

Private Provider – Inspection Report

In accordance with F.S. 553.791, private providers shall:

- Provide notice of date and approximate time of inspection, no later than prior business day by 2 p.m. by scheduling inspection on GMCD portal.
- Upload each completed inspection record, indicating pass or fail, to the GMCD Portal within 2 business days. Report must be completely filled out and signed either with a written or electronic signature.
- These inspection records shall reflect those inspections required by the applicable codes of each phase of construction for which permitting by the building department is required.
