

We believe that each child is a unique gift from God, and therefore worthy of love, acceptance and support. We believe that parents and families are a child's best teachers; therefore we endeavor to support and enhance the education process begun at home. We believe that every child is different, learning at his/her own pace; therefore our preschool curriculum allows for individual expression through teacher-directed activities, self-directed discovery, creative art experiences, gross and fine motor activities, music, story time and other group experiences. We believe that spiritual growth is important; therefore we will teach children about God and his son, Jesus Christ, through Bible stories, music, snack time prayers, weekly chapel time and celebrations that emphasize the Christian aspects of holidays.

Waypoint Preschool is an outreach ministry of Waypoint Church. It is our purpose to provide a Christian Preschool for children that will draw them and their families into a closer relationship with Jesus Christ and the Church. Under the guidance of qualified, Christian teachers, this school provides an educational program which considers the developmental needs of young children and emphasizes growth in all areas: physical, emotional, mental and spiritual.

We strive to maintain low class ratios and keep tuition costs affordable. Our 2s, 3s, and 4s attend music and chapel once a week while our 3s and 4s also attend Spanish.
