. All prices are F.O.B., Shipping Point, Freight Prepaid.

BOSS INSTRUMENTS, LTD. Materials and Descriptions

Unless otherwise stated, all instruments in this catalog are stainless steel. Instrument photographs accurately represent the instrument; however, they may not be actual size. Our instruments are hand-crafted, so measurements noted may vary slightly.

We reserve the right to alter our patterns and make modifications to any of our products at any time and without notice.

Warranty

All BOSS™ instruments are guaranteed to be free of defects in material and workmanship. Any instrument failing as a result of such defect shall be replaced free of charge at the sole discretion of BOSS INSTRUMENTS, LTD. No other warranty or affirmation of fact express or implied is made or authorized.

Immediate cancellation of this guarantee shall result from the alteration, modification or repair of any product by persons not authorized by BOSS INSTRUMENTS, LTD., or by the physical or chemical abuse of any product.

The buyer and/or user assumes full responsibility for determining the suitability of the application of all products herein listed and for all risks and liability associated with their use.

Returns

To return product purchased directly from BOSS INSTRUMENTS LTD., contact us (see above) and request a Return Goods Authorization (RGA). Incoming returns without an RGA number may delay the processing of your return. For products purchased through a BOSS™ distributor, please contact the distributor for their specific return policy.

Photographs in this catalog are not actual size, although we have tried to provide clear and precise photographs and descriptions.

All original photographs, illustrations and text in this catalog are fully protected by copyright. No part may be reproduced in any form without written permission of BOSS INSTRUMENTS, LTD.

All specifications in this catalog are subject to change without notice.

INSTRUMENTATION FOR MINIMALLY INVASIVE RETRACTOR SYSTEM

IVD RONGEURS

Working length 7" (180mm)

Item	Description
70-1470P	2mm Micropituitary
70-1471P	2mm Straight Pituitary
70-1472P	2mm Upbiting Pituitary
70-1473P	2mm Downbiting Micropituitary
70-1474P	2mm Upbiting Micropituitary
70-1476P	2mm Downbiting Pituitary
70-1478P	2mm Pituitary with Tooth
70-1490P	4mm Straight Pituitary
70-1492P	4mm Upbiting Pituitary

ADDITIONAL

Item	Description
73-3374P	Straight Micro Scissors
73-3375P	Curved Scissors
18-1040P	Nerve Root Retractor
73-0994P	Suction Retractor
73-0994WP	Suction Retractor, Extra Wide
73-0995P	Wide Nerve Root Retractor
74-4930P	Suction Tube #8
74-4932P	Suction Tube #10
74-4934P	Suction tube #12
910-7305	MIS Bipolar Forceps 9", Straight, 1.2 mm
910-7309	MIS Bipolar Forceps 9", Angled, 1.2 mm
73-2930	MIS Retractor Case I, 3-level, incl 73-2931, 73-2932, 73-2933
73-2935	MIS Retractor Case II, 4-level, incl 73-2936, 73-2937, 73-2938 (x2)
73-2939	MIS Retractor Case For 73-2956 Rigid Arm and 73-2955 Table Clamp

BAYONET SPURLING KERRISONS

18-4398A	2	Renal Swivel, 1" x 8"	●
18-4402A	1	Splanchnic Swivel, 1 1/2" x 6"	●
18-4404A	1	Splanchnic Swivel, 2" x 4 1/2"	●
18-4406A	1	Splanchnic Swivel, 2" x 6"	●
18-4408A	1	Splanchnic Swivel, 2" x 8"	●

