The Only World In The Universe

Universal Science Is Ignorant!

So, you think there might be others of us out there?

I think not!

That doesn't necessarily make us the "center of the universe" as some maintain because we are just a small speck in a massive galaxy of which is, by universal science, estimated to contain 100 to 200 billion galaxies.

That alone is a massive guess. 100 to 200 billion. That's no where near an acceptable guess because of the vastness of the spread.

Perhaps if someone said 190 to 200 billion or 195 to 200 billion, at least the spread

would make more sense than 100 to 200 billion.

It gets even better.

In our galaxy, the milky way, it is estimated there are anywhere from 100 billion to 300 billion stars. That too is no where near an acceptable guess because of the vastness of the spread.

Perhaps if someone said 290 to 300 billion or 295 to 300 billion, at least the spread would make more sense than 100 to 300 billion.

Now, get this figure.

Universal science estimates that throughout the entire universe there are about 70 billion, trillion stars of which our sun is just one of them.

Ah, then there are the planets that surround these stars and just in our galaxy there are an estimated 2 to 3 trillion planets.

Not all galaxies are the same size obviously, 2 to 3 trillion planets in 100 to 200 billion galaxies is a formula so huge I need not attempt to guess at it and then there's the moons, astroids and com-

ets that are either stable or floating around these galaxies tying it all together in a science that is without doubt, total guesswork, and ignorant conclusions.

I classify this science as ignorant because our Heavenly Father knows everything about it, right down to actually naming these 70 billion, trillion stars as He created them.

His Word Look up into the heavens. Who created all the stars? He brings them out like an army, one after another, calling each by its name. **Isaiah 40:26**

Whoa!

What a humbling honor to have even the slightest knowledge about our Heavenly Father's creative capabilities, let alone a relationship with a Father with such a personal interest in us that as we submit, He will guide our lives.

We should live our lives on our knees in honor and thanks minute by minute for His caring love for us.

And, here's the kicker, we are it!

Why the name **Yahweh**?

It was the name He gave to Moses to use with Jews to confirm Moses represented "His Words For Life".

Say this to the people of Israel: **Yahweh**, the Heavenly Father of your ancestors — the Heavenly Father of Abraham, the Heavenly Father of Isaac, and the Heavenly Father of Jacob — has sent me to you. **This is my eternal name**, my name to remember for all generations.

Exodus 3:15

Why the title **Heavenly Father**?

"God" is used by far too many religions to try and represent who He really is, our Heavenly Father!

If **I am your father and master**, where are the honor and respect I deserve?

Malachi 1:6

Universal Science Is Ignorant!

On this planet, and this planet alone, we are His human creation, there is no other. This planet houses His animal creation, there is no other. This planet houses His vegetable kingdom, there is no other. This planet houses His mineral kingdom, there is no other.

Why do I know that?

Because He told us so, "in the beginning." In the beginning He created and as He created those steps of creation ended up to be life on this planet with no other reference to any other of the estimated 2 to 3 trillion planets of His creation housing anything that was created of and on this planet.

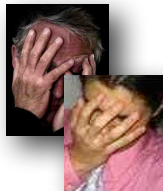

Raised Up!

Many of those whose bodies lie dead and buried will rise up, some to **everlasting life** and some to **shame and everlasting disgrace**. **Daniel 12:2**

Everlasting Life - His servants who are proven righteous beings (*believe, serve and obey*). Live in Israel and worship Him at Mt. Zion forever.

Everlasting Shame and Disgrace - Those who are proven to be unrighteous beings (*do not believe, do not serve and do not obey*). In other nations outside Israel forever.

Everlasting Pit - Those who are proven to be **evildoers and liars** will never see the light of day.

We are according to His word, (*in which I completely believe*), the only world in the universe with life.

He stretched out the heavens and He made our planet for us to live on.

His Word Yahweh made the earth by his power, and he preserves it by his wisdom. With his own understanding he stretched out the heavens. I am the one who **made the earth** and **created people to live on it**. With my hands I stretched out the heavens. All the stars are at my command. **Jeremiah 51:15 Isaiah 45:12**

Nowhere from Genesis to Malachi does our Heavenly Father refer to another world or earths like ours elsewhere in the universe as some in their ignorant minds suggest. There's only one earth and we're living on it, and, we will forever.

His Word The **earth is Yahweh's**, and everything in it. **The world and all its people belong to him**. **Psalms 24:1**

He doesn't say the earth's are His or the world's belong to Him.

His references are always singular (*earth, world*), leaving no doubt there is only one.

And, most reassuring is the fact that He Himself will travel in the miraculous way only He can do it (*and His angels*), and bring His people from around the world to Jerusalem and set His temple up on Mt. Zion.

