Rocktoberfest 2018

Rockin' with Rocktoberfest. Another successful event as Gaelic Park was packed with Sertomans and their guests to enjoy a night that was filled with food, raffles, music and fun, fun and more fun.

Every year it just gets better. The party goers enjoyed cocktails while they cruised the room to chit chat with each other prior to settling down to another splendid buffet dinner and delicious desserts. The event was just fantastic, the night was wonderful and the Sertomans partied like there was no tomorrow.

We were graced with a special appearance by "Sarge" which thrilled the crowd. Sarge hung around until his return home to the Sertoma Centre on 127th Street. You can visit him there. He just loves to see Sertomans.

All throughout the night, Sertomans and volunteers sold raffle tickets for the Grand Raffle (with a \$5,000 1st prize,) a wheelbarrow filled with too many bottles of liquor to count and numerous others items. Gift certificate umbrellas, jerseys and Chinese auctions ruled the night.

While all of this was taking place, the night took off with music provided by the ever-popular Maggie Speaks. The dance floor quickly filled with all of those who wanted to show off their dancing skills or just to satisfy their happy feet.

As for the raffles, there were far too many winners to list here. However, the big moment arrived with the drawing for the Grand Raffle prizes. In addition to the 1st prize, there were other smaller amounts to be given to the lucky ticket holders. The suspense built as the 1st prize was drawn and with much anticipation the winner was announced. It was the Chicago Lawn Sertoma Club. In a rather gracious move, they donated a portion back to Action Sertoma. Congratulations and thanks to them. (Just to show that our karma was in sync with the universe, Action Sertoma later won the Grand Raffle at Chicago Lawn's Annual Dinner. In yet another magnanimous move, we likewise donated a portion of the winnings back to them.)

As we all know, Rocktoberfest didn't run itself. The committee worked their collective fingers to the bone. While there are far too many workers and volunteers to mention here, there are a few that deserve special mention. Those who organized the event, those who volunteered and worked the event and those who contributed or donated to the event are to be saluted. Likewise, those who dealt with difficulties of pushing the raffle tickets and selling ads to fill the ad book deserve praise as well. In particular, Dom and Terri Porto, as always, deserve accolades for their hard work and never-ending devotion to this event. Also, a big thanks to Gene Esposito, Jr. for his efforts in coordinating this event with "Eventbrite" and chairing the selling of the "Grand Raffle" tickets. Of course, we can't forget Connie Barrera who administers our social media platforms and used them to get this event to the forefront.

A phenomenal effort by the committee and all of those Sertomans who helped made this an event to remember. Thank you for your time, effort, and dedication. Congratulations on putting together another wonderful and highly successful event.

-If anyone was missed, or the info. is incorrect, please let me know so that your information can be updated.

'Twas the night before Christmas, all set in red and green,
Sertomans reminiscing about the year 2018.
Reflecting on all of the good things that they've done,
And helping others less fortunate to have Christmas fun.

Many people are happy and much better off,
Because of their efforts our hats we do doff.
The Centres are working for many each day,
Consumers and staff are thankful and pray.

Tremendous efforts are put forth into raising much cash,
Such as putting together a "Rocktoberfest" bash.
A summer golf outing takes place in the sun,
Raising more money after all is said and done.

Many thousands are helped along the way,
And "I'm proud to be a Sertoman" is what we say.
Helping others is always what's on our mind,
That's why we're here to provide "SERvice TO Mankind."

Speech and Hearing and others are thankful and glad,
For all of the support and help that they've had.
Together we work and together we play,
But it's the others we help that makes our day.

Each year we remember the ones that we love,
And also, the ones who've left us and now reside above.
We'll continue to help those that need us the most,
But for now, raise your glass it's us that we toast.

To each Sertoman and family and all those we hold dear,
"Merry Christmas to all and a Happy New Year"

INSTALLATION DINNER

Following the monthly dinner meeting on Tuesday, October 30th, the Action Sertoma Club officers for the 2018-19 term were sworn in. We were honored to have District Governor Jerry Lipinski (Hickory Hills Sertoma) with us and to have him conduct the swearing in of each of the officers to their respective positions. For a complete listing of those club officers, please refer to the bottom of the next to last page of this bulletin

VISION 2020: A PLAN FOR TOMORROW

The future of Sertoma is brighter than ever. In an effort to better support our volunteers and grow the organization, Sertoma will be implementing a new plan called Vision 2020. This new strategy is set to take effect next summer.

What is Vision 2020?

It is a strategy to improve communication and support of Sertoma members and partners at the community level, and to grow Sertoma service into new communities. The strategy includes:

- A belief that the critical component of Sertoma is our community-based members/volunteers, and that we can better serve those members individually, and not through a hierarchical or geographical grouping.
- Replacing current volunteers positions with new roles focused on helping Sertoma communicate, train, and support members and clubs at the community level.
- Replacing an early 20th century structure, with one consistent with the technologies and expectations of society in the 21st century.

Although it remains in its early stages, a series of links have been created to inform you about the upcoming changes.

Visit the Sertoma website at: <https://sertoma.org/vision-2020/> for a Vision 2020 video overview.

EDITOR'S NOTES

Did you vote this past November 6th? Did you get your I Voted! sticker? I did and I sure hope that you did regardless of what color you prefer be it red, blue or green. The ability to be able to have open and free elections and to vote is what separates us from many other countries. The reason that I bring this up is that on election day, I was at a therapy (physical not mental) session when I overheard a young therapist bemoaning the fact that all elected representatives were a**%\$&#s and because of that he didn't vote. I cringed and immediately challenged him on his rather sweeping assertion and gave him a brief history of what this country has gone through to protect his right to vote and that he should exercise that right. Change, I told him, comes about through action not inaction. Voting is action ...failing to vote is inaction. I told him that if you don't vote then you forfeit your right to complain about our elected officials. Clearly, not all of our elected representatives are as this young fellow described. I'm quite sure that there are some that are actually trying to do their best and work for us rather than for themselves. Remember, if you don't vote, don't complain. Now on to other things.....

We had another fine year at Action Sertoma under the direction and leadership of Bob Scott, Chris Obbagy and our new President, D.J. Fioretti. Kudos to all of our members, officers and to all of those who put in endless hours putting together our club events. Our major fund-raising events, the golf outing and Rocktoberfest, were both quite successful and brought nearly \$90,000.00 to our coffers.

As the year creeps to an end, take the upcoming holidays as an opportunity to give thanks for all that we've received and all that we've been able to accomplish during the past year. We recently celebrated Veterans Day. Veterans Day is a time for us to pay our respects to those who have served. For this one day, we stand united in respect for our veterans. Thanks to all of our Sertoma veterans. This leads us right to the biggest and, in my opinion, the best season of the year.....Christmas. Let's try to remember the true meaning of the season and be generous in your giving to others who are in need.

As always, don't forget to visit our Action Sertoma website at <http://www.actionsertoma.net> and also please visit our Facebook page and "like" what you see.

"A day without sunshine is like, well, night."

"Change is inevitable, except from a vending machine."

"Those who live by the sword get shot by those who don't."

"Despite the cost of living, it still remains popular?"

Merry Christmas to all of you Sertomans!!!