Additional Components, sold separately

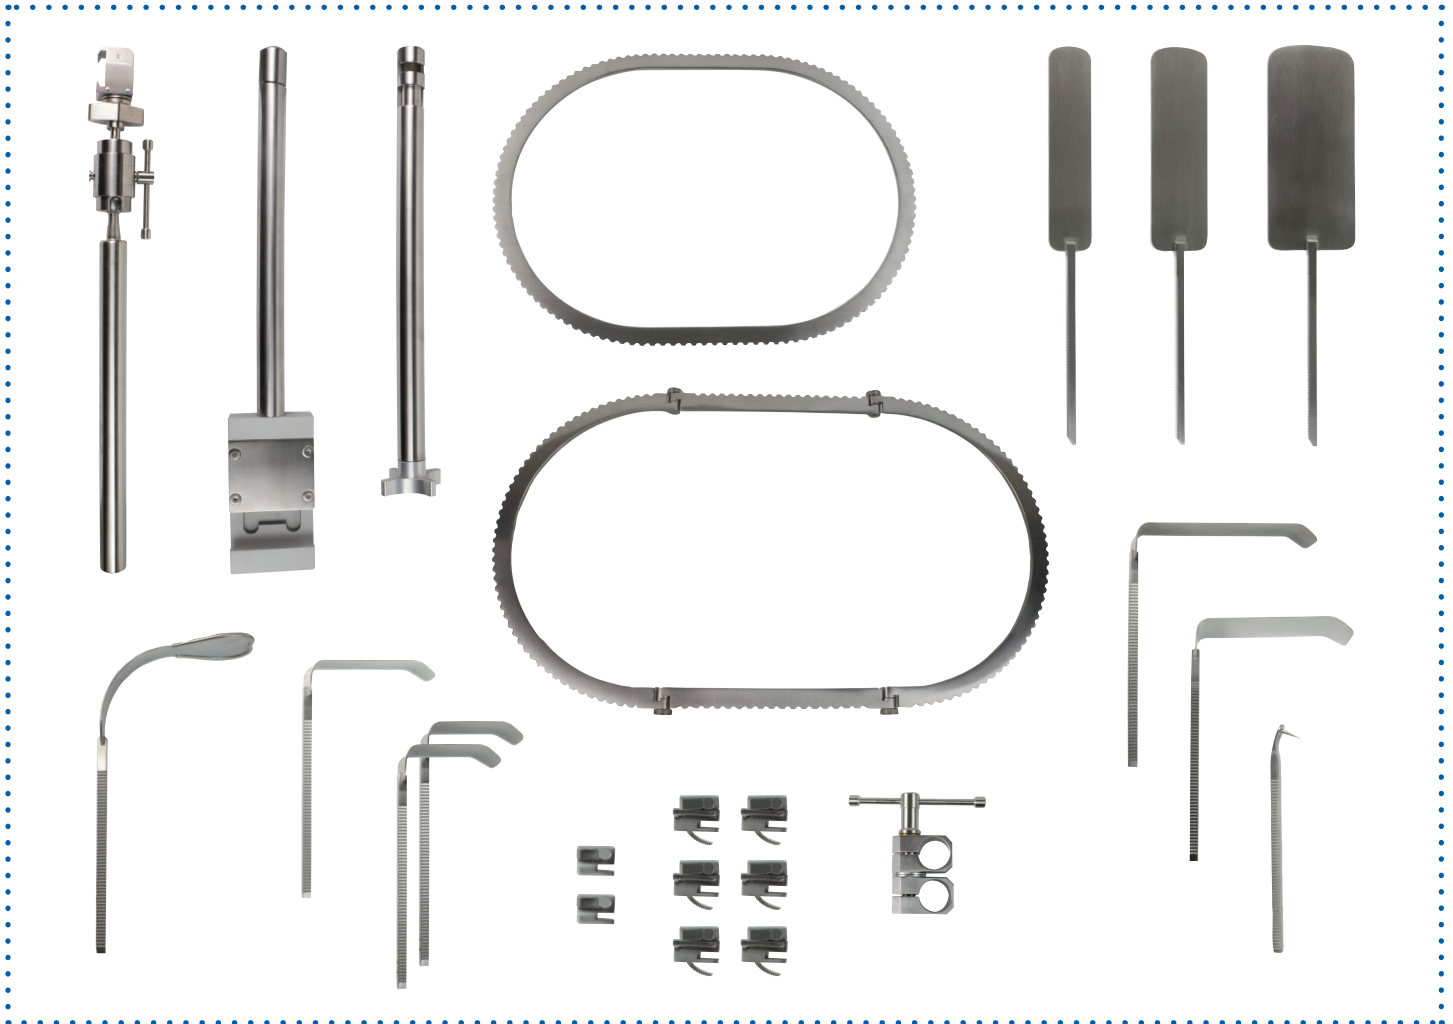

18-4316	Mini Frame	
18-4308	Snap or Slide Retractor Clamp	
18-4310	Frame Extension Bar, Hinged	

WORKHORSE™

General Retractor System

Wound site visualization with a variety of frames and blade styles to accommodate the patient and the procedure.