His Word On that day **I will gather you together and bring you home** again. I will give you a good name, a name of distinction, among all the nations of the earth, as I restore your fortunes before their very eyes. I, Yahweh, have spoken!" "Someday, O Israel, **I will gather you; I will gather the remnant** who are left. I will bring you together again like sheep in a pen, like a flock in its pasture. Yes, your land will again be filled with noisy crowds! I, the Sovereign Yahweh, will **gather you back from the nations** where you have been scattered, and I will give you the land of Israel once again. Listen to this message from Yahweh, you nations of the world; proclaim it in distant coastlands: Yahweh, who scattered his people, **will gather them** and watch over them as a shepherd does his flock. **He will gather the scattered people of Judah** from the ends of the earth. Even though you are banished to the ends of the earth, **Yahweh your Heavenly Father will gather you from there and bring you back again**. **Zephaniah 3:20 Micah 2:12 Ezekiel 11:17 Jeremiah 31:10 Isaiah 11:12 Deuteronomy 30:4**

His Word "And now Yahweh says: **I am returning to Mount Zion, and I will live in Jerusalem**. Then Jerusalem will be called the

Faithful City; the mountain of Yahweh of Heaven's Armies will be called the Holy Mountain. For Yahweh's **teaching will go**

out from

Zion; his word will go out from Jerusalem.

Those who have been rescued will go up to Mount Zion in Jerusa-

lem to rule over the mountains of Edom. And Yahweh himself will be king!" Then you will know that I, Yahweh your Heavenly Father, **live in Zion, my holy mountain**. Jerusalem will be holy forever, and foreign armies will never conquer her again. **Zechariah 8:3 Micah 4:2 Obadiah 1:21 Joel 3:17**

Yahweh makes reference to His creation far too often in a single-world fashion than to make an assumption He has set up societies on other planets in the universe.

While that may be hard to believe, so too was the parting of the Red Sea and dried land led by Moses for his rescued nation to escape the onslaught of the Egyptian army, or the parting of the Jordan River as the obedient generation led by Joshua of the rescued

nation crossed it on dry land to the area of the world He promised Abraham.

Or, think about the fact that even the very nation He rescued from Egypt lived 40 years and died in the desert never having to worry about food or water, nor did their clothes ever wear out.

His Word For forty years I led you through the wilderness, yet **your clothes and sandals did not wear out**. **Deuteronomy 29:5**

Nowhere in His word does He ever make reference to

another world or another earth. He made this earth for us to live on, and that is a forever promise even though we have to die to get there. But, hallelujah He has already devised the way out of death to reach Him for eternity.

His Word **All of us must die eventually**. Our lives are like water spilled out on the ground, which cannot be gathered up again. But **Heavenly Father does not just sweep life away; instead, he devises ways to bring us back** when we have been separated from him. **2 Samuel 14:14**

But, pay heed. There's a way that must be followed to achieve the goal of everlasting life on the only world in the universe, and it isn't being born again, it isn't belonging to some religion, it isn't being baptized it has to do with righteousness.

Just like those parted seas and rivers, He will part the curtain of death and revive us through repentance and right-

Acknowledgment Of Yahweh

(Honoring and recognizing our Creator – Psalm 148)

Praise Yahweh!

Praise Yahweh from the heavens! Praise him from the skies! Praise him, all his angels! Praise him, all the armies of heaven! Praise him, sun and moon! Praise him, all you twinkling stars! Praise him, skies above! Praise him, vapors high above the clouds! Let every created thing give praise to Yahweh, for he issued his command, and they came into

being. He set them in place forever and ever. His decree will never be revoked.

Praise Yahweh from the earth, you creatures of the ocean depths, fire and hail, snow and clouds, wind and weather that obey him, mountains and all hills, fruit trees and all cedars, wild animals and all livestock, small scurrying animals and birds, kings of the earth and all people, rulers and judges

of the earth, young men and young women, old men and children.

Let them all praise the name of Yahweh. For his name is very great; his glory towers over the earth and heaven! He has made his people strong, honoring his faithful ones — the people of Israel who are close to him.

Praise Yahweh!

eousness, and that's an independent and individual choice by each and every one of us who have ever lived on this earth.

His Word Zion will be restored by justice; **those who repent will be revived by righteousness.** **Isaiah 1:27**

So, just think about all of the money that just the United States of America has spent on its space program probing

what small amount of space it has to test others planets for the capability to live on their surfaces.

Since 1958 the United States has spent \$4.4 trillion on their space travel program.

\$4.4 trillion dollars messing around in our Father's creation which has nothing to do with everlasting life for an individual.

That is the ignorance of universal science. It serves absolutely no purpose in the plans of our Heavenly Father.

His plan (*since the disobedience in the garden*) is that we live a little, die and wait for the time He eventually has had enough of all of this nonsense and raises us from *in* this earth *in* death and on to this earth *in* life, forever.

We don't go anywhere, ever and for all of those who

get taught the lie that we die and "go to heaven", sorry, that just does not hap-pen. And for this mythical city in the sky to

collect holier-than-thou people, it doesn't exist, it doesn't happen.

