Heavenly Father - The Title Of The Creator Of The Universe!

Yahweh - The Eternal Name Of The Creator Of The Universe!

He Is!

So – We Are!

So, you ask, what is this information titled "Lessons In Life" all about and just who is this guy who is trying to invade my space with information that disputes religion and focuses on an event that happened about 3300 years ago atop Mt. Sinai on the Arabian Peninsula (*the location where our Creator of the universe met man on His earth at a national level*)?

"Lessons In Life" is the result of a quarter of a century of development by the influ-

Why the name **Yahweh**?

It was the name He gave to Moses to use with the Jews to confirm Moses represented His Words For Life.

Say this to the people of Israel: **Yahweh**, the Heavenly Father of your ancestors — the Heavenly Father of Abraham, the Heavenly Father of Isaac, and the Heavenly Father of Jacob — has sent me to you. **This is my eternal name**, my name to remember for all generations.
Exodus 3:15

Why the title **Heavenly Father**?

The term "god" is used by far too many religions to try and represent who He really is, our Heavenly Father!

If **I am your father and master**, where are the honor and respect I deserve?
Malachi 1:6

ence of the Heavenly Father, the writings of His chosen prophets and messengers and the resulting written words of His profile (*Genesis to Malachi of the current Bible*). And what He not only expects, but commands we follow to obtain everlasting life with Him, a continuation of our first 70 years or so of initial life.

I'm here to bring you to His path of salvation which is righteousness and *not* religion by providing His instructions to you in a weekly lesson format based on His word, His messengers, logic, common sense, most of all, His influence and stand ready to point you to His answers along the way.

This document is the format of each lesson and you will find that I anchor answer comments and commentaries with either His direct words or words from his prophets and messengers He used to create His "Book Of Instruction."

The references will include a bolder type face on information I feel important for you

from every lesson, and a red bold face type I consider He would want me to drive home as *highly important* for you to absorb.

Hundreds of lessons are already edited and ready to be published weekly and feedback from you will generate even more.

Please read on for important "Lessons In Life" that we all need for its continuation on the eternal side of it.

Life is so short when one views it in comparison to the age of the universe.

We're here about 70-odd years depending on the conditions one has been raised. (*There are still 40-year life spans in the world, and then there are certain areas that boast of 100-year-olds*).

However, it doesn't really matter!

Because there *is* a Creator, we exist. "He Is! So – We Are!" Anything else leaves us to be nothing more than accidents, and many *do* live in that mentality.

So – We Are!

We're here awhile, and then we're gone! It's that simple and that quick. We came from dust, and we're going back to dust. We are not going to His heaven.

You turn people **back to dust**, saying, "**Return to dust**, you mortals!"

Psalm 90:3

While alive, we all breath the same air and we all eat and digest from the same food and water sources, which holds true for every man, woman and child on the earth, good or evil (*unless some*

physical or mental disability impedes it).

Then, without warning, (*most of the time*) we gasp our last breath and in 5 minutes without oxygen our brains begin to die, and in 9 minutes for the most part, we are gone with no hope of recovery.

They bury us, cremate us, or perhaps we've drowned at sea or been blown apart in a war, but, in 10 minutes or so, 70-odd years of *this* life are over and there's no turning back.

For me, being an accident doesn't make a bit of sense, nor does only 70 years of existence.

How in the world could something like life "*accidentally*" happen? Such a perfect design. Perfectly created matter from the smallest of living organisms to the expanse of the universe, and why only 70 years or so?

And, how can so many bil-

lions and billions of human beings who *have* lived and *are* living on earth, be so different, (*not a fingerprint the same*), reside together on the same planet, come from all different walks of life and languages without a reason to go through it?

Darwinism be damned as far as I am concerned. I do not believe we evolved from anything.

Adam and Eve were never sperm and egg, they were *created* fully grown human beings with mature reasoning and choice according to what is available in the old testament writings, and at this point, I emphasize I believe in the writings of the *old testament only*, but *not* the writings of the new testament of mythical writings or other man-made theories.

