

Somebody Is Lying!

AND IT ISN'T OUR HEAVENLY FATHER!

Yahweh - Heavenly Father

Somebody Is Lying!

And It Isn't Our Heavenly Father!

One must first believe in what happened a few thousand years ago on this earth, when the Creator of the Universe entered His creation and our existence and rescued a nation of people held captive by Egypt for about 400 years.

Believe it, read on! Don't believe it, just lay this booklet down as you'll never understand its contents and it's aim as we explain to you that man-made religions have and are trying to compete as universal creators, and they cant.

Our Creator orated personally to an entire nation His walk of life and then etched the first ten of His directives in stone, an indication of how critical it is to understand what He has to say about life.

FORWARD

THERE are so many things about life one must understand in the short span of it as we live through what became “mortality” because a couple of human beings the Creator of the universe constructed from dust (*and a rib*), with life-existing structure then breathed into their nostrils the element of oxygen that would give them the capability of being freely and independently unique.

A uniquely designed part of his vegetative, chemical, physical and air-breathing creation, the human race was given a mind to freely accept or freely reject His directives which began with eternal existence. They chose to disobey Him and death entered the scene, an interruption to eternal existence.

“You won’t die” is one of the first Biblically recorded lies out of the mouth of a serpent that the created woman listened to, absorbed, mulled over and made an independent decision to follow over and above what she knew was just the opposite. Her mate went right along with her wrong decision, then blamed her for the mishap and the accompanying punishments were levied against all three for making up and following a lie.

“Somebody is lying” and guarantee it isn’t our Creator who gave the choice to lie or not lie. His instructions are clear, His instructions are simple, His instructions are the difference between life and death and unfortunately, the first

couple listened to a liar developing death over life by simply believing an untruth from a third party source, a test of their trust in the One who created them, and an example for you to absorb about religious systems today.

“I don’t know” was the lie from the lips of Cain in response to the Creator of the Universe asking him where his brother was.

Yes, that quickly became a part of human life, as another liar raised his ugly head and Cain fibbed to our Creator acting like he was innocent of killing his own brother.

So, liars, even those who lie to our Heavenly Father Himself, have been a part of the characteristics of men and women since time began and it has carried forward through every step of human history including the remnants of the flood of the earth. We face it every day of our lives individually, collectively, nationally, globally, and yes folks, religiously right up to the present time.

Here’s the crux of it. Lying is terminal, and can send one to death in the underworld forever for doing it and yes, even for following it.

Lying didn’t just bring punishment for its use, it brought death, a step in life that is punishment for sin (*intentional disobedience*). When it started as punishment, it didn’t end then, and hasn’t now. Lying is death, and death in a relationship with the Creator of the Universe is separation, just as Adam and Eve

were separated from the garden, lying continues to separate and draw punishment which eventually converts to eternal punishment.

“Liars will not stay in my presence”. “Liars will be silenced.”

Psalm 101:7 63:11

There is nothing in the world you can read in to or deduct from these statements. Liars will NOT stay in the presence of the Heavenly Father, they WILL be silenced, and when He says something, He darned well means it. There are no gray areas in the words of our Heavenly Father. So, back to the title of this booklet. If you believe in the existence of our Heavenly Father and if you believe He entered in to His creation, and if you believe He orated instructions for life to His chosen nation of people which included foreigners who were with them at Mt. Sinai, then you must also believe His punishments for disobedience, and lying is disobedience.

Adam and Eve, kicked out of that garden and died. Billions of people at that flood died. He can’t wait for the day liars are exposed. “At that time I will put you on trial. I am eager to witness against all sorcerers and adulterers and **liars**”. **Malachi 3:5**

1. **HE CAN'T LIE!**

OUR Creator is not a liar. We can lie, He can't. He's perfect, we're not. We were created with perfection in mind, but in order to preserve a method of loving Him without obstruction, He gave us minds that are capable of choice. Otherwise we would all just be puppets and that isn't what He created or why He created human beings.

Without doubt, lying is one of the easiest responses to irresponsibility the human race uses to try and cover up feelings, ideas and/or actions that might bring shame and disgrace to the one using it as an excuse for something thought or wrongfully executed in the process of living through a day.

