ADD A TANK

Continued...

4. You have now successfully added your first tank!

TANK VIEW, EXPLAINED

- 1. The Gear icon will allow you to edit tank details and settings such as Fill Alerts and adding/removing Authorized Users
- 2. Displays outside temperature at tank's location

HISTORICAL USAGE CHART, EXPLAINED

A handy chart that illustrates your usage over a 3-month period

CONTACT PAGE, EXPLAINED

1. Request a Fill button
When pressed will notify your fuel supplier you require a fill.

2. Call Customer Service button
When pressed will initiate a call to fuel supplier's customer support.

3. Email icon
When pressed will open your default mail app and allow you to send an email to fuel supplier's customer support.

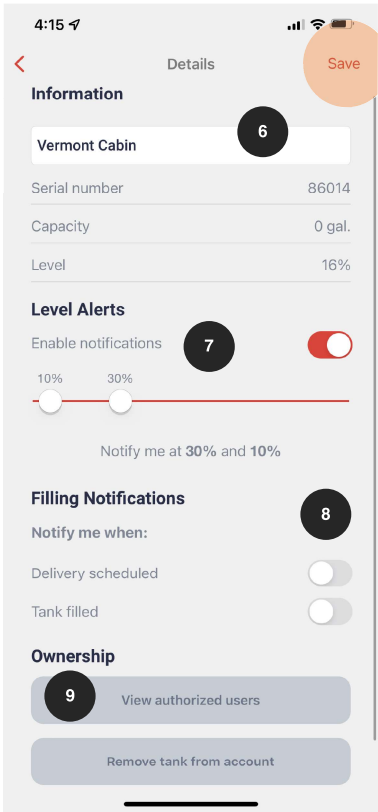

4. Website icon
When pressed will open your fuel supplier's website.

5. Facebook and Messenger icons
When pressed will lead to your fuel supplier's Business Facebook page and Facebook Messenger chat.

6. Invoice icon
When pressed will lead to your fuel supplier's payment gateway.

6

TANK DETAILS AND SETTINGS

- 6. Edit your tank's nickname
 - 7. Set your preferred usage alerts
 - 8. Activate fill notifications
Delivery scheduled
Be notified if a delivery has been scheduled by your fuel supplier.
Tank filled
Be notified when your tank has been filled.
- For steps 6, 7, and 8, be sure to click Save after editing.
9. Manage authorized users
See following page for more information.

ADD/REMOVE AUTHORIZED USERS

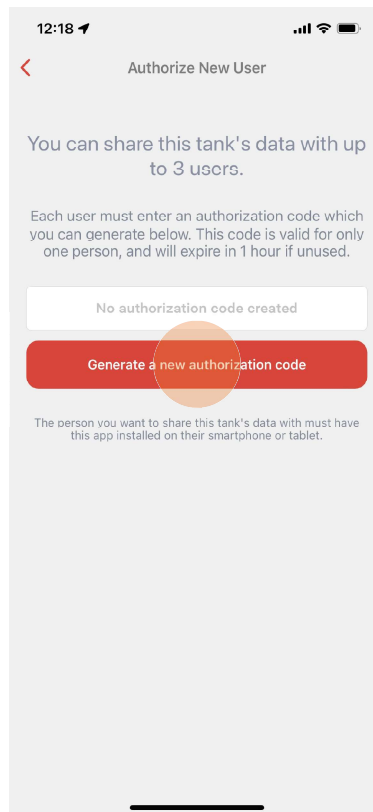

Authorized Users are people the *account owner* has chosen to share tank-level data with

They will have the ability to *offer* or *revoke* access to their tank's data from other users

Note: Authorized Users (i.e. *secondary users*) can view fill levels, set level-alerts, and request a fill (if feature is activated) via the Nee-Vo app. They *cannot* add or remove authorized users.