Granted the new testament uses the old testament as a basis, but, new testament writings do not depict the profile of the Mt. Sinai Heavenly Father in whom I've come to know and love.

Some might disagree, but like His prophets and messengers of yesteryear

I stand firm because our Heavenly Father has stated emphatically, *He never changes*, and the new testament changes Him continuously, and points itself at a "man-god" which I consider idolatry.

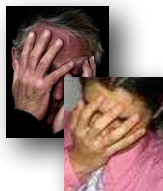

Raised Up!

Many of those whose bodies lie dead and buried will rise up, some to **everlasting life** and some to **shame and everlasting disgrace**. **Daniel 12:2**

Everlasting Life - His servants who are proven righteous beings (*believe, serve and obey*). Live in Israel and worship Him at Mt. Zion forever.

Everlasting Shame and Disgrace - Those who are proven to be unrighteous beings (*do not believe, do not serve and do not obey*). In other nations outside Israel forever.

Everlasting Pit - Those who are proven to be **evildoers and liars** will never see the light of day.

So – We Are!

The writings of the new testament make reference to a man as the focal point of worship, and *our* Father, as jealous as He is, makes no bones about it – He *hates* it!

I believe those writings were done to satisfy the *whim of man*, and certainly *not the will* of our Heavenly Father, Yahweh.

So, without further adieu let me introduce myself and "Lessons In Life" as a born and raised human being, like the rest of the 7.8 billion people currently residing on earth, contaminated by a messed up world, many of whom do not believe in a Creator who today, *cares*

enough to keep trying, is *patient* enough to put up with our maturing errors, but *jealous* enough to make it perfectly clear, *He will not tolerate intentional disobedience* to His commandments, decrees and instructions He has laid down for us to live by in these 70-odd-years of initial life.

Let me repeat that, He *will not tolerate intentional disobedience* any more than our own fathers and mothers do (*or did*), and it's at this point a huge, huge part of the world just turns away from Him, just like His selected nation did at Mt. Sinai.

The world, in general, doesn't believe in serving Him by obeying Him, and have created so many religions (*4300 of them and thousands of NRMs - New Religious Movements*) to lead them in "their" ways instead of His, it's sickening.

I meet and listen to people who have created their own "god" in their own minds that doesn't even fit in to the beliefs of the major religions of the world, but none-the-less, that's their "god".

Because of *my* beliefs, I am targeted as radical, making up my own "god" or interpreting the old testament writ-

Acknowledgment Of Yahweh

(Honoring and recognizing our Creator – Proverbs 1)

These are the proverbs of Solomon, David's son, king of Israel.

Their purpose is to teach people wisdom and discipline, to help them understand the insights of the wise. Their purpose is to teach people to live disciplined and successful lives, to help them do what is right, just, and fair. These proverbs will give insight to the simple, knowledge and discernment to the young. Let the wise listen to these proverbs and become even wiser. Let those with understanding receive guidance by exploring the meaning in these proverbs and parables, the words of the wise and their riddles.

Fear of Yahweh is the **foundation of true knowledge**, but fools despise wisdom and discipline.

My child, listen when your father corrects you. Don't neglect your mother's instruction. What you learn from them will crown you with grace and be a chain of honor around your neck. My child, if sinners entice you, turn your back on them! They may say, "Come and join us. Let's

hide and kill someone! Just for fun, let's ambush the innocent! Let's swallow them alive, like the grave; let's swallow them whole, like those who go down to the pit of death. Think of the great things we'll get! We'll fill our houses with all the stuff we take. Come, throw in your lot with us; we'll all share the loot."

My child, **don't go along with them! Stay far away from their paths.** They rush to commit evil deeds. They hurry to commit murder. If a bird sees a trap being set, it knows to stay away. But these people set an ambush for themselves; they are trying to get themselves killed. Such is the fate of all who are greedy for money; it robs them of life.

