God's Commands!

Can't Keep All So Keep None?

We humans are mere mortals. We aren't angels (*who have always existed*) and we sure aren't gods (*and He too has always existed*).

One of the basic assumptions by the largest religion on earth, Christianity, is that because we can't maintain *all* the commands laid down by our Creator, keep few, and depend on someone else to bear the penalty for not doing so.

No doubt, we err because after all, we are mortals, He is not. He knows it and I now

refer to a condition He can see, intentional and unintentional acts on our part, not excuses, but slip ups that break the Commands of our Creator.

After all, He did tell us to keep *all* the commands.

His Word Yahweh your Heavenly Father will **delight** in you if you obey his voice and **keep the commands** and decrees written in this Book of Instruction, and if you turn to Yahweh your Heavenly Father with all your heart and soul. Yahweh your Heavenly Father will be **merciful** only if you listen to his voice and **keep all his commands** that I am giving you today, doing what pleases him. You must faithfully **keep all my commands** by putting them into practice, for I am **Yahweh**.

Deuteronomy 30:10 13:18

Leviticus 22:31

It's Sunday morning. Off to church you go stopping for breakfast along the way, or, perhaps afterward. Sitting down for the meal, you order your favorite breakfast of ham, eggs and hash browns, thinking nothing at all about that meat you are devouring.

One of the commands from our Father and I suspect I know why, is not only don't eat the pig, but don't even touch its carcass. Perhaps it's because He designed the pig to be a living garbage disposal and the toxins it develops from eating anything and everything do not all get passed from the pig, but remain in its flesh, thus capable of passing on to the digestive system of someone who chomps away giving it not a second thought.

Perhaps you've heard about not eating it, but pay little attention to it which is the case of disobedience to the command of our Creator. After all, Adam and Eve simply ate some fruit off a tree which tasted good (*so does pork*).

They intentionally disobeyed. Eating pork when you know it is wrong is intentional disobedience. Perhaps you break the Sabbath and work or buy goods on that day of rest. Intentional disobedience.

When His Temple was in place, knowing the human being does in fact err, He had a remedy for an unintentional

Why the name **Yahweh**?

It was the name He gave to Moses to use with Jews to confirm Moses represented "His Words For Life".

Say this to the people of Israel: **Yahweh**, the Heavenly Father of your ancestors — the Heavenly Father of Abraham, the Heavenly Father of Isaac, and the Heavenly Father of Jacob — has sent me to you. **This is my eternal name**, my name to remember for all generations. **Exodus 3:15**

Why the title **Heavenly Father**?

"God" is used by far too many religions to try and represent who He really is, our Heavenly Father! If I am your father and master, where are the honor and respect I deserve?

Malachi 1:6

The Eternal Message

Can't Keep All So Keep None?

disobedient act. A sacrifice of sorrow.

His Word If one individual commits an **unintentional sin**, the guilty person must bring a one-year-old female goat for a **sin offering**. The priest will sacrifice it to **purify the guilty person** before Yahweh, and **that person will be forgiven**. These same instructions apply both to native-born Israelites and to the foreigners living among you **Numbers 15:27-29**

But, hold on to your hat!

If you know better and do it anyway, intentionally, paying no heed to the directives about His commands, you're done for. You're cut off from being a part of His community

of "believers" (*chosen*) and you'll pay the price.

His Word Those who **brazenly violate** Yahweh's will, whether native-born Israelites or foreigners, have **blasphemed Yahweh**, and they must be cut off from the community. Since they have **treated Yahweh's word with contempt** and deliberately disobeyed his command, they must be **completely cut off** and **suffer the punishment** for their guilt. **Numbers 15:30,31**

Keeping His commands! Unintentional or intentional disobedience. Both conditions are sin, but, unintentional has a way out designed by the Creator of the universe, sacrifice. Intentional has no way out left unattended (*repentance*) and eternal punishment has also been designed by the Creator of the universe, live in shame and disgrace or in the underworld (*pit of the earth*) forever.

