

Hello Residents:

It has been an absolute pleasure serving you as Mayor since taking office in May 2019 and I look forward to doing all that I can to improve the community. Soon you will notice the construction of our new Dollar General, which is exciting for us all. This is a sign that our community is thriving and moving in the right direction. I want to personally thank you all for coming out to support the Village Festival. It was a day filled with music, family fun and fellowship.

SRT TRUSTEE NEWS

FINANCE SAYS...

SRT residents, we appreciate your paying **your** garbage bills in a timely manner. It is important to us as a Village to be able to pay **our** bills on time also! **THANK YOU!**

ACCORDING TO SUN RIVER TERRACE ORDINANCE, GARBAGE RECEPTACLES MUST BE REMOVED FROM THE STREET WITHIN 24 HOURS; THIS PREVENTS INTERFERENCE WITH MAIL DELIVERY AND RECEPTACLES FROM ROLLING IN THE STREET.

PUBLIC SAFETY SAYS...

As we know there has been a rash of illegal entry of vehicles. Please always keep your car doors locked day and night, as some have occurred in the daytime. Make sure to secure your home when leaving, lock all windows and doors.

Two teens were seen running from the break-in of a home. These are teens from right here in our community.

Parents speak with your children about this, let them know what's going on. We don't want any tragedies to result from these senseless criminal acts. The County Sheriff's Department is working closely with Village Officials in this matter.

There have been two structural fires in the Village in the past two months. Both appear to be arson, one on River Pike and the other on Roosevelt.

If you should see anything or anyone acting suspicious, call the County Sheriff's Dept. and report it, we, the community are our Neighborhood Watch.

Let's Be Watchful!

If you have any information on any of these crimes, which are punishable by law, please call the Sheriff's Department @ 815-933-3324.

Winter is approaching, time to start checking batteries in smoke/fire/carbon monoxide detectors.

Let's keep our Community a safe one from criminal activity and avoidable tragedies.

Notice to ATV Owners/Riders

An Illinois State Ordinance, which prevents the riding of ATVs within the Village, has been in effect for quite some time now. This has been an on-going issue for a while, I advise all who have ATVs, planning on purchasing an ATV, and those who allow others who live outside the Village to come out and unload their ATV to ride in the Village, to visit the Village

Hall and read the ordinance.

Check the trees around your electrical wires. If large tree branches are hanging over electrical wires connecting from pole to pole, ComEd needs to be informed that these branches need trimming.

If any branches are hanging over wires from pole to house, you are responsible for those.

Winter is approaching and heavy iced branches can snap falling on electrical wires causing power outages.

Have A Safe Fall!

PUBLIC PROPERTY SAYS...

All residents, please obey the speed limit! Children are walking and riding their bikes. Trash is still being thrown on the

roadside, the entrance of Sunset Avenue, and the Riverwood road.

Please Help Keep Our Village Clean!

The maintenance guys are working hard keeping the grass cut and the roadsides looking good, let's show our appreciation by doing our part!!

Please make sure your garbage is placed in the trash containers and not on the ground

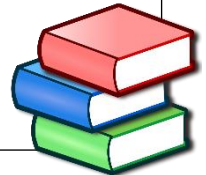

Thanking You in Advance!
