

Come climb aboard the Journey!

Join the growing network of Host Families that will host a foreign exchange student for a semester or a full school year for the 2023-24 year.

\*Experience Christmas with 3 host families & students. The birth of a new host family member. Have them cut down and decorate a 12 ft. real tree when they have only had a 3 ft. artificial tree. Fantastic memories for the family and the student.

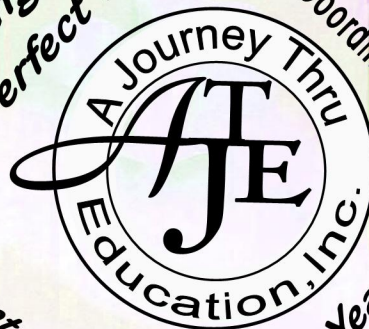

This year we have students from Spain and Italy that need a family to host them for the upcoming year of high school.

You can find out more about this exciting way to make a difference in the world we live in, by either calling us at (229)999-8763 or on our website at [www.ajourneythrueducation.org](http://www.ajourneythrueducation.org). You can download the host family flyer, a brochure that gives more information about how it works. You can download the application from the website as well. You will make a relationship that will grow your family and the student for the rest of your lives.