Wisdom shouts in the streets. She cries out in the public square. She calls to the crowds along the main street, to those gathered in front of the city gate: "How long, you simpletons, will you insist on being simpleminded? How long will you mockers relish your mocking? How long will you fools hate knowledge? Come and

listen to my counsel. I'll share my heart with you and make you wise.

"I called you so often, but **you wouldn't come. I reached out** to you, but **you paid no attention. You ignored my advice** and **rejected the correction** I offered. So I will laugh when you are in trouble! I will mock you when disaster overtakes you — when calamity overtakes you like a storm, when disaster engulfs you like a cyclone, and anguish and distress overwhelm you. "When they cry for help, **I will not answer.**

Though they anxiously search for me, they will not find me. For they hated knowledge and **chose not to fear Yahweh.** They rejected my advice and paid no attention when I corrected them. Therefore, they must eat the bitter fruit of living their own way, choking on their own schemes. For simpletons turn away from me — **to death.** Fools are destroyed by their own complacency. But all who listen to me will live in peace, untroubled by fear of harm."

So – We Are!

ings the way / I think the messages come forth.

While I may editorialize, paraphrase or comment in these “Lessons In Life”, the messages put forth on the web site and writings come directly from the words of the Heavenly Father as orated, through His influential guidance (*Spirit*), or His prophets that He’s instructed be followed and that’s who guides.

Then those who **feared** Yahweh spoke with each other, and Yahweh listened to what they said. In his presence, a scroll of remembrance was written to **record the names** of those who **feared him** and always **thought about the honor of his name**.

“**They will be my people**,” says Yahweh of Heaven’s Armies.

“On the day when I act in judgment, **they will be my own special treasure**. I will spare them as a father spares an obedient child. Then **you will again see the difference** between the **righteous** and the **wicked**, between those who **serve** Heavenly Father and those who **do not**.”

Stopping here for a moment and addressing those who may oppose my understanding and profile of our Heavenly Father, it’s a fairly simple explanation.

One either believes *without question* that the Creator of the Universe *is* the “god” – **Heavenly Father** (*I do not like to title Him the same title as the “gods” of this world*) of **Abraham** (*whom He called out of the newly-started human race after the flood to be the earthly father of many nations*), **Isaac**, (*Abraham’s son born by his wife Sarah*), and **Jacob**, the son of Isaac and father of the Israeli nation, (*whose name was changed by an angel of the Heavenly Father to Israel*). Israel had twelve sons, and he moved the entire nation to Egypt because of a severe famine in the land of Canaan.

It is *this* nation and *this* nationality that the Creator of the Universe has chosen and set aside as His own and deals with most severely because they are His priestly and holy representatives of obedience on earth and have been since Abraham was here.

You will be my kingdom of **priests**, my **holy** nation. This is the message you must give to the people of Israel. **Exodus 19:6**

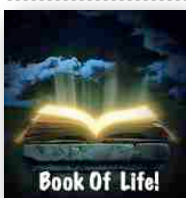

Having said all of that, I must point out, either you believe what has just been written, or you don’t believe (*there is no in between*).

If you believe, then you believe in the same Heavenly Father my wife and I do, the same Heavenly Father through the uses of His chosen prophets of the “old” testament, have told us who He is, how He directs and what He expects from us in return.

If you don’t believe all of this, or if you even question it, the Father’s Spirit (*influence*) that guides me, is not guiding you, and you will understand little of the rest of this introduction to “Lessons In Life”, or any of the lessons for that matter, or anything on the web site going forward.

Obviously you are welcome you to read on, but if you aren’t a believer, it’s going to be hard for you to understand.

I was raised with some part of what I title “denominational religion” from strict Catholicism to the looseness of protestant Pentecostalism.

IS YOUR NAME WRITTEN IN THE BOOK OF LIFE?

Millions of angels ministered to him; many millions stood to attend him. Then the court began its session, and the **books were opened**. **Daniel 7:10** Then there will be a time of anguish greater than any since nations first came into existence. But at that time every one of your people whose name is **written in the book will be rescued**.

