LESSONS IN LIFE!

YAHWEH Words Of Life!

Heavenly Father - The Title Of The Creator Of The Universe!

Yahweh - The Eternal Name Of The Creator Of The Universe!

There Is No Devil Or Demon!

It's All A Myth And A Bold-Faced Lie!

In the *true* and only word of our Heavenly Father, the books written to lead life, (*Genesis to Malachi*), there is no reference to a mythical devil and only a couple references to mythical non-existent demons which He drives home they are not of Him.

His chosen (*Israelites*) had abandoned Him, made light of Him, worshipped foreign gods and carried out detestable deeds even to the extent of offering sacrifices to demons.

His Word

They offered sacrifices to demons, which are not Heavenly Father, to gods they had not known before, to new gods only recently arrived, to gods their ancestors had never feared. They have roused my jealousy by worshiping things that are not Heavenly Father. They even sacrificed their sons and their daughters to the demons.

Deuteronomy 32:17,21 Psalm 106:37

A demon is defined as a supernatural and often malevolent being prevalent in religion, occultism, literature,

fiction, mythology and folklore.

The practice of sacrifice and worship to such mystics at that time was met with a stern warning that such ideology is not of our Heavenly Father (*thus not a part of His creation*).

A mythical ghost, if you will, and when our Heavenly Father gave instructions to the nation He saved from Egypt from atop Mt. Sinai He was not talking to a bunch of ghosts, He was talking to thousands and thousands of human beings standing below Him in the flesh and blood bodies and receptive minds He Himself created.

We aren't ghosts. We don't carry around a ghost in our body, but we have a mind that can be influenced and taught and therein lies the challenge of life.

Who do we allow our minds to be influenced by? (*It is choice He endowed us with*).

As babies and tots, we depend on our parents and our teachers in the formulating years. When He set up His way of life for us, He also instituted a priestly system that carried out Temple duties and teachings of His word to the rescued nation, but at the same time, there existed forms of worship far different from His creation and He constantly warned His chosen to stay away from them.

History shows these forms of rites believed in mythical demons, witchcraft and magic in their religious endeavors (*even to the point of sacrificing their own children*). Here's the arrogant Hebrew (*who because of their own disobedience to the Father's "Book Of Instruction"*) allowing themselves to be caught up in this system of advisers, astrologers and stargazers who the Father through Isaiah (*and others*), made sure they all knew that their "Redeemer" is named Yahweh and is the "Holy One of Israel".

There are no devils.

It's All A Myth And A Bold-Faced Lie!

There are no demons.

They are made up, mythical beings out of ancient religions, of whom the Babylonians made reference to all the time (*and worshipped*). Religions (*or worship systems*), handed down through generations after the flood had developed in to mystic ideas about devils and demons, neither of which exist.

They were created by man's rambling mind.

Yes, there is "tormenting" influence that He releases on individual people from time to time, but there is no "devil" behind it. It's the Father of the Universe at work attempting to correct one of His own.

His Word

Now the Spirit of Yahweh had left Saul, and **Yahweh sent** a **tormenting spirit** that **filled him with depression and fear**. **1 Samuel 16:14**

Here's a good example of how spirit (*influence*) works.

Father Yahweh was leading Saul's life. But, Saul had disobeyed the Father's instructions when he invaded the Amalekite nation. He was supposed to destroy **all** of their goods, but, in his greediness, he kept some of the better items for himself. So our Father took away HIS Spirit (*influence*) and **sent** a tormenting spirit (*influence*) instead and Saul fell in to **depression** and **fear** when that

influence was at work in his mind.

The spirit (*influence*) worked in Saul's mind, an indication that the Father of Eternity works in the minds of people to direct paths. He can torment us back to obedience (*those of us who believe*).

That is NOT a devil or demon at work, it's our Father, and all too often (*especially in Christianity*) mystic and non-existent demons are given

credit for the work of our Heavenly Father.

There's this myth about Satan having some great army of disobedient spirits that he's in charge of and that the war of faith has to do with good and bad spirits.

Not so!

Satan is referenced in only three writings of our Father's word.

