Kylie is an aspiring Model and clothing designer from the USA. She began modeling at 6 years old for numerous Etsy shops. Now at 14 years old, Kylie is a seasoned model who is incredibly comfortable in front of the camera, due to her Mother being a Photographer. Kylie's Instagram account went public in November 2020 and has had huge success since then with a following of over 97,000 followers and growing. She has been featured in over 30 magazines, as well as winning cover model contests, has walked in fashion shows and travels the US to shoot with other Photographers. She is signed with two agencies; NYMMG and Wilhelmina. Kylie recently started her own clothing brand called BEGIN By KylieE.