Daniel 12:1

We will not add anything to this truth. Your name in the book saves your life!

So – We Are!

Without detailing the physical sides of my life, I'll introduce you to the influential because at the end of the day, it's the influential side of all of us that makes the difference.

Who, what and how we have been led through life, and who, and what has levied the strongest and most lasting impact. And, what are we doing about it because we have been endowed with *choice*.

I believe in creation by a Creator, not an accidental blast of some kind.

What may differ is how I understand our Creator, how I have humbled myself to Him to influence my life, and what He expects of me in return.

That is defined by man as "religion", but I prefer to believe that our Creator did *not* create religion, none of the 4300 of them.

Instead He created **life** and everything He's ever taught or shown has to do with **life**, not religion.

Spanning the range of religious teachings and activities, I didn't know how *wrong* I was in that lifestyle, just as worldly temptations that also drew me on a path opposite of the true Heavenly Father.

I am introducing myself because I have been where many are today, and may be (*as I was*) confused spiritually (*influentially*), ill at ease, and asking a basic question,

"Where's Our Father In All Of This?"

As I "grew" in these various religious exposures, my wife and I both felt in our minds there was something missing. We had no idea what was wrong and I *can* tell you, I was probably one of the toughest "bible-thumpers" one would ever want to run across.

But, then again, in the Catholic mass, I never did learn when to sit and stand and in pentecostal activities, swore up and down no evangelist could ever overpower me and "knock me down" with their preaching.

Didn't work. These evangelists' mass hypnotism is as strong as the serpents' message to Eve when he told her she wouldn't die if she disobeyed the instructions of the Father.

Then came the days of TV evangelism, and my wife and I were involved indirectly, with one of the largest.

But, through all of it, my wife and I consistently felt the tug in our minds toward something different. There was always something "foggy" in the teachings we were getting and

the participations we were involved.

As I said before, we kept asking ourselves, "**Where's Our Father In All Of This?**" My wife especially, displayed an uncanny trust in Him I'd never seen in anyone before, and both of us conclude that this 70-odd-year life span is nothing more than a **test of**

faith with an objective to **expose and get rid of evil** in preparation for a life of eternity *with* our Heavenly Father.

As it happened, one night in the middle of a deacon meeting (*yes, we were elevated in religious stature as well*), we both sensed something very, very

wrong in what we were hearing, but more importantly, what we were feeling inside ("**Where's Our Father In All Of This?**")

It was as if a magnet grabbed us both at the same time and pulled us out of it.

I know who was behind it (*the Heavenly Father*), and leaving us a choice (*as He always does*), we never went back.

We never attended another meeting of *any* kind of *any* religion, for in that instant He showed us the greed, the self-centeredness, sadly, the money-minded worldly thinking of

So – We Are!

religious leaders, and eventually obvious exposure of the idol-worshipping systems of religion on the earth today.

It took a while to realize that there is **no** “born-again” experience necessary to allow the Father’s influence to guide a life. There is **no mother** or **son** involved with the Creator.

Eventually, I’ve come to realize there is **no need** for a mediating party (*pastor, rabbi, preacher, priest, elder, imam*) between us and our Heavenly Father who has now become our friend as well.

That is the strongest segment of a relationship any one can ask, **friendship** and **complete trust**.

Just think about it. Adam had no religion or religious schooling, never carried a book to know about the Father who created him, just trust, and listening to His voice.

In the beginning, the Heavenly Father talked directly with His chosen faithful and righteous patriarchs. By choice, they could believe and follow, or not believe and pay the price. Just to list a few who believed, Noah, Abraham, Job, Daniel, King David, King Solomon and others.

Then, when the nation was rescued from Egypt, writings of His directives became permanent instructions for life and they were so sacred they were kept in an ark to protect

them and enable the priests to read them to the population to make sure the instructions were followed throughout the Jewish nation which included foreigners (*that’s us*) that were with them.

