

THE GAINING A WHOLE NEW APPRECIATION FOR THE WAY AND THE CREATION OF BEAUTIFUL ARTS!

NewsLetter !!!!!

ALRIGHT FOLKS, I'LL CUT TO THE CHASE & QUICK CORPORATE ISN'T HAPPY WITH THE STATE OF OUR LOVELY LIL MAGAZINE RIGHT NOW. OUR GREAT CEO, DEVINDER SPOKANE, LOST THE WRONG POKER GAME TO THE WRONG CROWD, AND NOW THE WHOLE BUSINESS IS FALLING DOWN AROUND US! NOW WE'VE GOT THESE HIGHER-UPS CALLIN' ALL THE SHOTS. THEY SAY WE WASTE ALL OUR OFFICE HOURS CHATTING AWAY & MISSING DEADLINES. THEY SAY WE SPEND TOO MUCH TIME ON PESKY ARTWORK & PARAGRAPHS & HAND-CRAFTED PANELS, TOO

MUCH TIME DAWDLING ESSENTIALLY, & THEY'VE HAD IT NEARLY UP TO HERE. TOO MUCH WASTE ON THE SUBJECTIVE, & NOW THEY'RE TAKING ALL THE BUSINESS INTO THEIR OWN DANGLED HANDS...

* * *

AND NOW, IT BRINGS ME GREAT DISPLEASURE TO PRESENT YOU WITH THE AUGUST 2025, 3.8 ISSUE OF OMAR'S SPILL A.K.A. THE CORPORATE ISSUE! I'D TELL YOU THAT WE REALLY GAVE IT OUR ALL THIS TIME 'ROUND, BUT IT'D NOT ONLY BE A LIE, BUT A SHAMEFUL ONE AT THAT. ONLY THE SHAPE

HOLDERS GAVE IT THEIR ALL (IF YOU CAN EVEN CALL IT THAT), AND QUITE FRANKLY, IT REALLY DOES NOT COME CLOSE TO ANYTHING WE'VE EVER PUT OUT BEFORE. BUT HEY, I DON'T GET PAID TO TELL THE TRUTH; I'M JUST THE EDITOR, AFTER ALL.

ALL PERSONAL FEELINGS ASIDE, I EMPLORE YOU TO KEEP AN OPEN MIND & SOUL FOR THE FORESEEABLE & 8 PAGES OF CONTENT. IT MAY NOT BE PRECISELY WHAT YOU WERE HOPING FOR, BUT AT LEAST IT'S AN AUTHENTIC ISSUE OF OMAR'S SPILL. AT THE END OF THE DAY YOU GET WHAT YOU PAY FOR.

LONG DAYS, PLEASANT NIGHTS.

A lot of the pictures included in the current and following pages of this issue were found deep in a folder full of images on a flash drive. Most have no meaning, as they were picked in an almost random sort of way. We didn't make any of those except the ones we did make, but it should be pretty easy to tell them apart so it's probably not a huge deal

WHAT? WE'LL PROBABLY GET SUED
FOR ALL THIS.

The new face of "Omar Spills It: Monthly Magerzine" REALLY?

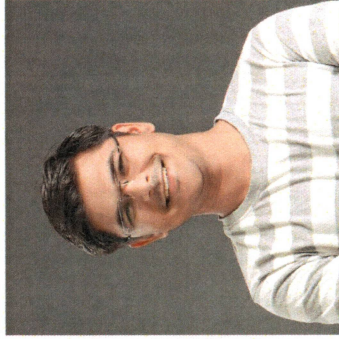

THAT'S NOT WHAT
WE'RE CALLED.

Page Three (3.)

L. Ron Leviscuos
Social Media Outreach

L. Ron comes to Omarvision with an extensive background in both Instagram and Facebook social media crossposting. She will be an incredibly valuable asset to our new brand!

Phillip "Li'lPutt" Montague
Marketing Consultant

He may look like a no-nonsense hardball player, but believe me you, nobody cracks wise like Li'lPutt! He will be an incredibly valuable asset to our new brand, and everybody loves a hot dog in the summertime!

Marlboro Josh Rollins
Director of Teambuilding

In order to properly facilitate a trustworthy work environment and boost productivity to the max, we've brought Marlboro Josh Rollins Aboard! They will be an incredibly valuable asset to our new brand!

