ABOUT ME

An aspiring UI/UX Developer dedicated to expanding my knowledge of information technology, creative writing, user experience and digital game design. Ultimately, I plan to combine my experience in computer graphic technology and computer science to provide the world with unique user experiences.

EXPERIENCE

Wakeup Super Studios, *Portland, OR (Remote)*   Fall 2025 - Present
UI/UX Design Intern – Game Development
Create UI/UX assets for menus, HUDs, icons, and in-game interfaces using Adobe, Figma, and other game engine tools. Collaborate with developers and artists to align with design standards, enhance player experience, and meet project deadlines.

Microsoft, *Atlanta, GA*   Summer 2025
Discovery Intern - Azure CXP – PRIMO Team
Coordinated the design and optimization of observability dashboards for AVA, a Microsoft Teams chatbot connecting Support Engineers with experts. Analyzed telemetry data to track performance trends, diagnose issues, and improve system reliability. Delivered actionable insights and design improvements using Figma, data visualization, and performance monitoring to support team efficiency.

Mimms Museum of Technology & Art, *Roswell, GA*   Summer 2024
Talented & Gifted (TAG) Intern
Researched and documented one of the world's largest computer artifact collections, producing detailed summaries that contextualized aged digital artifacts and illustrated their influence on present and emerging technologies.

Sweetwater Pools, *Tucker, GA*   Summer 2023 - 2025
Swim Atlanta Pool Management, Roswell, *GA*
Certified Lifeguard
Applied First Aid and CPR skills to provide immediate support to individuals in distress. Maximized customer satisfaction by greeting pool patrons with courtesy and resolving issues promptly. Also completed daily pool maintenance by monitoring chlorine, pH, and other water chemistry levels to ensure a safe environment.

NickTuck Media Creations, *Alpharetta, GA*   2022 - Present
Entrepreneurial Photographer & Game Designer
Creative professional skilled in capturing dynamic images and developing immersive digital experiences. Experienced in visual storytelling, UI/UX design, gameplay mechanics, and interactive media. Adept at blending artistic vision with technical expertise to deliver engaging content.