The same Father that talked to them, talks to my wife and I. The same Father who instructed Moses to write it all down, passes those writings to us, and as a result of His guidance, the “old” testament has come alive and **"Lessons In Life"** is to help others along the way become a reality (*we are considered “foreigners” who believe*).

The added new testament, however, became not only questionable, but in most cases I find **opposite teachings** of the very words of our Heavenly Father for directing our lives. Just as an example, our Father says:

Listen carefully, Israel. Hear the **decrees and regulations** I am giving you today, so you may learn them and **obey them!** Remember, **these instructions are a permanent law** that you and your descendants must **observe forever**. Observe the **requirements** of Yahweh your Heavenly Father, and follow all his ways. **Keep the decrees, commands, regulations, and laws written in the Law of Moses.**

Deuteronomy 5:1 1 Kings 2:3

In an attempt to pull people away from His law, the new testament mocks them

implying they've been overridden by some mythical son of our Father who if ever existed, He would have told us so:

The **old way**, with **laws etched in stone**, led to death. You are **not under obligation to the law** of Moses. **2 Corinthians 3:7 Galatians 5:18**

These lies from their books is similar to the lie of the serpent to Eve when he told her not only that she would *not* die, but that she would be equal to the Heavenly Father, knowing both good and evil. She believed the snake, Adam believed the snake, and as a result, evil, punishment, pain, and death for disobedience entered human existence and it is *not* what the Father wanted for mankind at all.

Religion lies to you to fill its pews and pocketbooks. It exists to grow membership and money, the only two things that enable it to exist. The Father warned us about this fakery a long time ago.

You rulers make decisions based on bribes; you priests teach Heavenly Father’s laws **only for a price**; you prophets won’t prophesy **unless you are paid**. Yet all of you claim to depend on Yahweh. **Micah 3:11**

From the “old” writings, wisdom (*His*) began to flow and His chosen prophets’ words began to take on clearer meaning and application than ever before until it has come to a point that I know

So – We Are!

that all of the Heavenly Fathers' commandments, decrees and instructions for life are in the words of His prophets of the "old" testament - *not the "new"*.

I then began to want to know Him more and more as Moses learned from Him before leading the enslaved Jews out of Egypt:

"If I go to the people of Israel and tell them, 'the Heavenly Father of your ancestors has sent me to you,' they will ask me, 'what is His name?' Then **what should I tell them?**" **Exodus 3:13**

And, our Heavenly Father replied to Moses, "I am who I am. Say this to the people of Israel: I am has sent me to you." He also said to Moses, "Say this to the people of Israel: **Yahweh**, the Heavenly Father of your ancestors – the Heavenly Father of **Abraham**, the Heavenly Father of **Isaac**, and the Heavenly Father of **Jacob** – has sent me to you. This is **my eternal name**, my name **to be remembered for all generations.**" **Exodus 3:14,15**

If you search Yahoo today, you'll find **Yahweh** referenced 18,700,000 times, and if you Google His name, you'll find 14,100,000 references, and for further clarification, the following is Wikipedia's definition:

The word **Yahweh** is a modern scholarly convention for the Hebrew יהוה, transcribed into Roman letters as YHWH and known as the Tetragrammaton, for which the original pronunciation is unknown. The most likely

meaning of the name may be "**He Brings Into Existence Whatever Exists**", but there are many theories and none is regarded as conclusive. The traditional rendering of the name, as found in English Bibles, is "I am who I am" or "I am that I am".

My wife and I worship Him as the **Creator of all matter** (*I Have Caused To Be*). We are as close to Him as a friend can be, and we call Him by His name, **Yahweh**.

We can't wait to be with Him, we love Him and will do anything He asks, including the broadcasting of the web site, www.hiswordsforlife.com and these "**Lessons In Life**" to help those who find themselves in similar situations.

I consider myself one of His messengers, and am deeply concerned for those who might find themselves in the same religious condition as I once was, and stuck.

