**CENTRE FOR AGING
+ BRAIN HEALTH
INNOVATION**
Powered by Baycrest

What you need to know about the Centre for Aging + Brain Health Innovation (CABHI)

Hosted by Mary Beth Wighton & Ron Beleno

Tuesday, May 28 2019

3:30 - 5:00 pm EST (3:30 pm AST, 2:30 pm CST, 1:30 pm MST, 12:30 pm PST)

The Centre for Aging + Brain Health Innovation (CABHI) is a solution accelerator for the design, development, testing, and validation of technology and/or practice-related innovations that will allow older adults to age safely in the setting of their choice while maintaining their cognitive, emotional, and physical well-being, as well as to create a stronger culture of innovation in the aging and brain health sector.

Guest speakers: Bianca Stern & Stacey Guy

Bianca Stern, BSc.OT, MSc

Bianca is the Executive Director of Health Innovation. Her career spans over 35 years in healthcare. Bianca is a thought leader in the area of innovation, creatively intersecting the art and science of healthcare with innovation, technology, and industry.

Stacey Guy, PhD(C), MSocSc

Stacey is an Implementation Specialist. She is passionate about improving healthcare by bridging the gap between research and the care people receive.