Lying is wrong and nothing has changed in His world. Our Heavenly Father issued His laws to Jacob, gave His instructions to Israel, commanded ancestors of these generations to teach them to their children, so the next generation might know them – even the children yet born – and they in turn would teach their own children.

In that way, it was supposed to be a system to enable each generation to continue hope in the Heavenly Father anew, not forgetting all his glorious miracles, and obeying His commands. In so doing, they were supposed to be generations that would not be like their ancestors who were stubborn, rebellious, and unfaithful, refusing to give their hearts to our Heavenly Father.

But alas, just didn't and hasn't happened.

One religion or 4200 religions, one government or 195 governments. It makes no difference. Lying is an individual action personally executed by someone intent on trying to hide truth and in many cases in history, our Heavenly Father has intervened in the sins against His instructions, caused such people to die in their sins, until eventually people learned to repent and took Him seriously enough to remember that He is the redeemer of life.

Lip service to our Heavenly Father, the ways of religion and the nearly universal methods of nations, is filled with lies as none keep His covenant for life.

Oh how so many times He has held back His anger and has not unleashed His fury (*like He did at the flood*), because He knows we are merely mortal, and in terms of the length of this mortal life, we are like a breath of wind that never returns.

We can thank Him that repentance and taking Him seriously still exists for every one of we 7.6 billion human beings on this earth or chaos would be the complete lifestyle of the planet with little hope of anything else beyond this short 70-odd-years of life.

He just does not lie and for those who do, (*and those who like listening to lies*), the end is something He through His actions will let the world eventually see and understand through the power of His sovereignty (*supremacy*) and there is no other.

“I will raise my fist against all the prophets who see false visions and make lying predictions, and they will be banished from the community of Israel. I will blot their names from Israel’s record books, and they will never again set foot in their own land. Then you will know that I am the Sovereign Yahweh. False prophets **and those who seek their guidance** will **all** be punished for their sins”. **Ezekiel 13:9 14:10**

Banishment eternally is one of two places. Either in shame and disgrace in nations other than Israel living on this earth, or worse, an ugly existence in the underworld which is in the pit of the earth.

“I will send you to the pit to join those who descended there long ago. Your city will lie in ruins, buried beneath the earth, like **those in the pit who have entered the world of the dead**. You will have no place of respect here in the land of the living”.
Ezekiel 26:20

2. FALSE PROPHETS

BEGINNING with those our Heavenly Father identifies as “false prophets” let’s just cut to the chase and call them out for what they really are, liars.

If He says they are false, it’s quite simple that what they say, what they teach, what they preach and how they guide people’s minds are also false aren’t they!

Common sense. After all, if something is false, it isn’t true, and if isn’t true it’s what? A lie! Religion is one of those lies.

Today on this planet we have what some consider about 4200 religions, but let’s define just what religion is, because our Heavenly Father isn’t religious, He’s life and there’s a huge difference.

One definition is “a particular system of faith and worship.”

So, let’s go back in history and place ourselves in an area between the Gulf of Suez and the Gulf of Aquaba, right about in the middle of this desert land at the foot of a mountain named Mt. Sinai. It was then, still is today, a desolate area of the world with few inhabitants and a long, long way from Jericho, the city across the Jordan where an “obedient” group of followers finally entered a land our Heavenly Father promised Abraham.

One day two months after the group left Egypt, at the foot of this mountain, about 2 million people made up of a nation called Israel (*which also included people who were not Israeli, but were foreigners among them that believed what was going on and left Egypt with them*), gathered together by instructions from the person who led them to that point, Moses, to hear first hand, the Creator of the Universe talk to them.

Yes, the Creator of the Universe is about to talk to the gathering and what He is about to unleash is not a religion, but a lifestyle filled with instructions which He titled commandments, including some decrees and regulations about how He expects the human race to live out life while in their temporal mortal bodies.

He eventually made sure people knew that it was His “Book Of Instruction” so that just like any material we would read today to guide us for our benefit (*such as a booklet to get our driver’s license, etc.*) these instructions are His intention for human life.

So, here we are, gathered together with this group of people who have been “consecrated” and cleaned up to meet the Creator of the Universe, but, let’s set the scene because it is an fearful visible event.

