

Equipment leasing with EFSI Delivers Benefits by the Truckload!

Jack Harvey, CLP

It's time to take advantage of equipment leasing!

Lease equipment for your own business. Or, enhance your sales by offering equipment leasing options to your customers. Either way, equipment leasing delivers benefits by the truckload.

35 Years of Leasing Experience

EFSI has the experience, resources and flexibility to help you or your customers:

- Attain 100% fixed-rate financing for equipment
- Conserve working capital and credit lines
- Increase your purchase power
- Enjoy flexible payment options
- Gain tax advantages through leasing

We lease a variety of equipment, including:

- Office furniture and equipment
- Computers/network and telephone/voice equipment
- Manufacturing equipment
- Medical equipment and software
- Agriculture equipment, and more

Put the power of equipment leasing to work for you!