While normally acknowledged "formally" in each lesson through his prophet, preacher and leader King David and the Psalms, in *this* lesson I've acknowledged Him by the 1st Proverb. The proverb explains the relationship one would seek to have with Father **Yahweh**. You can read it on page 3. Here's some of it:

FEAR of Yahweh is the foundation of **TRUE** knowledge, but fools despise wisdom and discipline.

LISTEN when your (*earthly*) father corrects you and **DON'T NEGLECT** your mother's instructions.

If sinners entice you, **TURN YOUR BACK** on them – don't go along with them, **STAY AWAY** from their paths.

GREED for money robs people of their lives.

WISDOM cries out for attention, but the simpleminded don't hear. **MOCKERS** relish mocking, **FOOLS** hate knowledge, they pay no attention, they ignore advice and reject correction.

WISDOM (*Yahweh's*) will laugh at a fool's trouble, will mock when a fool's disaster and calamity takes over, and anguish and distress overwhelm them. When a fool cries for help, wisdom will not answer even though they might anxiously search for wisdom, they **will not find it**.

Why? Because a fool hates knowledge and **WILL NOT FEAR YAHWEH**. A fool rejects advice and pays no attention when He corrects them.

Therefore a fool will eat the bitter fruit of living their **OWN WAY** choking on their own schemes. For simpletons (*says the proverb from Yahweh*) turn away from me to **DEATH**. Fools are destroyed by their own complacency.

But – all who will listen to **HIS WISDOM** (*fear Him, listen to their earthly fathers and mothers*), will **LIVE IN PEACE** and will be **UN- TROUBLED** by any fear of harm.

As harsh as this might sound, we are told to **TURN OUR BACK** on them – don't

So – We Are!

go along with them, **STAY AWAY** from their paths.

As a result of that, and all that I've come to know about religion (*which is man-made*), we attend **no church**, belong to **no religion**, follow **no man (or woman)**, worship **no other thing or person** than Father Yahweh himself.

I know without a shadow of doubt, eternal separation awaits the wicked and eternal life with Yahweh awaits the righteous.

Wickedness is simply those people who refuse to obey Him, righteousness is simply those people who **do**.

As my wife and I learn more laws, decrees and instructions that were destroyed with the Temple in 70 C.E. that are **our** personal responsibilities, we apply them in our lives and never look back.

Of the instructions sent down through Moses, many are directed at the Temple priests who will once again carry out the worship and sacrificial duties of the Father when He has His Temple rebuilt. (*No churches, no synagogues, no mosques, just **one Temple His***).

However there are also many that are individual responsibilities that still apply as they did the day Moses spoke them forth. We all must learn them and apply them if we truly fear Father Yahweh and

at the same time, love Him enough not to even question what He has set down as standards for living now, and on in to eternity.

To question is to **doubt**. To doubt is to **disbelieve** and to disbelieve is **death**.

As a result of all of this, there's a very deep desire to pilgrimage to Jerusalem (*when it's time*) because it will be there that we will live forever with Him.

Time and time again, and through prophet after prophet He has told them (*and us*) that He loves Jerusalem and it will be from there He will permanently rule the world, and it will be from there (*Mt. Zion*), He will be found and worshipped in His rebuilt temple.

His promises of the lifestyles we'll live there beginning with one of the most important, **harmony**, are exciting. The fact that He will write all of His instructions in our hearts and minds forever, and we'll never need to be taught, or need to teach others about Him again is phenomenal.

We know that doesn't sit well with religious leaders, but sorry, that's the way it's going to be. Your services won't be needed, and as a matter of fact, we are to **turn our backs** and **walk away** from your false teachings and prophecies going on today. And, we have!

Yahweh Has No Equal

Who else has held the oceans in his hand? Who has measured off the heavens with his fingers? Who else knows the weight of the earth or has weighed the mountains and hills on a scale? Who is able to advise the Spirit of Yahweh? Who knows enough to give him advice or teach him? Has Yahweh ever needed anyone's advice? Does he need instruction about what is good? Did someone teach him what is right or show him the path of justice?

