Challenge

Our aim is to always challenge the teams at their level. No one enjoys or gets anything out of cricket scores. We constantly monitor divisions to make sure teams move up or down accordingly.

Develop

With our game time, environment and level system, we aim to provide an environment that lets players and coaches develop over the season.

Enjoy

**If it ain't fun, why bother?
We want all players, coaches and spectators to enjoy their full game time. All teams and spectators must agree to our RESPECT CAMPAIGN**

*Easily one of the most
progressive
leagues around.*

*The groups are carefully
thought
through, with the teams well
matched. Mixing Futsal in with
football is also a stroke of
genius.*

*At this age development has to
come first, and these guys have
nailed it on the head.*