● 18-4002C Workhorse Set

Cat #s	Qty	Description
18-4035C	1	Table Clamp with Vertical Post
18-4047	1	Post Clamp, Coupling
18-4021	1	Oval Ring, Medium
18-4028	1	Oval Segmented Ring, Medium
18-4049	6	Tilting Blade Clamp
18-4048	2	Non-Tilting Blade Clamp
18-4038C	1	Horizontal Flex Bar, Double Joint
18-4045C	1	Horizontal Solid Bar, No Flex

Stainless Steel Retractor Blades

18-4075M	1	Malleable, 3" x 6"
18-4073M	1	Malleable, 2" x 6"

18-4070M	1	Malleable, 1 1/2" X 6"
18-4065	2	Kelly, 2" X 3"
18-4066	1	Kelly, 2" X 4"
18-4067	1	Kelly, 2" X 5"
18-4068	1	Kelly, 2" X 6"
18-4080	1	Balfour, 3" X 2 1/2"
18-4096	1	Harrington. 2 1/2" X 5"
18-4110	1	Gelpi Hook

Additional Components, sold separately

18-4011	Sterilization Case, Table Fixation and Rings	
18-4012	Sterilization Case, Blades & Accessories	

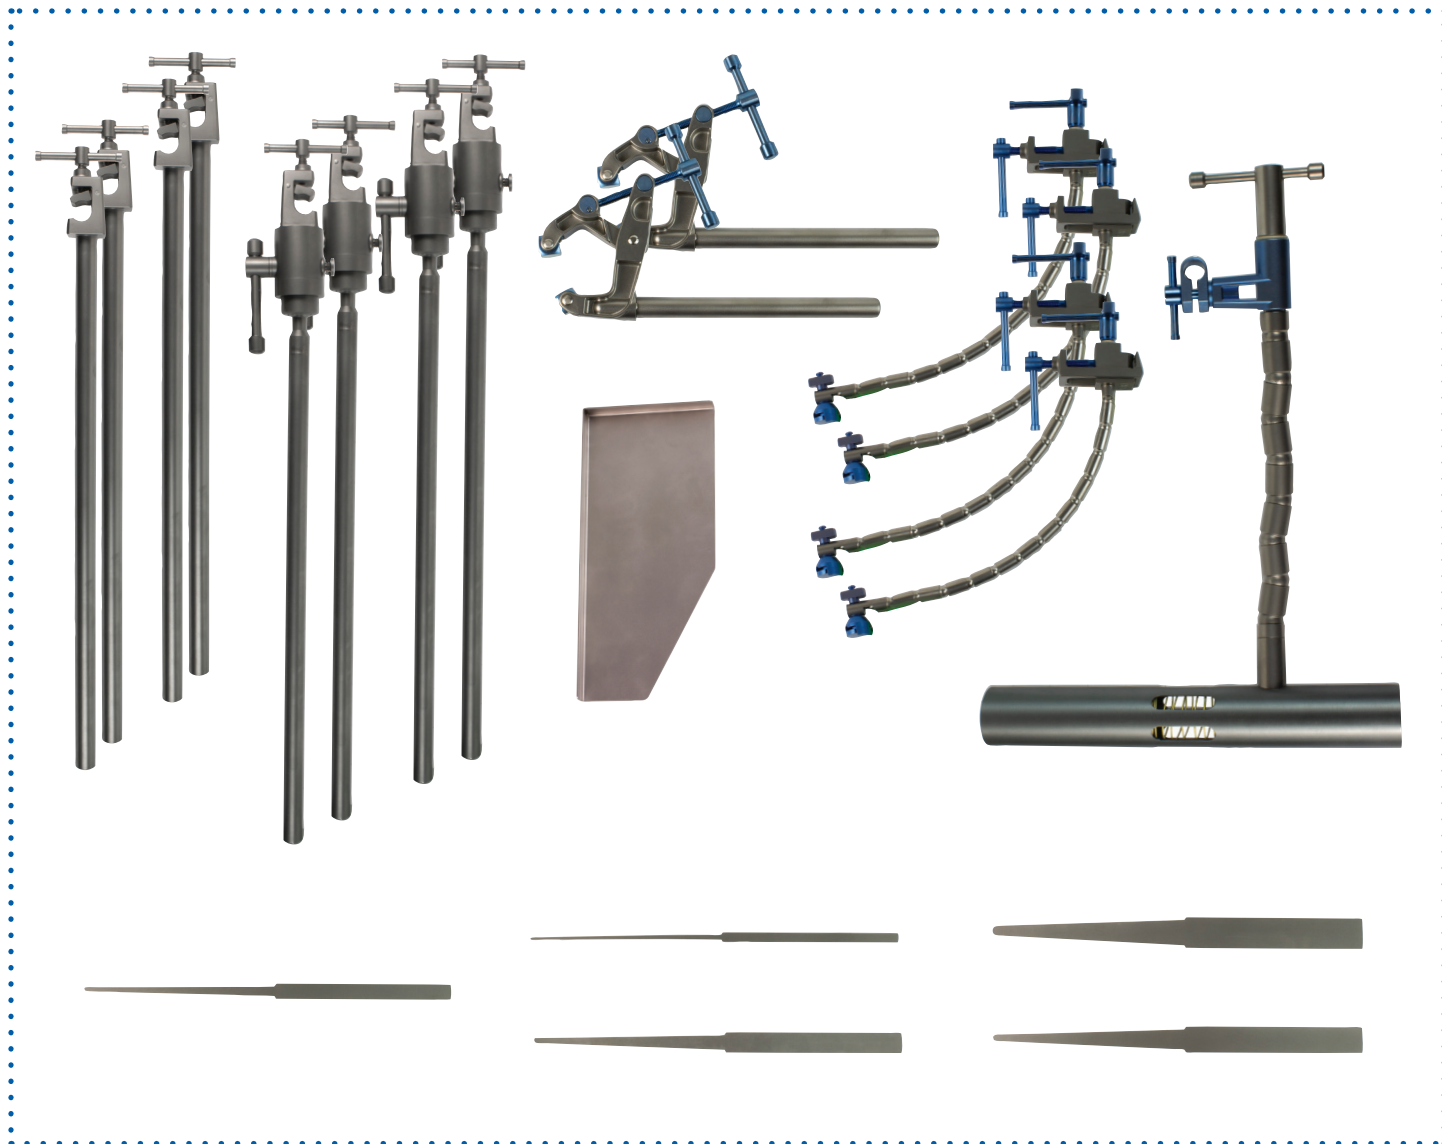

HEADREST-MOUNTED

Microsurgical Retractor System

Made of lightweight, durable and radiolucent titanium with handrest to prevent surgeon fatigue.

● 73-2360T Standard Set

● 73-2361T Expanded Set

Cat #s	Qty	Description
73-2362T	4	Secondary Bar 12", Titanium
73-2364T	4	Floating Secondary Bar, 12", Titanium
73-2368T	4	Flexible Retractor Arm, 9.5", Titanium
73-2370T	2	Primary Bar, 6", Titanium
73-2376T	->	Handrest, 10", Titanium
73-2378T	1	Pattie Tray, Titanium
73-2396	1	Sterilization Case

Titanium Retractor Blades

73-2380T	1	Blade, Tapered, 1/16" to 1/4"
73-2382T	1	Blade, Tapered, 3/32" to 3/8"
73-2384T	1	Blade, Tapered, 1/8" to 1/2"
73-2386T	1	Blade, Tapered, 5/32" to 5/8"
73-2388T	1	Blade, Tapered, 1/4" to 3/4"

