## INTRO

### WHY YOU BELONG HERE

2026-27 marks the 10th season of React Elite (SEASON X)! We are honored that you are considering joining us in this incredible moment in our program history. This will be a fun and historic year!

The life lessons are many, including sportsmanship, teamwork, time management, goal setting, and striving to win! All Star cheer is an inclusive sport where every athlete can grow and find value.

More than ever, athletes need a place to belong and a reason to persevere and feel empowered. We are united for our athletes to challenge limits and beat expectations, never judging... except for those two and a half minutes on the competition mat!

### WE ARE REACT ELITE

React Elite is widely regarded as one of the most elite competitive cheer programs in the PNW. We feel incredibly blessed to be the only program in the PNW with four National Championship banners hanging within the walls of our gym (3X NCA & 1X Summit).

We believe cheerleading is not just a sport; it is a way for anyone and everyone to change their life and the lives of people around them and we're here to help you bring out your spirit whether it's your first day in a cheer gym or you're a seasoned veteran.

## **TEAM PLACEMENTS**

When forming teams, we consider factors such as athlete skills, experience, and maturity. Team placement is primarily determined by birth year and skill level. Rosters are subject to change at any point in the season and for any reason under the coaches discretion. Initial team announcements will be sent via email by May-31st, 2026.

## **COMPETITION SCHEDULE**

The competition schedule varies by program. Most teams will attend competitions hosted both locally and nationally, with the opportunity to be invited and attend End-of-Season Events (i.e., The West Regional Summit, and The Summit) at an additional cost. Competition schedules are tentative and subject to change.

## **TRAVEL EXPENSES**

Travel expenses are not included in tuition. Athletes are required to book travel in accordance with any guidelines provided throughout the season. All End-of-Season events will be an additional cost and not included in monthly tuition. Please keep in mind the gym will also include fees for End-of-Season events as well as the competition company.

## **TIME COMMITMENT**

Participating in our All Star Cheer program is a 12-month commitment. During June and July, teams will have two weekly practices. Sunday practices will begin in September and will continue through May 2027. Additional practices and extended practices will be scheduled during important times of the season. Athletes are expected to prioritize their participation in our program and fully commit to attending all scheduled practices and events.

---

The BEST in the NORTHWEST

## FINANCIAL COMMITMENT

Participating in All Star Cheer requires a significant financial commitment. It is important to carefully consider the investment involved. We have the most qualified and decorated staff in the entire PNW region. As a result, our fees are higher than some other programs. Tuition is divided into 11 monthly installments and is due on the first of each month. Billing begins in June 2026 and continues through April 2027. Tuition is payable through the customer portal. Members are required to keep a valid credit or debit card on file. Tuition covers team training, regular season competition fees, apparel & equipment, music, choreography, and other non-refundable, non-transferable expenses.

---

## PREPARATION CLINICS

We are hosting several clinic opportunities in preparation for Evaluations. This will give our coaches more time to see your athlete(s) in action leading up to team placements. During this time we will tumble, stunt, and learn both the dance & jump choreography that will be taught at Evaluations. Participation in these clinics is not required, however it is strongly encouraged. Athletes who attend these clinics are often more confident at Evaluations and perform better than those who do not attend.

## SKILL GRID

These are suggested tumbling skills for each level. Tumbling is only one consideration of our team placement process. Nearly every athlete will have mastered multiple elite standing and running tumbling skills with good technique to be placed at a level.

## OVERVIEW

We're excited to introduce our new Elite Accelerator Program, designed as an additional opportunity for current Elite athletes who are looking to further challenge themselves & pursue a highly competitive, goal-driven experience.

This optional team will be made up of athletes already rostered on an Elite team & will focus on a competition schedule that includes one local event (American Championship), one Grand National (Duel in the Desert), one National Championship (NCA, CHEERSPORT, or USA) & potentially the D2 Summit. The focus of this program is to bring together a group of dedicated, championship-minded athletes who are eager to push their skills & work collectively toward a shared goal: competing (& winning) at the highest level.

## PRACTICE SCHEDULE

Practices will begin at once per week, with the potential for additional practices starting in October as competition season approaches.

## FEES

Fees will be determined once the team is finalized & will vary based on final team size; costs will include additional/crossover competition registrations, travel, choreo/music & tuition.

## HOW TO JOIN

This team will be tryout-based with limited spots available. Athletes interested in being considered should indicate their interest by selecting the Accelerator option during evaluations. Additional details will be shared at the mandatory parent meeting.

Participation on the Accelerator team is completely optional & intended to complement (not replace) an athlete's primary team experience. Athletes who choose not to pursue this opportunity, or who are not selected, remain an equally valued & essential part of our Elite program.
