

Pastor's Message

The historic Chubb Chapel United Methodist Church is a unique rural Methodist church established by eight Chubb brothers and their sisters, who were free-born Blacks. The Chubb family settled in a rural, picturesque area, about 80 miles northwest of Atlanta and five miles southeast of Cave Spring, Ga. before the Civil War and created a farming community called Chubbtown. In 1870, after the Civil War, the Chubb Family and neighbors built the church. It is currently the only remaining building from the original Chubbtown that is not residential. The church is on the National Register of Historical Places.

Today, members of the Chubb family and others continue to worship God and witness to the incredible love God has for each of us. The Chubb Chapel Church family, as faithful followers of Jesus Christ, seeks to be a church that reflects Christ's light in our homes, our workplaces, and our community. We aspire to be known not just for our words, but for our love, our service, and our unwavering faith. We seek to stay rooted in prayer, steadfast in Scripture, and open to the leading of the Holy Spirit. We strive to lift one another up, bear each other's burdens, and celebrate the victories God brings into our lives. We invite you to come and worship with us on the 2nd and 4th Sundays of each month. We would love for you to find a church home at Chubb Chapel United Methodist Church. Together, we are building something eternal.

With love and blessings,

Rev. Lester Graves
