Action Sertoma's Fall Fest - Gaelic Park- Friday, November 6, 2026

Dear Friends of Sertoma:

We hope you are doing well! We are excited to announce we will be holding our Fall Fest Fundraiser on 11/6/26 at Gaelic Park in Oak Forest this year. If you helped support our event in the past, we thank you for your generous donation! Your generosity helped us achieve our goal of helping the 2 Centers to continue their programs for those who so desperately need them. We are asking if you would please consider purchasing an ad in our program book. We also have sponsorship opportunities available that include an ad along with tickets to the event. Ad pricing and Sponsorship Levels are also included in this mailing.

In 1971, our club, along with 2 other Sertoma Clubs, and with land donated by The Lombard Company, the Sertoma Centre was established in Alsip IL. Now called Sertoma Star Services, they are a nationally accredited, not for profit agency providing services on a daily basis to over 1200 adults and seniors with developmental, physical, and emotional disabilities and/or mental health illness. Sertoma Star provides opportunities that empower individuals with disabilities to achieve personal success. Programs offered at Sertoma Star include school transition, sheltered employment, janitorial services, senior activity center, vocational evaluation, mental health services, autism services, supportive housing, on-site training and job placement.

In addition to supporting Sertoma Star Services, we also support the Sertoma Speech & Hearing Center in Palos Hills IL. The Sertoma Speech & Hearing Center is a nonprofit organization that is dedicated to speech and hearing health care. They service patients from newborn to senior adults. Each patient receives the finest diagnostic services, treatment counseling, rehabilitation and one-on-one personal care. They have assisted thousands of individuals with speech and hearing impairments and help provide services needed for their patients to live productive, satisfying lives.

Sertoma Star Services and the Sertoma Speech & Hearing Center serve the South and Southwest Suburbs. Perhaps you may know someone who is receiving or has received services from the agencies we support.

We also support other charitable organizations in the south and southwest suburbs that provide important social services, you may know of them, they are Together We Cope and The Crisis Center for South Suburbia. We also receive 10 to 20 requests from local families in crisis situations that we support as well.

Our name, ACTION is an acronym for **A** Club **T**o **I**nvolve **O**ur **N**eighborhood. The founding members of the Action Sertoma Club had a vision to start a service club to address a missing need they saw in the community. Their vision was to establish an organization that would assist mentally & physically disabled children to learn occupational skills. Our goal was to help these twenty year olds find a place within the community where they could learn and grow. Today, our club has over 65 members and is made up of women and men, working and retired. It is made up solely of volunteers who are dedicated in "Service to Mankind".

Enclosed you will find the Ad Contract Form which will need to be completed to order and place your ad. Please be sure to include your ad copy along with the completed form and your payment. If you are renewing your ad from last year, we have enclosed a copy for you to approve for us to reprint, or please feel free to make any necessary changes and send back.

Thank You for your support.