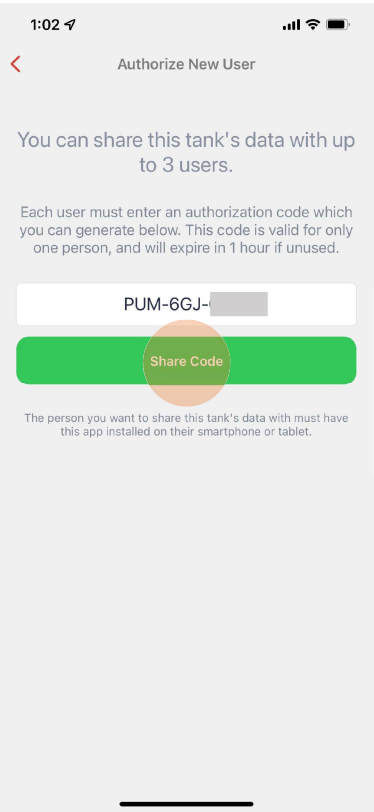

1.
To add an Authorized User, can click the Plus button in the bottom right corner of your screen

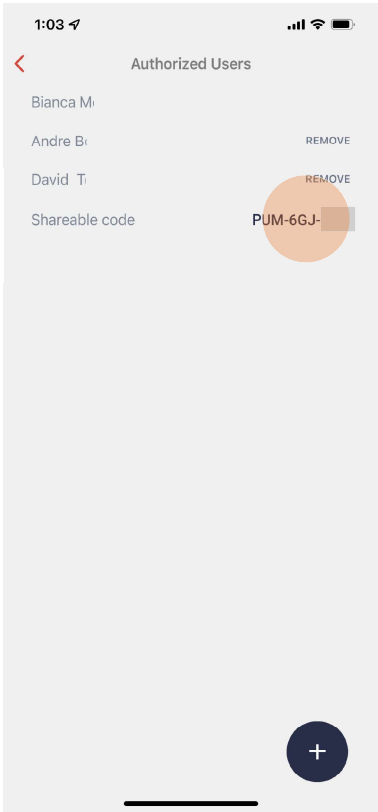

2.
Then click the Generate a new authorization code to create shareable code

ADD/REMOVE AUTHORIZED USERS

Continued...

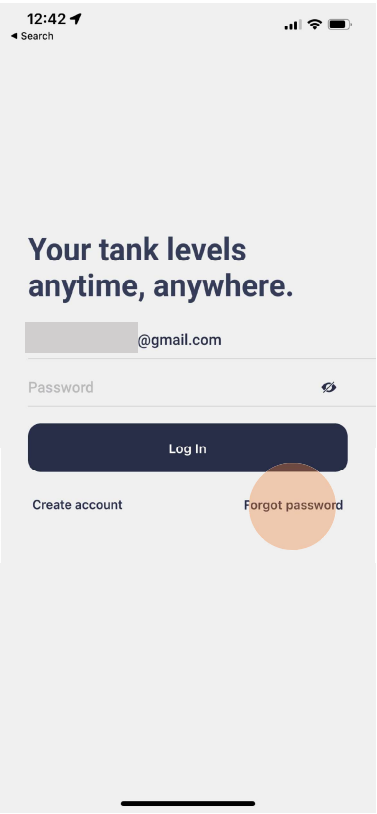

3. Once a Share Code has been generated, you can click the green button to copy/paste the code and send it to a friend

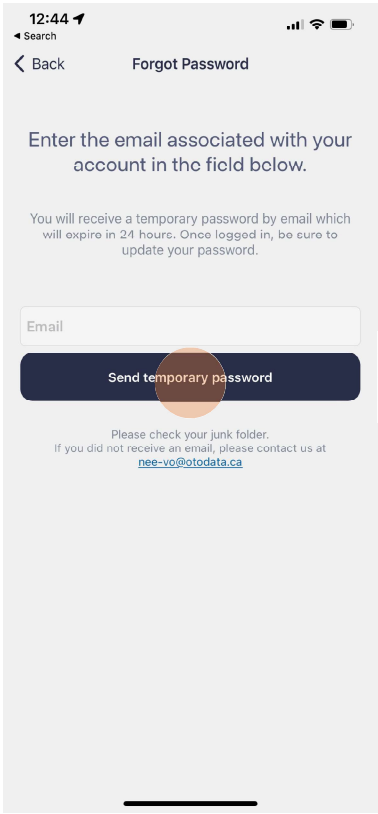

Alternately, you can return to the previous screen and copy/paste the code from here