1st Chronicles when Satan caused David to take a census that he shouldn't have; Job when our Father and Satan debated about, and put to test, the faith of Job; and Zechariah. In both Job and Zechariah events, Satan is treated with insignificance by Father Yahweh.

"What are you doing here Satan?" It's like, who invited you to this meeting – you're nothing. And note, Satan had no control of anything without our Father allowing it.

Christians think Satan rules the world we live in today.

It's a myth and a bold-faced lie!

The Father rules this world and no one else. It belongs to our Heavenly Father, and no one else and He will do with it as He pleases.

His Word

The Most High **Heavenly Father rules** over the kingdoms of the world and appoints anyone he de-

Then those who **feared** Yahweh spoke with each other, and Yahweh listened to what they said. In his presence, a scroll of remembrance was written to **record the names** of those who **feared him** and

always **thought about the honor of his name.**

"They will be my people," says Yahweh of Heaven's Armies.

"On the day when I act in judgment, **they will be my own special treasure.** I will spare them as a father spares an obedient child. Then **you will again see the difference** between the **righteous** and the **wicked**, between those who **serve** Heavenly Father and those who **do not.**"

It's All A Myth And A Bold-Faced Lie!

sires to rule over them. **The earth belongs to Yahweh. All the earth belongs to me.** **Daniel 5:21**

Exodus 9:29 19:5

Christians have been taught that humans can be demon-possessed.

That's a lie!

Our *Father* sent Saul a tormenting influence, not a demon. The stupidity of that religion is crediting an evil angel with works the Father controls, and that's the same as crediting another god instead of Him.

The mythology existed long before Rome ruled the world, and long before the 1st century myth of a "son of a god" coming to earth (*also a myth from previous religious beliefs*).

Back to the garden.

Was there a devil or demon in Eve's brain when *she* decided to disobey an instruction given Adam from the Father of Creation?

No! *She* made that decision tempted by an animal. A talking snake (*not an evil ghost in her head*).

Adam on the other hand made the decision to disobey solely by the word of Eve.

As you recall, the Father punished that snake and the rest of it's off-spring (*not some evil ghost or devil — the snake*).

That snake was cursed to crawl on the ground eating the dust of the earth – and die.

The woman was cursed with having to bear children in pain and a desire to rule over her husband and die.

The man was cursed with having to work his butt off to get the ground to provide him food and rule over his wife – and die.

Those curses are as visible today as they were when He proclaimed them.

They will only change when everlasting life begins. For now, those curses are passed down generation to generation.

Punishment and death did not exist before disobedience and never was there a demon or devil influencing anyone.

It's all a myth and a lie leading people to think they have to bow down to a man-god (*Christian belief*) in order to escape from evil and enter everlasting life.

Not so!

You enter everlasting life no matter who you are. But, some are raised to a life of joy and happiness living *with* the Father in Israel (*righteous*), some are raised to a life of shame and disgrace living in nations other than Israel (*wickedness*), and some just descend from resting in death

in to the pit of the earth called the underworld (*evildoers and liars*), forever. Only the Father judges the human race of the earth, and it's in conjunction with records being kept or not kept (*you want to be found in the book of life*).

His Word

All the people of the earth are nothing compared to him. He does as he pleases among the **angels of heaven** and among the **people of the earth**. **Daniel 4:35**

So where did these ideas of devils and demons come from, and why are they referenced only in the new testament and not the old?

Our Creator created the entire universe from His reign in Heaven. Carefully review the creation in Genesis. You'll find no reference to a creation of devils or demons.

The entire universe, stars, sun, moon, trees, vegetation, animals, humans, etc, but no devils or demons.

There is no reference in His word about creating angels (*the millions who minister to Him, and the hundred million who stand to attend to Him as referenced in Daniel*), archangels, (*such as Michael*), Heavenly armies, Cherubs, or Heaven's Court. These were not created, thus they've all existed with Him obviously, in His Heaven.

The Eternal Message

It's All A Myth And A Bold-Faced Lie!

His heaven then, is outside the physical realm of His creation because He certainly would not have created everything listed in Genesis, then include Heaven or He would have created Himself and His angels in the process.

He created all of what we know.

What a phenomenal creation when one thinks of how small and the number of the tiniest molecule is in our body and contrarily the vastness of the universe. He mentions no other worlds with life, teaches no others, always references the planet we live on, so we must presume we are it.

