

## **Standard Cleaning**

Our Standard Cleaning Service is designed to maintain a clean and comfortable home. This service is ideal for regularly maintained spaces and focuses on surface-level cleaning and upkeep.

What's included:

- Dusting of accessible surfaces, furniture, and décor
- Vacuuming carpets and rugs
- Sweeping and mopping hard floors
- Cleaning and sanitizing bathrooms (toilets, sinks, showers, mirrors)
- Kitchen surface cleaning (countertops, sink, stovetop, exterior appliances)
- Emptying trash and replacing liners (client-provided bags)
- Light tidying of common areas

Important:

This service does not include deep scrubbing, heavy buildup removal, or cleaning inside cabinets, appliances, or drawers. Homes with excessive clutter or buildup may require a Deep Cleaning service.
