Ramone's Story

It is a time to remember how the Sertoma Family includes individuals like Ramone and that your support is transforming his life and the lives of countless others.

Ramone—a roller skating, basketball-loving Sertoma Consumer—and his achievements. Why do we love to bring you success stories like his? Because it is all about bringing us together for one common purpose: making the impossible happen for Sertoma Consumers.

Ramone is a 43-year-old gentleman who has a mild intellectual disability and epilepsy. He began his journey at Sertoma after graduating High School in 1998. He participated in Sertoma's sheltered workshop for many years, acquiring both work experience and skills. Ramone also worked at Sertoma's Snack Shack during lunch, distributing snacks to his fellow Consumers. He possesses an excellent work ethic and is a quick learner.

Today, Ramone lives with his sisters Tanya, Brenda, and niece Tiffany. He is very motivated and keeps himself busy completing his household chores and caring for his dog Coby. He loves shopping, attending weekly church services, and watching wrestling.

In addition to participating in Sertoma Centre programs, Ramone is among our most faithful volunteers at special events, along with his sister Tanya. He also volunteers for the Ronald McDonald House in Chicago, and the Bears organization helping to cook and distribute meals to needy families.

Ramone wants you to know that your support of the Sertoma Family provides desperately needed services for individuals like him. According to author Richard Bach, "The bond that links your true family is not one of blood, but of respect and joy in each other's life." This holiday season, bring joy to others with an act of kindness and show Ramone you're proud to call him family.

Matthew's Story

Matthew was born with Down Syndrome. That could be the end of the story, but Matthew is so much more than his diagnosis. His parents were encouraged to enroll Matthew in "all the therapies" when he was an infant and after aging out of Early Intervention, they chose Sertoma Speech and Hearing Center to join Matthew's care team. He received speech therapy at SSHC once weekly for several years to facilitate language skills, conversational intelligibility, and oral motor skills to supplement services provided in the schools as well as regular hearing evaluations to ensure he was hearing well. Matthew enjoyed therapy, was eager to talk to anyone who would listen, and became a favorite at the clinic.

Reading is a favorite activity for Matthew, especially about presidents. Ask him anything about U.S. Presidents and he'll have an accurate, well-thought-out response. His favorite president is Abraham Lincoln. Matthew also enjoys classic cars, video games, hanging out with friends, and Ozzy Osbourne. All the things a young adult enjoys. He is a Special Olympian in basketball, floor hockey, golf, softball and recently a multi-medal winner in powerlifting in the 134# class at the Illinois State Games this year.

Matthew is a productive member of his community. He is working full-time at Jewel as a stocker/bagger. He is well liked by his managers and co-workers and can be counted on to be on time, productive, and provide good customer service. His management team reports Matthew is articulate, polite, and hard-working. His speech is clear, easy to understand, and customers of all ages enjoy conversing with him. Matthew continues to use SSHC for his hearing healthcare with annual hearing testing and cerumen removal. He also serves as a volunteer at Sertoma Tuesday Bingo, in the SSHC clinic doing the heavy lifting (we love his Powerlifting prowess), and scanning/shredding work. Matthew is well liked by his Bingo volunteer team and the players. He has arranged his Jewel schedule to ensure he is at Bingo every Tuesday morning to chat with all the players and his fellow volunteers. Matthew makes friends everywhere he goes and his ability to speak clearly is never a concern.

We are excited to be back to an in person event this year! Due to Covid 19 we were on a short break, but are thrilled to be back at Gaelic Park and are looking forward to a Super Fundraising Event!

Action Sertoma is a not for profit club, 501(c)(3), that was formed in 1967 to raise funds in support of those in the community that are less fortunate than others. The majority of those funds is donated to the Sertoma Centre in Alsip, Illinois. Action Sertoma also contributes to Sertoma, Inc., Sertoma Speech & Hearing Centers and to other fine organizations such as Together We Cope, Crisis Center of South Suburbia as well as to many individuals in need within our community.

For more information on Action Sertoma visit www.actionsertoma.org. You can also visit us at www.facebook.com/actionsertoma, www.instagram.com/actionsertoma and www.twitter.com/actionsertoma. In addition to supporting the Sertoma Centre, we expanded our support to include the Sertoma Speech & Hearing Center, located in Palos Hills. The Sertoma Speech & Hearing Center is a not for profit organization dedicated to speech & hearing care for infants to senior adults.

Action Sertoma Club consists of over 60 members. Our club is made up of women and men, working and retired. We are made up solely of volunteers and we grow and promote the need for volunteers in our community.
