1:1 Beginner Makeup Lesson

HEY GORGEOUS!

Are you struggling to do your own makeup?

Foundation & Concealer not sitting right on your skin?

Do you watch multiple makeup videos to copy, but still not satisfied?

If you're struggling, or have no idea how to use/do your own makeup, this is the place for you!

This is a no judgement - safe space for you to learn all my tips & tricks. This can be a hands on or hands off lesson - totally up to you!

WHAT YOU WILL LEARN:

Let's go back to the basics! It is so important to know basic skincare & skin prep before even thinking about applying your makeup!

- BASIC SKINCARE, SKIN PREP (Primers, Serums etc)
- FOUNDATION, CONCEALER, POWDER (Colour matching, Application techniques)
- CONTOUR & BLUSH
- EYEBROWS
- NATURAL EYE SHADOW LOOK (Blending techniques, Colours to suit your eye shape/colour.

- EYELINER & MASCARA
- FALSE LASHES (Only if you want!)
- LIP LINER & LIPSTICK

You will be able to use my brushes & learn what they're used for. You are also more than welcome to bring some of your brushes or makeup.

You will leave with a face chart that briefly outlines everything you've learnt, and you will be emailed a list of products we use on the day.
