1. ***FOCO Model***: The business operates on a Franchise Owned Company Operated (FOCO) model, ensuring that the franchisor handles operations while the franchisee owns the outlet.
2. ***5-Year Capital Return***: Within the first five years, all capital is returned to the franchisee as revenue share.
3. ***Interest Payment***: For the first two years, the franchisee is paid interest up to 22%, making it a lucrative early phase investment.
4. ***7-Year Full Return***: Combining the capital return and interest, within seven years, the franchisee receives the full franchise cost and interest back as return.
5. ***Renewal Agreement***: After the initial return period, the agreement can be renewed to continue the partnership/franchise .
6. ***Revenue Timeline***: Revenue generation starts from the 10th month, with payments made in the 11th month from the start of the center.
7. ***Operations and Staff***: The franchisor takes complete responsibility for operations, profit/loss, and staff management, ensuring a hassle-free experience for the franchisee.
8. ***FOFO Option***: For the express & Lite version of the franchise, a Franchise Owned Franchise Operated (FOFO) model is available, where the franchisee manages both ownership and operations.

This structure aims to provide a balanced and potentially profitable venture for the franchisee with a defined timeline for capital return and profit-sharing.
