

Sponsorship Package March 7th, 2026

The 49th Annual Broward County Waterway Cleanup is on March 7, 2026. First started in the 1970s by a group of friends and colleagues in the marine community, this annual cleanup tradition is now Broward's largest and longest-running environmental event. Organized by the Marine Industries Association of South Florida (MIASF), the cleanup's mission is to ensure residents, visitors, and marine life can continue to enjoy and thrive in our local waterways.

As a member of MIASF, you are among the first to be invited to sponsor this year's event. By sponsoring, your company plays a direct role in preserving and protecting our waterways while also gaining meaningful visibility. Each year, more than 1,000 volunteers gather at over 30 sites throughout Broward County to pick up trash and debris, drawing wide attention from local media, community leaders, and families and neighbors who care deeply about our marine environment.

Benefits of Sponsorship:

- **Visibility & Recognition:** Sponsors are recognized across event marketing, signage, press, and social media, showcasing your company's leadership in sustainability and community engagement.
- **Hands-On Participation:** Sponsorship also includes the opportunity for your company and employees to volunteer at a cleanup site of your choosing, putting your brand directly in front of the community you serve.
- **Community Impact:** By supporting the Broward County Waterway Cleanup, you help remove 20+ tons of debris from our local waterways each year and contribute scholarship funding for area students, making a measurable difference in our environment and inspiring the next generation of environmental stewards.

Your sponsorship is not only an investment in the event, but also an investment in cleaner waterways, a stronger community, and a healthier marine environment for all.

In this packet, you will find available sponsorship opportunities, along with the sponsorship form and agreement. If you have any questions about sponsorship, please contact Molly Ringberg at molly@miasf.org.

Thank you for being a proud member of the Marine Industries Association of South Florida and our community!
