WE GAVE HIM FREE REIGN OVER THE NEXT LIL BLT, SO IT'D BETTER ROCK SOCKS OR SMTHNG!

Howdy Ho! or should I say...
aye aye  That's right, there's
an Omar Pirate Adventure in this one!
Before I get too excited, let me
announce the biggest piece of news
this issue (May 2024, Issue 2.5 in
case you were wondering): FILL
OUT THE ADDRESS CHANGE
FORM! If you do not, then the
Cool-as-all-heckin' cowboy on
Page 4 is gonna shoot ya! Just
kidding, but seriously if you don't
you won't get yo favorite 'zine no
mo'. Speaking of cowboys, I (Peter
Boudreaux) am personally way hype
about the cowboys. Now, I can

roleplay as Rawhide SnakeSkin
Cowboy Detective — yes, this is
another reference hehe. If you
too blue and don't know what
to do, then this issue is for you!
Blue Balloos on page # 2!!!!
However, and I say this grimly,
do NOT expect any puzzles
this time. Jethro and the Find It
crew is still kickin', grillin' it
up (hint-hint). With the case going
on though —. Hope you enjoyed
this new lil thing I'm doing! :)
Love you guys thanks for reading!

(It's new + I'm working on it)

SPECIAL PRESENTATIONS

KIND OF, IT'S LATE

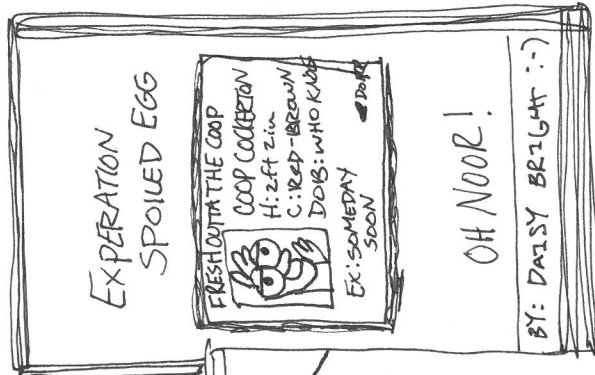

Excerpt from an ambitious work; Yours Truly - P.B. v

The bathroom was blurry as he entered, and his hand slipped over the door's lever. When it was closed behind him - locked after a couple of failed attempts to press the button in - he really started. Outside it began but in the bathroom it all finally and truly came out.

There is a moment in everyone's lives in which the epitome of their desire is denied - this was his moment. And the rationality of existence, the drive, is forgotten in an impossibly pressuring force of recognizing this incongruence. You are what you are, not what you want to be. He was alone when he wanted to be together. What are you meant to do when the dusk of your dreams is upon you, fully, uncontrollably, and in its finality?

Well, Peter assumed the fetal position and wept in the bathroom of his favorite bar. The open phone lie beside him with the gray of a forgotten profile-uncaring
