- Excessive clutter removal or decluttering.
- Removal of large amounts of trash or debris.
- Cleaning pet waste, bodily fluids, or hazardous materials.
- Cleaning areas requiring ladders or unsafe access.

IMPORTANT SERVICE INFORMATION

Home Condition: Standard Cleaning is intended for regularly maintained homes. Homes with excessive dirt, grease, soap scum, clutter, or buildup may require Deep Cleaning.

Surface Cleaning: Standard Cleaning focuses on routine maintenance and light surface buildup. Heavy stains, discoloration, and stubborn deposits may not be removable during this

service.

Sanitization: Toilet sanitization is included when performed using an appropriate sanitizing product according to its label instructions. Other bathroom surfaces, including showers and bathtubs, are cleaned but are not sanitized or disinfected.

Accessibility: Surfaces must be reasonably accessible. Cleaners do not move heavy furniture, appliances, or excessive personal belongings.

Light Tidying: Light tidying includes straightening pillows, blankets, and a small number of visible items. It does not include organizing or decluttering.

Bed Making & Linen Changes: Beds can be made and linens can be changed upon request. Clients must provide clean replacement linens.

Additional Services: Tasks outside the Standard Cleaning checklist must be requested and approved in advance. Additional fees may apply.

Service Adjustments: If the home's condition requires cleaning beyond routine maintenance, a Deep Cleaning service or adjusted quote may be necessary. Any changes will be discussed with the client before additional work begins.