Along comes this religion about 1700 years *after* these pork instructions and preaches and teaches not only opposite of what He set down as law, but even mocks His effort. Let me preface by stating I do not like to refer to the lies

of their books (*new testament*) and mentally wrapped a rubber band around all of them about 25 years ago, but to prove my point here's what they say:

Their Word The **old way**, with **laws** etched in stone, **led to death**. I have become like you Gentiles — **free from those laws**. **No one can ever be made right with God by doing what the law commands**. The law simply shows us how sinful we are. Sin uses **God's good commands for its own evil purposes**. They must **stop listening to Jewish myths and the commands** of people who have turned away from the truth.

2 Corinthians 3:7 Galatians 4:12 Romans 3:20 7:13 Titus 1:14

It brings me to tears on one hand, and makes me mad as hell on the other when I read what Christians are being taught from their lying theories about the very commandments of my Heavenly Father.

"Old way", "free from His laws", "can't be made right by doing His commands", "stop listening" (*to His laws*), "Jewish myths" (*His laws*).

Ugh! Ugh! Ugh!

Back to the pig.

Their Word We **can't win God's approval by what we eat**. **We don't lose anything if we don't eat it**, and **we don't gain anything if we do**. Those who feel free to **eat anything** must not look down on those who don't. **1 Corinthians 8:8 Romans 14:**

Raised Up!

Many of those whose bodies lie dead and buried will rise up, some to **everlasting life** and some to **shame and everlasting disgrace**. **Daniel 12:2**

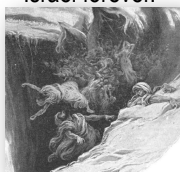

Everlasting Life - His servants who are proven righteous beings (*believe, serve and obey*). Live in Israel and worship Him at Mt. Zion forever.

Everlasting Shame and Disgrace - Those who are proven to be unrighteous beings (*do not believe, do not serve and do not obey*). In other nations outside Israel forever.

Everlasting Pit - Those who are proven to be **evildoers and liars** will never see the light of day.

Can't Keep All So Keep None?

We don't win approval from our Creator by what we eat? We don't lose or gain anything if we do or don't?

B.S.

My Father says don't eat pork – PERIOD!

You better believe I'm going to win His approval if I don't, and, my attitude about it (*don't lose or gain*) can cost me my eternal life.

That's just one thing that's wrong with Christianity. Just their "holier-than-thou" attitude about what to eat and not eat is enough to turn my stomach as I make every attempt I can

to obey my Father in Heaven by keeping His commands and stand ready as a mere mortal to make sacrifice (*repent*) if I err in doing so.

His Word

O Yahweh, what are human beings that you

should notice them, mere mortals that you should think about them? You turn people back to dust, saying, return to dust, you mortals!

Psalm 144:3 90:3

Mortal!

Perishable, fleshly, temporal, transient, passing, human, just to name a few English definitions of mortal all lending themselves to the fact we are different

in nature than both the angels and Himself.

They can manifest themselves in our existence, we

can't in theirs. They are eternal entities, we are not. They will always be eternal existences, we will require sustenance from earth to remain so.

The righteousness He requires of us have laws of life to guide us that have to be taught, learned, and applied to be with Him.

They already know them.

It is more than apparent the angels know right and wrong (*evil, etc.*) we were not supposed to know evil in the beginning, a purity our Father wanted us to be, but, left us with the nature of choice to see if we would or wouldn't obey Him like His angels do.

His Word

Praise Yahweh, you armies of angels who serve him and do his will! **Psalm 103:21**

Acknowledgment Of Yahweh

(Honoring and recognizing our Creator – Psalm 79)

O Heavenly Father, pagan nations have conquered your land, your special possession. They have defiled your holy Temple and made Jerusalem a heap of ruins. They have left the bodies of your servants as food for the birds of heaven.

The flesh of your godly ones has become food for the wild animals.

Blood has flowed like water all around Jerusalem; no one is left to bury the dead.

We are mocked by our neighbors, an object of scorn and derision to those around us.

