STEP 1. FIND AN ARCHITECT

With a trusted architect they will help you through the process

Still not sure how to get started, dont worry, call Pironi Homes today to speak with one of our consultants completely free! (516) 565-4408.

STEP 2. DECIDE ON A BUILDER

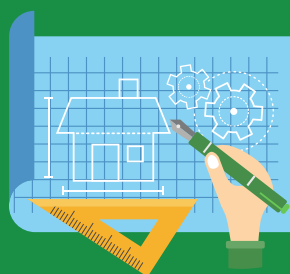

Be sure to do your research and get at least 3 bids - a good home builder will want to speak with you/architect and see the site

Pironi homes is a design build firm so if you call us we are the first two steps all in one.

STEP 3. NAIL DOWN YOUR DESIGN

This is where you want to work with the architect and builder to fine tune your design

Wait ... need design help? Pironi Homes has our own designer on staff! We also have a great interior design firm that we work with and we are always on priority.

STEP 4. LETS GET BUILDING

Here you start working with the builder exclusively, get ready for smooth sailing with the right builder.

Not sure how to track your project? You dont have to worry with Pironi Homes. With our online project management system you can track every single step of your project, get picture and message updates, even track all your financials.

TIPS:

- We at Pironi Homes are a design build firm: we take care of the architecture and building process along with all the other ins and outs.
- Be sure you have a good idea of what you want, design wise beofre reaching out to an architect

Unsure about financials and budget? We can help with that as well ... its always good to know a budget before getting into the nitty gritty, we can help you figure out how much it will all cost even before you have plans.