No, for all the nations of the world are but a drop in the bucket. They are nothing more than dust on the scales. He picks up the whole earth as though it were a grain of sand. All the wood in Lebanon's forests and all Lebanon's animals would not be enough to make a burnt offering worthy of our Heavenly Father. The nations of the world are worth nothing to him. In his eyes they count for less than nothing — mere emptiness and froth.

To whom can you compare Heavenly Father? What image can you find to resemble him? Can he be compared to an idol formed in a mold, overlaid with gold, and decorated with silver chains? Or if people are too poor for that, they might at least choose wood that won't decay and a skilled craftsman to carve an image that won't fall down!

Haven't you heard? Don't you understand? Are you deaf to the words of Heavenly Father — the words he gave before the world began? Are you so ignorant?

Heavenly Father sits above the circle of the earth. The people below seem like grasshoppers to him! He spreads out the heavens like a curtain and makes his tent from them.

He judges the great people of the world and brings them all to nothing. They hardly get started, barely taking root, when he blows on them and they wither. The wind carries them off like chaff.

"To whom will you compare me? Who is my equal?" asks the Holy One. Look up into the heavens. Who created all the stars? He brings them out like an army, one after another, calling each by its name. Because of his great power and incomparable strength, not a single one is missing.

Isaiah 40:12-26

So – We Are!

That's our story. Now you know where we came from, how we got here, and by faith where we're going.

We believe **HIM**. We believe **HIS** prophets. **HIS** wisdom guides our lives, and we love **Him** with all our heart, mind and personality, enough so that we don't even look at, nor can we hear those who preach and teach otherwise.

I also know who the wicked are. They are the greedy, mocking, self-centered fools who show no fear of Yahweh by **NOT** following His commandments and decrees.

In Israel, we will build our own houses. We will grow our own crops. The dead sea will be alive with fish as the ever-flowing waters spill out from Jerusalem to the Mediterranean and the dead sea.

Fruit trees will bear fruit monthly forever and the leaves of those trees will be used as herbs for healing.

We will find eternal harmony with guys like Noah, Abraham, Job, Lot, Daniel, Isaiah and on and on the list goes of "faithful" and "righteous" people who have preceded us found in His book of life.

And, most important, we will get to see Him face to face and worship Him in His rebuilt Temple.

That said, I know there are those of you who are exactly where I once was or are living

in curiosity about everlasting life and seeking answers.

Having spent the past quarter of a century walking the walk and talking the talk, I believe He wants me to seek those in *this* era of history who "remember" Him for who He is, the Heavenly Father who appeared at Mt. Sinai about 3300 years ago and gave us "His Words For Life".

When they are exiled among the nations, **they will remember me**. They will **recognize how hurt I am** by their unfaithful hearts and lustful eyes that long for their idols. Then at last they will hate themselves for all their detestable sins.

Ezekiel 6:9

He scattered His nation about 2,000 years ago, had His temple destroyed and in the process has put a hold on His priestly system which He will reinstitute in His new temple on Mt. Zion in Jerusalem when He returns again.

Please **remember** what you told your servant Moses: **'If you are unfaithful to me, I will scatter you among the nations.** Though I have

scattered them like seeds among the nations, **they will still remember me** in distant lands. **Nehemiah 1:8 Zechariah 10:9**

It's *my* responsibility to help you remember Him, return to Him and step on the path of eternal life **with Him**.

The reach can't leave anyone behind, so it is done through lessons, and these lessons have been developed not only for our benefit (*my wife and myself*), but for any and all that want

to know more.

With all our heart we believe they exist to expose evil so it can be dealt with on a personal level, and bring people to righteousness (*not religion*), the pathway of eternal life.

If religion were an answer, there would only be one, His, and His instructions are not religious, they are **life**.

If Noah, Daniel, and Job were there, **their right-**

eousness would save no one but **themselves**. **Ezekiel 14:14**

Righteousness Saves Lives!
