

Northern Lower Peninsula - Carter Kits are available!

NMRE - Northern Michigan Regional Entity - <https://www.nmre.org/>

The NMRE entity is one of ten Prepaid Inpatient Health Plans (PIHPs) in the state of Michigan to manage the behavioral health (mental health, intellectual disability and substance use disorder) services for people enrolled in Medicaid.

The NMRE is the PIHP for **21 counties in northern Lower Michigan**. This means the NMRE manages the Medicaid funding for the behavioral health services in the region. The NMRE is jointly owned by five Member Community Mental Health Services Programs (CMHSPs) which provide mental health services and support to individuals with a mental health diagnosis or an intellectual disability. The NMRE also manages and coordinates prevention, treatment, and recovery support services for individuals with a substance use disorder.

Mission

“Develop and implement sustainable, managed care structures to efficiently support, enhance, and deliver publicly-funded behavioral health and substance use disorder services.”

Vision:

“A healthier regional community living and working together”

If your agency or department is within one of these 21 counties, there are likely Carter Kits available to you, **for free**. Please see the list of contacts below to find the CMH contact for your county to get in touch and set up delivery/pick-up of your kits!

Contact information by CMH region: Please connect with your County’s primary CMH Point of Contact to determine if there is a free Carter Kit available to you at this time, as well as plan training and delivery or pickup of the kits.
