

To whom it may concern:

I am writing this letter in support of Minister Danny Wilson and his Holy Hip Hop ministry. I met Danny during his performance at the Pentagon in December 2003. I was acquainted with him from my relationship with Minister Eddie Velez, who I have known since 1989. I am currently working as a contract employee for HQDA US Army Deputy Chief of staff for Programs at The Pentagon, Washington, DC.

It was only by divine providence that I learned of Mr. Velez's faith in Christ. I saw his 2003 interview that he and Mr. Wilson conducted with Mr. Tony Brown ("Tony Brown's Journal") on national television and immediately contacted Mr. Velez in Georgia to renew our relationship after well over ten years. I then worked with the Pentagon chaplain to bring the Holy Hip Hop Ministry to the Pentagon to minister to the employees here. I felt that they would have a healing presence following the terrorist attack on September 11, 2001. Their performance here was excellent and well received by Pentagon workers.

It is my opinion that Mr. Wilson has the special God-given ability to relate the Gospel of Jesus Christ and the desire for righteous living to people in a way that is pertinent, relevant, and most of all, real! I have the highest personal and professional respect for Mr. Wilson and would be more than happy to discuss this matter with you in greater detail, if you so desire.

Sincerely,

Milton L. Greenberg, Jr.
MAJ, USA (Ret.)
