PAYMENT OPTIONS

BUDGET PROGRAM

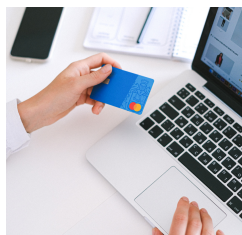

A pre-determined, set payment is made each month based on your annual propane usage; you make monthly payments rather than paying for one big bill at the time of delivery. On the 12th month you would pay off any unpaid balances, and your monthly payments will be evaluated and reset for the next 11 month period.

PAY BY INVOICE

You only pay when you receive a propane delivery and an invoice or statement is sent to you.

Payment terms are Net 30
Days from the date of
invoice.

PREPAYMENT

Before a propane delivery can be made, you must send in payment for the total of the future sale. This way you never need to worry about missing a payment or receiving a bill in the mail.

Payment Methods

Online Bill Payment, E-Transfer, Automatic Credit Card Payments, Cheque, Debit, or Cash