RESET YOUR PASSWORD

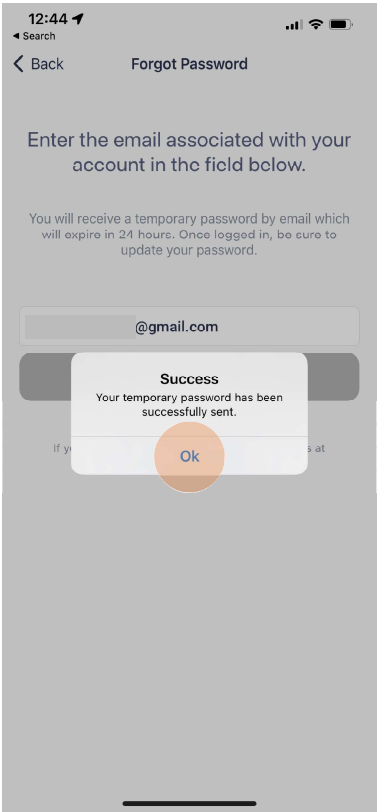

1.
On the login screen,
click Forgot Password

2.
Then input the email
address associated
with your Nee-Vo App
account and click
Send temporary
password

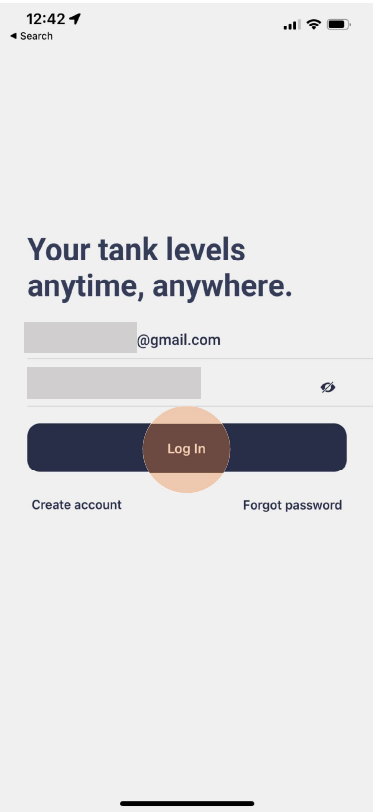

RESET YOUR PASSWORD

Continued...

3. Click OK and check your emails

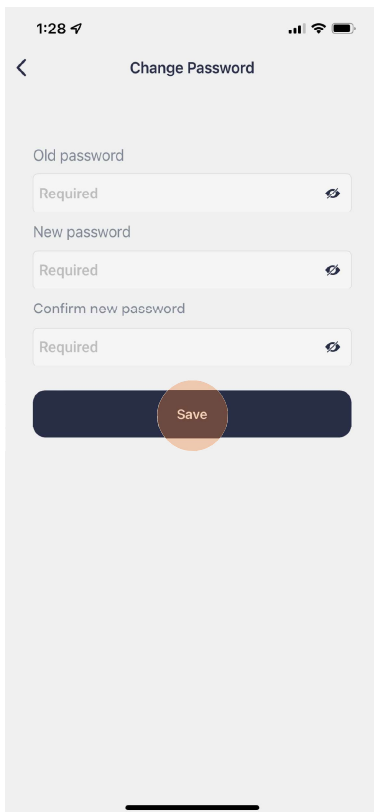

Be sure to check your Spam and Junk folders.

4. Copy/paste the temporary password from the email you received and use it to log in

RESET YOUR PASSWORD

Continued...

Upon logging in, you will be required to update your password

Because the temporary password was sent by email, it is no longer considered “secure”. So, an update is necessary.

5.
Input the *temporary password* in the Old password field

Then input the *new, secure password* in the two fields below

Finally, click Save