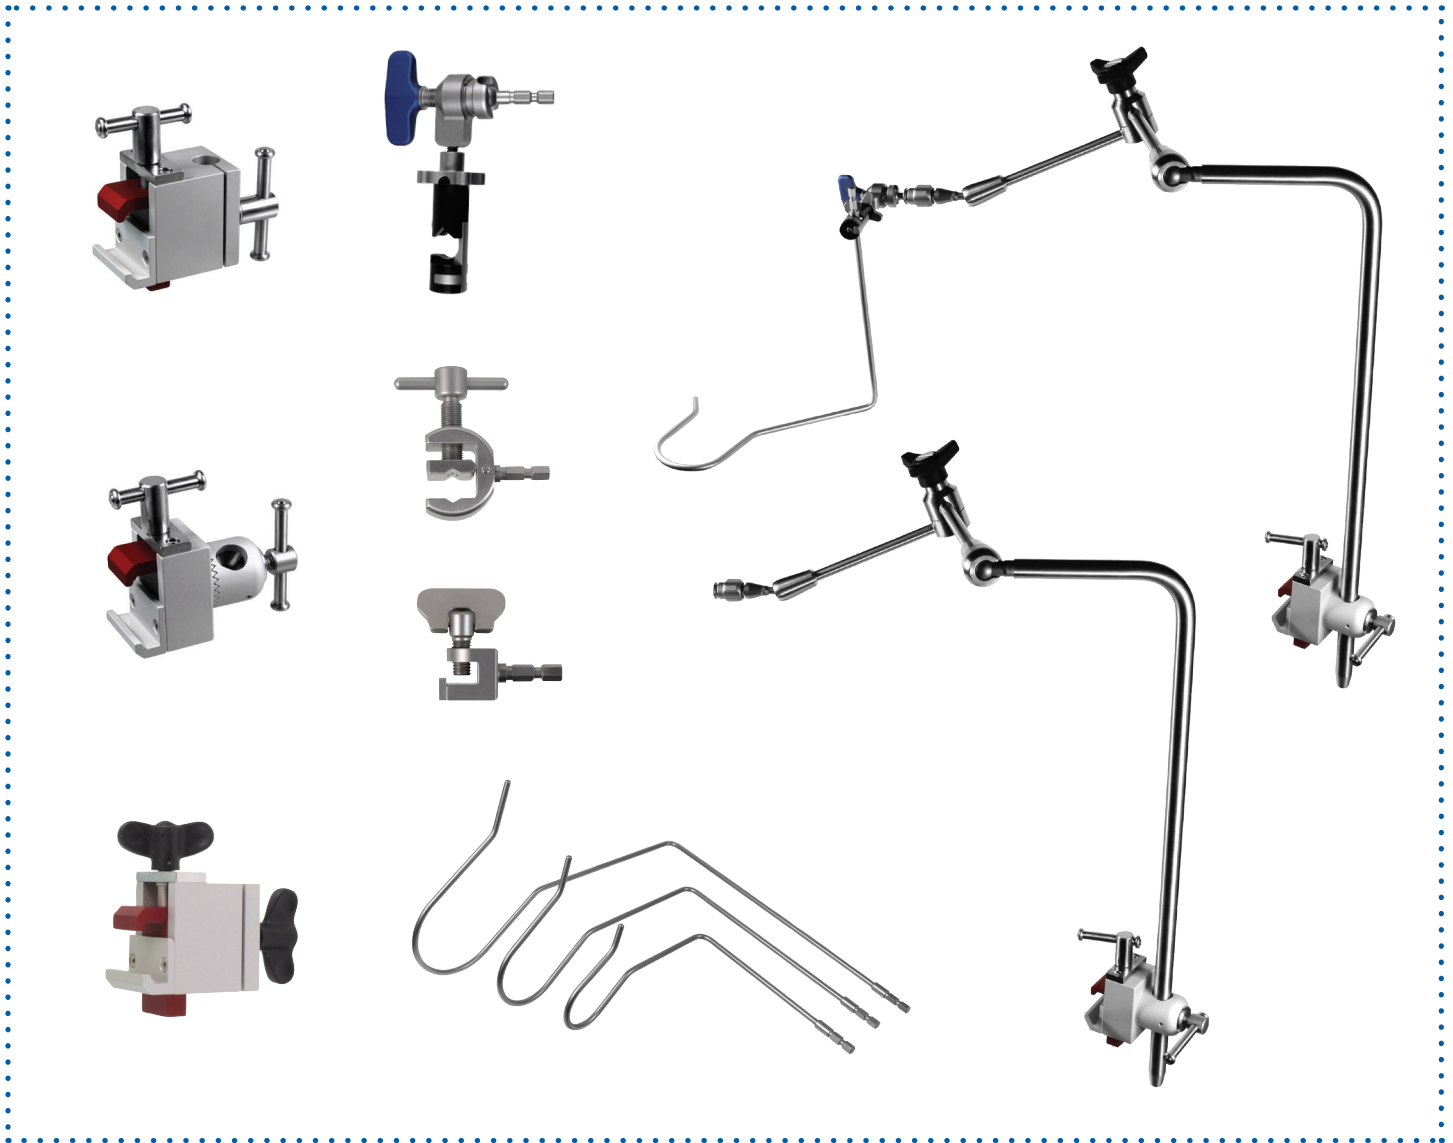

Additional Custom Components, sold separately

73-2367T	Flexible Retractor Arm, 6.5", Titanium
73-2369T	Flexible Retractor Arm, 13.5", Titanium

UNIVERSAL ARM RETRACTOR SYSTEM

Multi-functional Table-mounted Retractor with Hex Fitting

Versatile retractor system can be used in liver, laparoscopic or spine procedures.

Cat #s	Description		
18-4905	Table Clamp for Rigid Arm with Radel Knobs	18-4962	Hook Retractor Set (6.5mm Diameter)
18-4907	Table Clamp for Rigid Arm with Steel Knobs	18-4962-1	Hook Retractor, 6.5mm Diameter, Small
18-4905R	Table Clamp for Rigid Arm, Rotatable	18-4962-2	Hook Retractor, 6.5mm Diameter, Medium
18-4955	Rigid Arm with Quick Connect Hex Fitting	18-4962-3	Hook Retractor, 6.5mm Diameter, Large
18-4960	Hook Retractor Set (5mm Diameter)	18-4958	Swivel Scope Adapter for Hex Fitting
18-4960-1	Hook Retractor, 5mm Diameter, Small	18-4959	Instrument Holder 'C' Clamp for Hex Fitting
18-4960-2	Hook Retractor, 5mm Diameter, Medium	73-2959	Rack Clamp with Hex Fitting to hold Retractor Frame
18-4960-3	Hook Retractor, 5mm Diameter, Large		

THE BENEFITS OF CHOOSING BOSS

BOSS Instruments, located in Central Virginia, has been dedicated to developing and manufacturing high-quality, German-crafted retractor systems for over 30 years. Retractor systems may consist of just a few components that fit into one small tray or a more comprehensive system that mounts to a table and spans multiple containers. With BOSS, you have a range that covers everything, and with specific patented technology, it allows surgeons the ability to perform any procedure with maximum visualization.

Key features of the BOSS retractor offering include:

Patented Improvements

BOSS has developed novel improvements on the functions of time-honored retractor systems, while maintaining cross-compatibility with comparable systems already on the market.

Test Drive

Try it before you buy! Free 2-week trial prior to purchase on most retractor systems for medical facilities in the U.S.

Extraordinary Service

Field sales representatives available to help with evaluations, set customization and post-sale service.

Quality Performance

High-strength German stainless steel, as well as an extensive range of titanium or aluminum materials used to ensure clinical integrity

Peace of Mind

All BOSS retractors come with a lifetime guarantee against defects in manufacturing and workmanship.
