

About Sertoma Star Services

Sertoma Centre and New Star Services combined last year to form Sertoma Star Services. Sertoma Star Services is committed to delivering comprehensive opportunities and choices to those we support in an environment that promotes self-advocacy and personal success.

Sertoma Star Services serves over 2,000 individuals that range in age from 5 to 95 years old. We currently offer services at five locations to persons with Epilepsy, Cerebral Palsy, Autism and other substantial, chronic disabilities in addition to those living with mental illness. Illinois sites include Alsip, Chicago Heights, Crete and Matteson with one additional facility based in Merrillville, Indiana.

Programs are driven by the passion for creating life-changing vocational, educational, therapeutic and residential opportunities for those we support.

Services are available to individuals based on their needs, eligibility requirements and program availability.