O Yahweh, how long will you be angry with us? Forever? How long will your jealousy burn like fire? Pour out your wrath on the nations that refuse to acknowledge you — on kingdoms that do not call upon your name. For they have devoured your people Israel, making the land a desolate wilderness. Do not hold us guilty for the sins of our ancestors! Let your compassion quickly meet our needs, for we are on the brink of despair.

Help us, O Heavenly Father of our salvation! Help us for the glory of your name. Save us and forgive our sins for the honor of your name. Why

should pagan nations be allowed to scoff, asking, "Where is their Heavenly Father?" Show us your vengeance against the nations, for they have spilled the blood of your servants. Listen to the moaning of the prisoners. Demonstrate your great power by saving those condemned to die.

O Yahweh, pay back our neighbors seven times for the scorn they have hurled at you.

Then we your people, the sheep of your pasture, will thank you forever and ever, praising your greatness from generation to generation.

Can't Keep All So Keep None?

One of His first commands from the laws of nature He wanted us to learn was “do and don’t.” When you get right down to it, it really didn’t have anything to do with the tree, it’s fruit, or even the third-party temptation they had to endure to test them.

It had everything to do with how they felt about Him.

Did they love Him enough to listen and completely obey Him because they did? Did they care enough about Him to honor His directives. Did they thank Him enough to even acknowledge that they were nothing, and then they were?

One command!

They wouldn’t follow it, they dishonored Him as their Creator, they were unthankful for their existence, and, hang on, they allowed a third party lying, mis-directing, egotistical influence to take over their lives.

I give you religion!

Get ticked if you will, but if you’re in religion, you’re allowed the very same thing Adam and Eve did.

Instead of listening to and obeying our Creator in a one-on-one relationship, they suc-

cumbed to a third party interfering, mis-directing and outright lying to them and, they fell for it.

Hasn’t changed a bit.

If you allow anyone or anything to step in between you and your Creator that drives you *away* from Him and not *to* Him, you’re stuck in the same situation as they, and death was their punishment.

These “Lessons In Life” are designed and influenced by the One who created “do” and “don’t” which are “His words For Life” and are spelled out in “His Book Of Instruction” for the benefit of all humanity to guide us to eternal life, and not death.

Eternal death is made up of two conditions for a human being. Shame and disgrace or the pit of the earth, and I’ll take neither, thank you Father.

Do and don’t tested by choice.

Noah survived because He was righteous, kept close contact with Heavenly Father and obeyed instructions. He relied on *no* third party intervention and in that day there were about a billion of them all

living in evil, corruption and violence.

The serpent lied to Eve and told her she wouldn’t die if she disobeyed her Creator – do and don’t. Religion lies telling people they don’t have to obey the laws of Yahweh – do and don’t and uses an excuse that since they can’t all be kept, they are “old” laws that lead only to death.

So, don’t keep them and don’t die, the same lie the snake used in the garden. Oh, and then they top it off in idolatry by promoting another “god” for eternal salvation when there is only one, Heavenly Father.

His Word

You must acknowledge no Heavenly Father but me, for **there is no other savior.**

Hosea 13:4

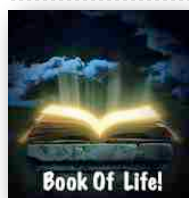

Come out of it if you’re caught. Righteousness, not religion will save your life forever.

You’re homework – your destiny!

Your Destiny!

Fear Heavenly Father and **obey** his commands, **for this is the duty of every person.** **Heavenly Father will judge us** for everything we do, including every secret thing, whether good or bad.

Ecclesiastes 12:13,14

IS YOUR NAME WRITTEN IN THE BOOK OF LIFE?

Millions of angels ministered to him; many millions stood to attend him. Then the court began its session, and the **books were opened.** **Daniel 7:10** Then there will be a time of anguish greater than any since nations first came into existence. But at that time every one of your people whose name is **written in the book will be rescued.**

Daniel 12:1

I will not add anything to this truth. Your name in the book saves your life!
