The Treasure Hunt Club

Nick Hollister's luck runs only one way—bad. Things change when he discovers a mystical book and gets rich overnight.

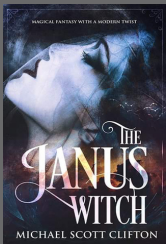

Be careful what you ask for.

The Janus Witch

Malice vs Love

A beautiful witch, a member of a murderous coven, is torn from her medieval world and transported to East Texas. The passage leaves her with no memory of her previous life. She falls in love with a young pediatrician, but her dark past threatens to reassert itself...and make her a threat to the very man she loves.

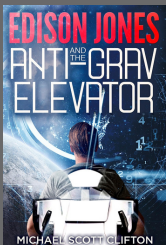

Conquest of the Veil Series

Alexandria Duvalier's new life on the magical world of Meredith is shattered by her forced betrothal to the cruel Lord Rodric. Fleeing, Alex is chased across a wild, unforgiving land. Her life is saved by Prince Tal, the hotheaded heir to the throne. But now both are hunted. They begin a passionate affair driven by the greatest magic of all—love. Now they just need to stay alive...

Edison Jones Adventure Series

Genius, Inventor, and Lonely Twelve-Year Old Boy Edison Jones is a prodigy with a passion for technology. An accident at age five left him orphaned and paralyzed from the waist down, but his disability hasn't slowed him down. Then he's thrust into the chaotic world of seventh-grade boys and girls. Algorithms and quantum physics are easy. Fitting in is not.
