

Inspired by the spirit of southern island living.

DAUFUSKIE ISLAND

South Carolina

Our Style
casually elegant and laid-back lux

*Designed to style
together with ease.*

*With our coordinating capsules of apparel,
handbags, & jewelry, we make shopping
easy for your customers.*

Local Flavor

*Each capsule is inspired
by local destinations.*

MARSH BOARDWALK CAPSULE

*A little hideaway on Hunting Island is
the best spot to catch the day's final rays.
Where the sky blazes blue to orange and the
sun meets the sea, you'll find the Marsh
Boardwalk, a serene wooden path that glides
over the lush salt marsh flats, complete
with a small gazebo to take in the relaxing
Lowcountry landscape.*

*Inspired by the awe-inspiring sunsets
seen from this quiet footpath, our Marsh
Boardwalk collection boasts oranges and
blues in a stunning floral and bold geo to
represent its serene surroundings and the
sun and sea coming together to end another
beautiful, Lowcountry day.*

It's all in the details.

Every tiny little detail is custom designed by our team of artists. From the very specific color selections in the custom patterns to the exact thread color in each stitch... every single Spartina design has been created uniquely for our brand.

Nothings is 'off the shelf'!

*Designer
fabrics &
details...*
*at accessible prices
with the same high
quality standards.*

True to our roots

Every season our team of designers strives to bring new and exciting handbag designs to your customers. We mix new fabrics, new custom hardware, new shapes, new leathers... with our tried and true classics like our signature linen! We focus on every detail from the quality of the leather to the shiny on the hardware.

Embroidery
We love texture. Many of our handbags feature custom embroidery with tons and tons of yummy texture.

Natural stones carefully selected to easily style with your Spartina apparel.

Everyday
Tarnish Free
Water Resistant

Everyday tarnish free & water-resistant jewelry – designed to shine on through everyday wear, exercise, showers and a summer at the beach.

14kt Gold Vacuum Plating over Stainless Steel

HOW?

Made with rust resistant stainless steel, then plated with 14k gold using a corrosion resistant technique called Physical Vapor Deposition, or PVD. This vacuum coating process creates an extremely durable finish with a stronger bond than traditional gold plating. PVD coatings are also tarnish and corrosion resistant from regular wear so you can shine on through everyday wear, sweat, showers and a summer at the beach.

Passed Salt Exposure Test & California PROP 65 Standards at **SGS Testing Company**. A world leader in testing, with over 140 years' experience, providing a broad range of services to clients around the globe.
