## ***For Wellbeing in Schools***

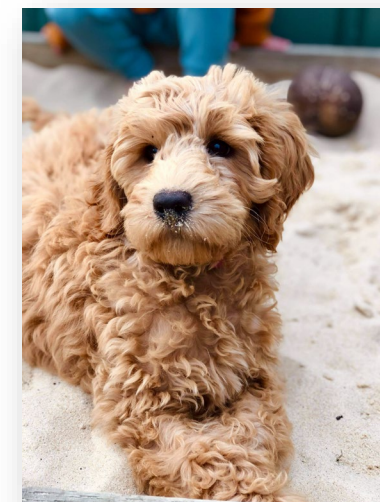

*Certified Wellbeing Dogs Supporting Students Across Australia*

# Dantapelle Australian Cobberdogs

At Dantapelle Australian Cobberdogs, we specifically breed our exceptional Australian Cobberdogs to serve as wellbeing dogs in schools, fostering emotional support, reducing stress, and enhancing learning environments.

-  **Bred with Love, Raised as Family**  
Our breeding dogs are cherished pets first, living in homes where they learn good habits—making their puppies easier to train and adapt.
-  **Purpose-Driven Breeding**  
We prioritise **temperament, health, and trainability**, DNA-test all parents, and carefully pair dogs for therapy-ready traits.
-  **Puppy Enrichment from Day One**  
Puppies are exposed to real-world experiences (sounds, surfaces, grooming, leash training) long before joining their new families.  
We work on crate, loose-leash, grooming/clipping/face/nails training and get our puppies used to cars, noise, children and other environments outside of the home.
-  **Lifelong Support**  
We partner with owners through updates, advice, and pride in our "Dantapelle family"—because every Australian Cobberdog deserves a loving, purposeful life.

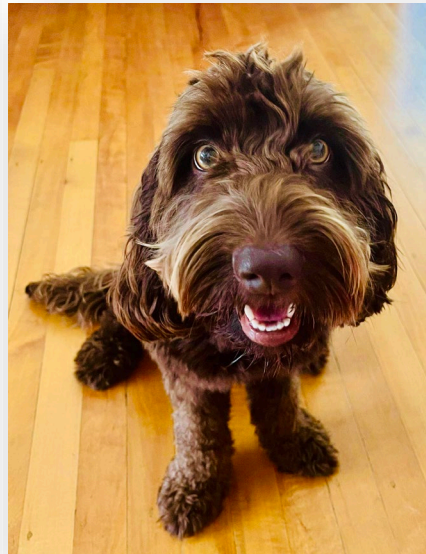

**Brisbane-based | MDBA Member (Master Dog Breeders Association of Australia) and BIN Registered.**

# Why Australian Cobberdogs?

Because of the Key traits of this wonderful breed:

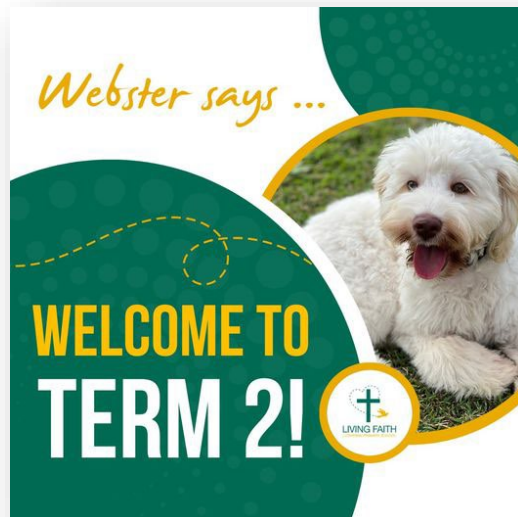

- ✓ Low-allergenic & low-shedding
- ✓ Gentle, intelligent, and highly trainable
- ✓ Extremely Human-focused and intuitive
- ✓ Perfect temperament for schools, good size and energy – medium to small standard in size
- ✓ Bred for therapy & companionship, not for hunting, or for herding, or other prey-driven activities

# The Power of Wellbeing Dogs in Schools

- ✓ Reduces anxiety & stress in students, helps combat school refusal
- ✓ Improves social engagement & emotional regulation
- ✓ Encourages a positive school environment
- ✓ Supports children with special needs, inclusivity in education
- ✓ Brings the school community together, encourages parent and student engagement

# The Power of Wellbeing Dogs in Schools

- ✓ We have dogs in schools all over the country, and locally we have “Pendles” in the Lakes College and “Webster” in Living Faith Lutheran Primary School

🐾 Our new therapy dog (in training) "Pendles" visited our Prep classroom yesterday! 🐾

Mrs Gregory prepared our Preppies by reading them a story about how some dogs are shy and anxious, just like some children. The story 'Boo Loves Books', beautifully illustrated a friendship between a shy little girl and a huge, gentle rescue dog.