Yes, Satan is one of the angels found in attendance at one of the Father's meetings with His angels and the Father specifically addressed Satan asking him what he was up to.

Satan is addressed as an "accuser", and in a couple of instances in the Father's word we find him doing just that, accusing. But, Satan is just the name of an angel, like Michael is the name of an archangel charged with the responsibility of overseeing the entire nation of Israel.

They are both given direction from the Father of Creation. Satan has no power whatsoever without the Fa-

ther giving it to him, and then, with limitation.

Because of that one instance with Job, religion has used it as a basis to create a world of bad ghosts getting in to man's bodies, and their entire "new testament" centers itself around these mystical assumptions.

They are not true!

Satan did not influence the human race to be full of evil at the time of the flood. The human race *chose* to be in that state of mind, not influenced, *chose*.

There were no devils or demons destroyed in the flood because they don't exist. Only humans and animals

Acknowledgment Of Yahweh

(Honoring and recognizing our Creator - Psalm 74)

O Heavenly Father, why have you rejected us forever? Why is your anger so intense against the sheep of your own pasture?

Remember that we are the people you chose in ancient times, the tribe you redeemed as your own special possession! And remember **Jerusalem**, your **home here on earth**.

Walk through the awful ruins of the city; see how the enemy has destroyed your sanctuary.

There your enemies shouted their victorious battle cries; there they set up their battle standards. They chopped down the entrance like woodcutters in a forest. With axes and picks, they smashed the carved paneling. They set the sanctuary on fire, burning it to the ground. They utterly defiled the place that bears your holy name.

Then they thought, "Let's destroy everything!" So they burned down all the places where Heavenly Father was worshiped.

We see no miraculous signs as evidence that you will save us. All the prophets are gone; no one can tell us when it will end. How long, O Heavenly Father, will you allow our enemies to mock you? Will you let them dishonor your name forever? Why do you hold back your strong right hand?

Unleash your powerful fist and deliver a deathblow. You, O Heavenly Father, are my king from ages past, bringing salvation to the earth.

You split the sea by your strength and smashed the sea monster's heads. You crushed the heads of Leviathan and let the desert animals eat him. You caused the springs and streams to gush forth, and you

dried up rivers that never run dry. Both day and night belong to you; you made the starlight and the sun. You set the boundaries of the earth, and you make both summer and winter.

See how these enemies scoff at you, Yahweh. A foolish nation has dishonored your name. Don't let these wild beasts destroy your doves. Don't forget your afflicted people forever.

Remember your covenant promises, for the land is full of darkness and violence! Don't let the downtrodden be constantly disgraced! Instead, let these poor and needy ones give praise to your name.

Arise, O Heavenly Father, and defend your cause. Remember how these fools insult you all day long. Don't overlook these things your enemies have said. Their uproar of rebellion grows ever louder.

It's All A Myth And A Bold-Faced Lie!

were destroyed save 8 and pairs of twos.

If devils and demons were influencing the mind of man, then why wouldn't the Father have destroyed them too?

They don't exist, that's why.

Angels exist and always have. Angels have come to earth on His behalf many times. Angels watch over us. And, they do know right from wrong. They know good and they know evil, and the angels have always known because they've always existed.

So, why are these devils and demons found only in the new testament, not the old?

Because the old testament is the word of our Father, and the new testament are books developed by men based on religious myths, ignoring truth and teaching untruths including devils and demons.

Some of the old testament probably has been modified

over time and has been played with to try to set it up as a basis for the new, but the idea of devils and demons was prevalent when the Israelis were captured and taken to Babylon, so at that time, the myth was in existence.

History tracks the beliefs of devils and demons back to the Persian and Assyrian empires, some of the most ancient civilizations that I am aware of.

So, there's nothing influencing your mind today that can't be controlled.

Yes, even as a believer, you are still in control of your mind. We still make choices. We are His human creation but we have become distanced by evil (*thank you Adam and Eve*), born in it, raised in it, experiencing it, but given a way out of it through His righteousness, His **"Book of Instruction"**,

His guiding influence in our minds, and His hand in our lives ahead of us setting circumstances that bring honor and glory to Him, and peace and joy to us.

