MEMBER SPOTLIGHT

EILEEN CLANCY

VP - Membership

"I have been an Action Sertoma Member since 2008. In 2010 I was elected to the Action Sertoma Board as the V.P. for Membership. I have also been a Chairperson of Sponsorship for our Annual Golf Outing. Action Sertoma has been active for over 50 years and being a member is personally rewarding knowing I am helping those who are less fortunate. I am proud to be a Sertoman. Know someone who wants to join the Best Club in the Chicago Metro Area? Please have them contact me direct at emclancy1964@yahoo.com."

Action Sertoma Donates To Camp Kesem at Northern Illinois University

Speakers: Amanda Surrusco and Evan DeBock

With over 5 million children impacted by a parent's cancer, Kesem must continue expanding to meet this need. Kesem is the largest national organization dedicated to this unique population, and for many children their Camp Kesem experience is a life-changing event—providing them a community of children with similar experiences, and a safe and welcoming environment to have fun and rediscover their childhood.

Beyond that, their replicable and highly scalable funding model also allows for rapid expansion. In the summer of 2020, more than 8,600 children attended over 140 week-long sessions of their new, innovated Kesem at Home program in lieu of traditional in-person camp program. And with help from donors, they hope to continue supporting more and more children each year!

"Thank you for being an important part of our growth as we support children through and beyond their parent's cancer with innovative, fun-filled programs that foster a lasting community!" - Amanda Surrusco and Evan DeBock