Here are some of the sweet and thoughtful things our Preps said about Pendles:

- 🐾 He's just like a Preppie
- 🐾 We'll need to make sure he doesn't run away
- 🐾 Don't want to trip over him
- 🐾 We need to whisper to him
- 🐾 He might lick us
- 🐾 Don't scare him
- 🐾 He's so cute, fluffy and warm
- 🐾 Don't run
- 🐾 Don't shout
- 🐾 We have to pat him nicely
- 🐾 Can't scare him

We're so proud of our Preppies for being so considerate and gentle with Pendles and remembering to "Move Slowly, Speak Softly and Act Safely"! 🐾❤️

## Nala's News

Adventures and updates

### Keeping Cool...

It has been so hot the last few weeks. Australian Cobberdogs have a thick, furry coat which makes it feel even hotter for me.

I keep cool by playing with giant ice cubes and laying down as flat as I possibly can on the nice, cool floor. Sometimes I tip my water bowl over to cool me down too!

Barkley and I had our first hair cut at the groomer this week and I am feeling much cooler already!

❤️ BUDDY ❤️

A week in the life of our very handsome well-being doggo Buddy, as he's welcomed into the Year 1 Learning Community. Buddy has been helping Year 1 students at KGPS to explore their emotions, learn about different energy levels & discover how humans (& dogs) communicate through body language. We ❤️ Buddy!

Keysborough  
Gardens  
Primary

Hi! My name is  
**Buddy**

I am an 11-week-old Cobberdog and currently weigh around 4 kg.

I have settled in very easily to my new home with Mrs Matlock. I am a very friendly puppy, I'm pretty relaxed in general but really enjoy being cheeky. I love chewing on leaves, playing fetch and eating treats! I also like to take socks and run around with them!

I have just started to learn a few basic things like how to sit and lay down. It will take lots of practice though I think.

I am looking forward to starting work at Keysborough Gardens Primary School in a few weeks time, and learning the things I need to enable me to become a wellbeing dog.

**I can't wait to meet everyone!**

Seaview High School's post

ABOUT ME

Woof Woof!

I'm Teddi, an Australian Cobberdog. I came into this world on 12/11/23 wagging my tail with excitement.

My fur is a lovely shade of dark caramel, just like a tasty treat!

Woof Woof, nice to meet you!

WHAT'S NEXT FOR ME?

Once I've learnt the art of relaxation while at school, I will be learning how to meet new people.

I need to take things very slowly, being very careful how I walk, sit, play and greet people.

MY JOB AT SEAVIEW

**MEMBER OF STAFF**

I take my role as a valued member of the Wellbeing Team seriously, and serve with a mission – to contribute to the overall wellbeing of everyone.

**SURROUNDINGS MATTER**

A calm environment is crucial. I thrive when my surroundings are peaceful and safe, just like the humans I work alongside.

**EQUAL RESPECT**

I may walk on four legs, but I share the desire for respect, understanding, and a sense of security.

The Lakes College

July 5, 2024 · 🌐

🐾📅👍 Only a few more days of holidays left! We hope everyone has had a wonderful break and we look forward to welcoming you back on Tuesday 9 July for the first day of Term 3.

✓ Charge Laptops

✓ Schedule those haircuts

✓ Check uniforms (especially skirt lengths)

✓ Start meal planning for school lunches

✓ Get school bags ready and shoes polished

✓ Start earlier mornings and earlier bedtimes

✓ Enjoy your last few days of holidays!

Eastern Fleurieu R-12 School

May 20 at 12:00 PM · 🌐

Eastern Fleurieu R-12 School is on the lookout for motivated, team-oriented SSOs to join our Inclusion and Wellbeing teams at both our R-6 and 7-12 campuses.

You'll be part of a passionate group supporting students to thrive — and you might even get the occasional hello from Nala, Barkley or Errol, our much loved wellbeing dogs, who are always happy to share a tail wag and a smile! 🐾

If you or someone you know would be a great fit for our school community, we'd love you to consider applying!

Applications close 27/05/25.

<https://jobs.education.sa.gov.au/page.php?pageID=160...> ✓

**Barkely and Nala's Graduation**

**Guys check this out!**

After 4 weeks of learning, we graduated Puppy School! During class time we found that learning can be really tricky sometimes, but we kept practicing our commands and now we can do so many new things!

Trudy has proven herself as amazing. She had two training shifts at the local shops. The trainer who has her own PTSD dog said Trudy was great and did better than dogs she's seen have over 6 months constant training. Thank you Dantapelle.

27 April 2022 · 🌐

We can't thank John & Jaimee enough for choosing us to be the fur parents of Bailey. He is the most beautiful & inquisitive boy with the sweetest, goofiest nature. We did a lot of research about the Cobberdog breed before we applied for one of Bella's beautiful babies. The whole process from initial application to the day Bailey finally arrived was a breeze. John & Jaimee kept us fully updated on Bailey's progress, answering our questions, offering advice & organising his transportation from Brisbane to Melbourne. We get so many comments, compliments & questions about Bailey. Honestly, if I had a dollar for every time someone asked what a Cobberdog was I'd almost have enough for another puppy ... if only my husband would say yes!!
