A Note from the Founder

As you read this newsletter, I will be in Egypt but I wanted to let you know that there will be one more Caring Neighbors Newsletter in June. After that, all news, events and updates will be found on our new website—villagescaringneighbors.org.

It has been a pleasure creating these newsletters and I hope you have enjoyed reading them over the past year and a half.

The June Newsletter will be dedicated to all the marvelous things happening in Caring Neighbors.

Meet
Lynn Higgins
Secretary
Executive Board

Lynn was born in Brooklyn and moved to New Jersey at 17, though you'd never guess it from her lack of that Brooklyn dialect. Lynn began her career as a flight attendant with Allegheny/US Air and went on to spend most of her career as a flight attendant on private corporate jets.

She shared ten years with her partner, Paul, before the two relocated to The Villages in 2018. A short two years later, in 2020, Paul passed away due to complications from COVID. Together, they built a life enriched by Paul's two children, and today Lynn's family has grown to include five step-granddaughters as well.

She first learned about Caring Neighbors at a book club meeting and, as a widow, found herself thinking she might one day benefit from its services. After looking into the organization more closely, she decided to get involved—becoming a volunteer with the Fenney Area Group and, more recently, stepping into the role of Secretary on the Executive Board.

In her free time, Lynn enjoys quilting, reading, and golfing a few times each week—when she's not busy supporting Caring Neighbors.

A big THANK YOU to all those South End volunteers who have agreed to help with the Jukebox Bingo South End on May 11.

We still need help with the Jukebox Bingo North End to be held on June 24 from 6 to 9 pm at Colony Cottage Recreation Center.

This is an enjoyable fundraiser, but it takes quite a few volunteers to help with all the different tasks. Please email Debbie Caskey (debra.caskey@villagescaringneighbors.org) if you live in a North End Village and would like to help out. You are guaranteed to have fun at this event.