Our bodies go back to dust in the only world in the universe. We rest in this only world in the universe and then one day we get raised to the surface of this only world in the universe and we spend the rest of eternity in Israel right here on this only world in the universe.

That's His word, not mine but for anyone to tell you science doesn't agree, they are ignorant of the true word of Yahweh. They are blind leading blind and they can't possibly really believe for an instant

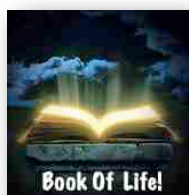

Then those who **feared** Yahweh spoke with each other, and Yahweh listened to what they said. In his presence, a scroll of remembrance was written to **record the names** of those who **feared him** and always **thought about the honor of his name.**

"They will be my people," says Yahweh of Heaven's Armies. "On the day when I act in judgment, **they will be my own special treasure.** I will spare them as a father spares an obedient child. Then **you will again see the difference** between the **righteous** and the **wicked**, between those who **serve** Heavenly Father and those who **do not.**"

JUDGEMENT!
Fear Heavenly Father and **obey** his commands, **for this is the duty of every person.** **Heavenly Father will judge us** for everything we do, including every secret thing, whether good or bad.
Ecclesiastes 12:13,14

IS YOUR NAME WRITTEN IN THE BOOK OF LIFE?

Millions of angels ministered to him; many millions stood to attend him. Then the court began its session, and the **books were opened.** **Daniel 7:10** Then there will be a time of anguish greater than any since nations first came into existence. But at that time every one of your people whose name is **written in the book will be rescued.** **Daniel 12:1** **We will not add anything to this truth. Your name in the book saves your life!**

Universal Science Is Ignorant!

that the small probing activity we do inside of our own galaxy is going to prove anything different.

It's an ignorant waste of money and it has no bearing on the true word of our Heavenly Father.

Their space TV programs are mythical nonsense and guesses and their movies are beyond reach of sanity, and one day that will be proven as the Creator Himself lives among us.

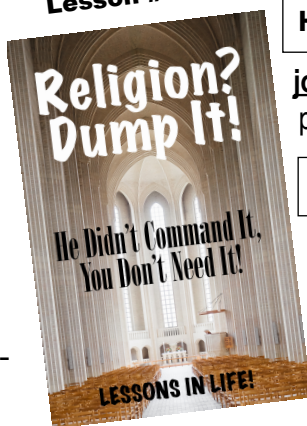

His Word This is the place of my throne and the place where I will rest my feet. I will live here forever among the people of Israel. They and their kings will not defile my holy name any longer by their adulterous worship of other gods or by honoring the relics of their kings who have died. **Ezekiel 43:7**

You see how simple His word is here that denounces religion and government?

Adulterous worship of other gods (*religions*), and honoring relics of kings (*governments*). Nei-

ther will defy His name any longer once He sets Himself up in His temple on Mt. Zion, and hallelu-jah, we will not only live in the land, we'll worship Him at His temple forever.

"Religion? Dump It!"
Lesson #458

That's right!

Right here on the only world in the universe. Not Mars, not Pluto, not Saturn, not star number XX3 or whatever, no, right here on this earth that He built for our benefit and for us to live on.

All the kingdoms of creation will be at our beckoning call. The lamb will feed together with the lion and we will spend joyful lives like little children with eternal sustenance from the vines and trees of life He has promised us.

His Word The wolf and the lamb will feed together. The lion will eat hay like a cow. But the snakes will eat dust. In those days no one will be hurt or destroyed on my holy mountain. I, Yahweh, have spoken!" **Isaiah 65:25**

His Word You will go free, leaping with joy like calves let out to pasture. **Malachi 4:2**

His Word Everyone will live in peace and prosperity, enjoying their own grapevines and fig trees, for there will be nothing to fear. Yahweh of Heaven's Armies has made this

promise! **Micah 4:4**

All of it on this planet only!

His Word For Yahweh is Heavenly Father, and he created the heavens and earth and put everything in place. He made the world to be lived in, not to be a

place of empty chaos. "I am Yahweh," he says, "and there is no other." **Isaiah 45:18**

Our concentration should be focused on where we live, and where His believers will eventually live (*the promise to Abraham*) and not some far away world that He didn't make for us to live on.

Common sense!

Had there been another location in the universe for us to occupy, He would have told us so. He's always up front with those who listen.

His heaven is He and His angels' residence, not ours. This planet is ours to live on forever.

Here's the deal.

First, one must believe that He is. That He exists along with millions and millions of angels in heaven and without trying to second guess Him, heaven is an existence that begins where the surface of our planet ends.

His Word So the creation of the heavens and the earth and everything in them was completed. **Genesis 2:1**

In 2009, a Pew research study showed that scientists are ten times as likely as the general population to *disbelieve* in God or even a "higher power." Arguing with science is futile.

Put a check on your heart as you believe He and not they.
