

Dementia Advocacy Canada and Ontario Dementia Advisory Group are pleased to invite you to attend our upcoming webinar:

Dementia & Medical Assistance in Dying (MAID)

Hosted by Mary Beth Wighton & Faye Forbes

Please join us for a discussion with Dr. Ron Posno about the complexities of policy and MAID legislation. Is MAID unsuitable for people with dementia? Ron believes that MAID may not be for everyone, but everyone should have the choice.

There will be time for questions and discussion.

Tuesday, June 11 2019

3:30 - 5:00 pm EST (3:30 pm AST, 2:30 pm CST, 1:30 pm MST, 12:30 pm PST)

Guest speaker: Dr. Ron Posno, B.A. (Hon), M.Ed., Ed.D.

Test pilot, school superintendent, skier, scuba diver, wanderer - take your pick. Ron has done them all. He's most proud of teaching children with special needs and winning a national award for curriculum innovation. Passionate, provocative and profound, he has lectured and taught in universities and colleges across Canada and the United States. And as a motivational speaker for professional and business associations, he promoted change: how to create it; how to manage it; how to profit from it. Now his attention is focused upon caregivers, dementia friendly communities, and MAID. For more information visit www.posno.ca.