Once we understand that there is no demon or devil controlling us in any way shape or form, we can at least begin the process of stepping up in faith and walking with the one who created us.

Raised Up!

Many of those whose bodies lie dead and buried will rise up, some to **everlasting life** and some to **shame and everlasting disgrace**. **Daniel 12:2**

Everlasting Life -

His servants who are proven righteous beings (*believe, serve and obey*). Live in Israel and worship Him at Mt. Zion forever.

Everlasting Shame and Disgrace -

Those who are proven to be unrighteous beings (*do not believe, do not serve and do not obey*). In other nations outside Israel forever.

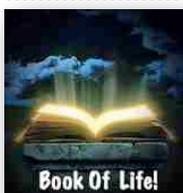

Everlasting Pit -

Those who are proven to be evildoers and liars will never see the light of day.

Fear Heavenly Father and **obey** his commands, **for this is the duty of every person. Heavenly Father will judge us** for everything we do, including every secret thing, whether good or bad.

IS YOUR NAME WRITTEN IN THE BOOK OF LIFE?

Millions of angels ministered to him; many millions stood to attend him. Then the court began its session, and the **books were opened**. **Daniel 7:10** Then there will be a time of anguish greater than any since nations first came into existence. But at that time every one of your people whose name is **written in the book will be rescued**.

Daniel 12:1 *We will not add anything to this truth. Your name in the book saves your life!*

It's All A Myth And A Bold-Faced Lie!

The Father has been at work with His chosen nation, the Jew, (*and foreigners who believe*) for centuries.

They do right, then they don't. They do, and then they don't and historically, that's the way it's been with them (*and we too unfortunately*) while we who *do* believe grow to fully trust Him by serving Him, fearing Him and loving Him with all our heart mind and soul (*personality*) as we approach that day when He brings in everlasting life.

Unfortunately, there are no nations on earth that I know of that through their governmental controls, and governing constitutions, use His "**Book of Instruction**".

So, there will come a time ahead of us, those decisions *not* to follow His commandments, decrees and instructions for life will be fully tested, and only those nations who believe in Him enough to support Israel and obey Him will escape the wrath He will unveil.

Even Israel itself will be once again torn asunder as those who are righteous are separated from those who are not. But His chosen, both Jew and foreigner who believe, will be protected and made ready to live and reside with Him forever in Israel.

Yes, the Levites will regain their priesthood and the sacri-

ficial worships will begin again. Everything the Father of Heaven once established on earth will again be restored, and this time, forever.

Today, there are 196 separate governments at work ruling their individual citizens in one fashion or another, none of which to my knowledge, guide their populaces by the Father's "**Book of Instruction**".

Of the largest religion on earth (*Christianity – about 30% of the world's population*), there are upward of **45,000 denominations** identified and over half of them are independent churches not interested in linking with the big denominations, none of which to my knowledge, guide their congregations by our Father's "**Book of Instruction**". Most believe and teach about devils and demons.

Why do I know the religions don't teach and guide by His book, because if they did, they would not exist.

His book is written to be individually followed physically, and His priesthood is not a church, it's a way of life.

Yes there are many instructions for His Levite Priests, but those have to do with atonement systems, rites and governance which *they* carry out on His behalf. And if government were

governing by His book, there would only be one governmental system on earth.

You don't find anything about devils or demons in the Father's "**Book of Instruction**". Why? Because they don't exist, so obviously there's nothing to teach about. For those of you who struggle with this information, I feel you. I've been there.

I've been in and out of some of those Christian religions and it wasn't until I responded to His influential intervention in both my wife and my lives, that we made the choice to turn to Him forever.

His Word

"I called you so often, but **you didn't come**. I reached out to you, but **you paid no attention**".

Proverbs 1:24

We finally came to Him and have been paying attention every since. Led by His wisdom and not our own, I encourage you to forget about devils and demons and do the same.

His Word

Come here and listen to me! I'll pour out the **spirit of wisdom** upon you and make you wise. **Proverbs 1:23**

Think, no devils or demons at the garden, at the flood, at the tower of Babel, at Sodom and Gomorrah or in Egypt at the rescue.

Just disobedient people!
