Janine Hassell is a certified Ayurvedic Practitioner, Health Coach, Psychic and Reiki Master Teacher.

Janine Hassell is **NOT** a licensed medical professional. Please continue to see your Physicians, Specialists, Psychiatrists, Psychologists, and to continue with any Therapeutic care. Please do not stop taking any medications unless recommended by your medical professional while under your medical professional's care. It is strongly urged that you always consult your Physician, Psychiatrist, Psychologist, or other Medical Professional for any and all conditions and concerns you have.

It is recommended that, Spiritual Coaching, Energy Healing modalities, and any other services offered at Urban Alchemy be used only as a complementary method, in addition to traditional medical treatment, and always only with the approval of your physician or other medical professionals. The sessions provided are alternative or complementary to healing arts services, or medical services licensed by the state of California. Complementary healing arts such as Energy Healing, Coaching and Intuitive Readings do not require licensing, and are not licensed by the state of California.

Nature of Services.

Energy Healing is done while the client is lying down on a massage table, or in the comfort of their own home when doing distance sessions. The client is fully clothed for energy healing sessions. For Energy Healing modalities the practitioner places their hands on or above the body, and allows Energy Healing to radiate from the hands. In addition to the practitioner radiating energy through their hands, sessions may involve the practitioner sweeping their hands above the body in various ways, or incorporating breath or vocal tones to break up energy blocks as well as using crystals or stones. In Energy Healing sessions, often the client reaches a deep meditative state which will explore underlying emotions and beliefs that may be the cause of the issue that they are wanting to address. The client may witness colors, energy forms, what appears to be past lives and also have a higher aspect (over-soul/higher self) of themselves come forward to provide information.

Intuitive readings are done by **Janine** allowing a higher aspect of energy to come through to provide information for the client. This information should be used at the client's discretion for informational/entertainment purposes only. Intuitive reading predictions are assessing a probability of future events, but may not come to fruition. The client is solely responsible for their decision making based off of the information provided. .

I understand that any of the services offered at **Urban Alchemy** may be used to assist me at any given time. I understand that I can stop the session/s at any time.

Theory. Stress, trauma and illness restrict the natural flow of Ki or Prana (life force energy) through the body. By restoring Ki life force energy to the body, Energy Healing rejuvenates the body's ability to relax and de-stress, and supports its ability to heal itself. Energy healing can also be done remotely.

During any of the above-mentioned modalities, the recovery of memories of previous physical, sexual, or verbal abuse is possible. Emotions and beliefs can be exposed and worked with during any of the above-mentioned modalities.

Deep meditative states and spiritual experiences are possible, and can **radically** alter one's perception of their religious or spiritual beliefs, and views held about their own reality. Spiritual awakenings can take place as a result of any of the above-mentioned modalities or services.

Janine Hassell does not diagnose, treat, or advise that any of the above mentioned modalities or services be a substitute for professional Medical, Psychological, Psychiatric, Therapeutic, or any other type of treatment, care or advice. The above-mentioned modalities allow for the body to de-stress, supporting the body's own ability to heal itself.

Nothing said, typed, printed, or produced by Janine is intended or meant to diagnose, prescribe, treat a disease, or take the place of a licensed physician.

Confidentiality. All personal client information will **always** be kept confidential unless permission is granted otherwise. By signing below you agree not to violate the publicity or privacy rights of any program participants.

Licensing. I understand that **Janine Hassell** is not licensed by the state of California (with the exception of being a licensed Massage Therapist), and is not a licensed medical professional, psychologist, or psychiatrist. I understand that it is advised to continue with all medical, psychological, psychiatric, and therapeutic treatments and medications. By using the above mentioned modalities the body **may** rejuvenate its ability to relax and de-stress, thus supporting its ability to heal itself. You will need to work closely with your physicians to monitor your condition/s and medication/s.

Guarantees. I understand that there are no guarantees to a specific outcome with all services provided at Urban Alchemy. Janine Hassell has training with Ayurveda and Reiki. She works as a guide to support the body's ability to heal itself through the Mind/Body/Spirit approach. She is limited to the compliancy of the individual she is working with, and how far they can go in the process. With energy healing Janine's job is to connect you with spirit and allow spirit to bring to you what is in your highest good. She will take you as far as you can go with whatever modality she is using. **As stipulated by law, Janine can not and does not make any guarantees about your ability to get results or earn any money with her ideas, information, tools or strategies.**

I understand that I am responsible for any decisions that I make based off of information that comes forward from Janine's Services, Energy Healing, Intuitive readings, or any other services offered.

I understand that I may experience cold or flu like symptoms by release of emotions and toxins through any of the above mentioned modalities.

In cases where there is an alcohol or drug addiction I understand that it is **strongly** recommended to seek rehabilitation from medical professionals, and to use the above-mentioned modalities as a compliment to traditional medical care.

Sessions at **Urban Alchemy** may be recorded either by the client or by Janine via audio and become part of your confidential record.

Liability. I will not hold **Urban Alchemy or Janine Hassell** liable for any pain or distress, physical or emotional, which may arise while receiving Energy Healing, coaching, Intuitive/channeled readings, or any other services provided.

I agree to defend, indemnify, and hold harmless Urban Alchemy and/or Janine Hassell from any and all claims, suits, or actions for injuries to persons, including death and damage to property of others, or myself, that may arise from or result in any way from my participation in any activities and/or treatment provided by Urban Alchemy and Janine Hassell no matter how such injuries or damages may occur. I understand that the foregoing is an assumption of risk, release of liability, and indemnification agreement. It is a legally binding contract which is intended to provide as comprehensive and broad a release of liability, indemnification, and express assumption of risk agreement as is legally possible, but it is not intended to assert any claims or defenses which are prohibited by law. I sign it voluntarily and of my own free will.