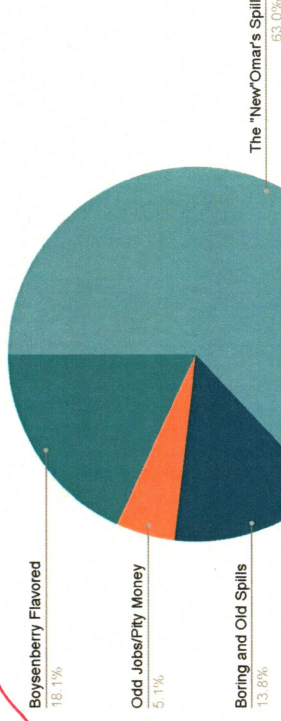

Fleur LaGronsky
Head Tailor

What is a team without style? That's where LaGronsky, our heaviest hitter comes in. Nobody does threads quite like Fleur, and you can bet your bottom dollar on it (and mine!). She will be an incredibly valuable asset to our new brand!

HOW WILL A TAILOR
BOOST SALES?

WE'RE LEAVING THE REST OF
THE CREW OUT? THEY GET PAID,
YOU KNOW.

COULDN'T FIND A BETTER
PLACE FOR THIS

RUDE!

GENUINELY DISGUSTING

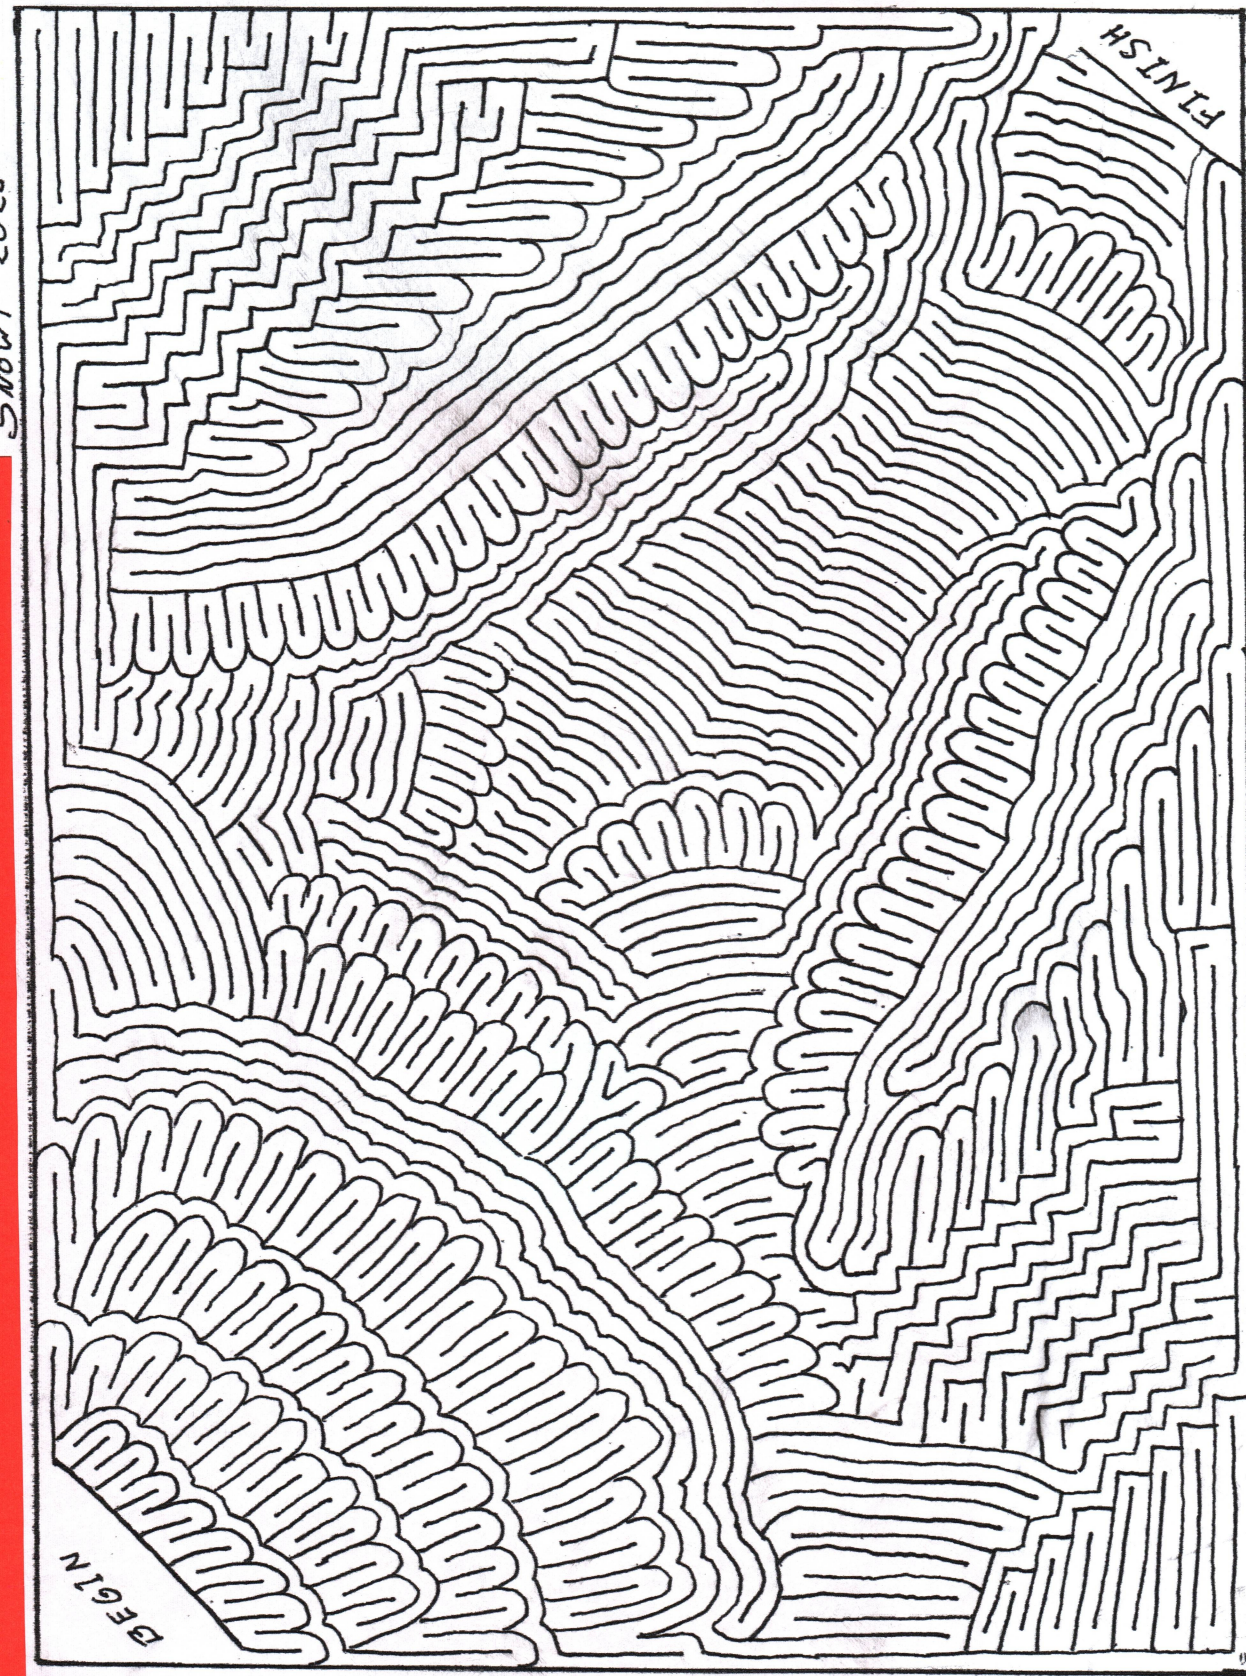

As you can see right here with your own two (or three) eyes, we've vastly improved our look! By corporatizing our brand and online image, we've (potentially) doubled our profits and opened the door to all sorts a new investors, while simultaneously doing away with the yucky stuff!

I think that setbacks are an important aspect of life. They tend to keep you on your toes, y'know? Can't catch yourself getting comfy, 'cause that's how you start growing fungus!