Thunder roars, lightning flashes, a dense cloud comes down on the mountain and a long, long blast from a ram’s horn coupled with the mountain being covered with smoke because our

Heavenly Father descended on it in the form of fire, and the entire mountain shakes violently as the ram’s horn grows louder and louder in His presence.

Scared? Probably out of our wits friends, but, this is the Creator of the Universe, and this is how He’s getting our attention for what He is about to say.

Now, please pay close attention. Picture yourself standing at the bottom of this mountain, witnessing everything we’ve just laid out for you and He begins to speak from this fire and smoke at the top of the mountain to all of us at the same time. We all hear the exact same words, the exact same instructions from the Creator Himself. No preacher, teacher, pastor, rabbi, elder, priest or any “third-party” intervention between the Creator of the Universe and you and me as we stand in awe to listen.

Let me interject. No religious “system of faith and worship” has prefaced the appearance of our Heavenly Father to our faces. None, not even Moses at this point in what we’re about to hear.

We say that to tell you quite frankly that these 4200 religions on earth are not necessary to hear from and speak to the Creator of the Universe. None of them, and their prophecies, teachings, theories, mysticisms, directives and systems that direct you away from what we’re about to share with you are falsehoods put in place for their own egotistical, self-centered, money-gathering

efforts that were never a part of what you are about to experience from Mt. Sinai.

“I am Yahweh your Heavenly Father, who rescued you from the land of Egypt, the place of your slavery” He begins telling us.

Yes, we have substituted the word “lord” with the name He gave Moses (*Yahweh*) and we have substituted the word “god” with His title (*Heavenly Father*) because the word “god” is far, far ill-defined within these 4200 religions as to whom He really is. After all, He is our Father in Heaven. He did create all beginnings.

“You must not have any other Heavenly Father but me”.

He introduces Himself, and then He gives us the first instruction of life. Remember, all 2 million of us have heard this instruction right from His own voice. None of us can deny hearing it, all of us heard it the same way at the same time from the same source and all of us are shaking in our boots at the awesomeness of it all.

He goes on with another nine of His initial instructions for life and then to strengthen what He has just said, He personally etches those same words in stone for Moses to bring back down the mountain for all of us to keep, know, understand and apply for the rest of our lives, for the rest of our children’s lives for their children’s lives, and on and on it was “supposed” to go.

There is not a hint of a religion in these words or the words that subsequently follow that make up His “Book of Instruction” that we can best describe today as found in the “old” testament of instruction.

That’s right. We encourage you to pay close attention to the Bible man has generated over time that took the words of Himself, His prophets and messengers and gave us a guide of life while we’re in these temporal, mortal bodies.

Genesis to Malachi only friends. Wrap a rubber band around the new testament because it is pure nonsense and laced with false instructions as it attempts to take life in the bodily form our Heavenly Father created us and change it to a ghost form that man has theorized and built religions about.

False Prophets are the very leaders, teachers and guidance systems laid down since Mt. Sinai and we encourage you to walk away from them and come back to the mountain where our Creator first orated His instructions of life. Life, not religion.

He didn’t tell us at that mountain to get “born again.” He didn’t tell us at that mountain to “speak in tongues.” He didn’t tell us at that mountain to pay homage to “multiple gods”. He didn’t tell us at that mountain that He had a “mother or a son” that would be a part of our lives. He didn’t tell us at that mountain to “meet in some building once a week” to socialize together. He didn’t tell us at that mountain to “beat our wives” if they got out of

line, and we all stood together to hear Him speak, men, women children and yes, mothers held their babies as they listened to the Creator of the Universe lay out the basics for this short 70-odd-years of life here on the earth He provided for our temporal existence, and hope for the everlasting side of it.

So friends, religion is false. All of it. It's loaded with false prophets that lie to you, mislead you, and worst of all, take you away from the very mountain where it all began with the one who created it all, including the mountain He spoke from.

We're here to bring you back. Back to the mountain, back to His instructions for life and not religions' man-made misleadings that will throw you completely off track and in fact in many cases, cause you to sin against Him.

"Somebody Is Lying" friends, and it isn't the Creator of the Universe. Lying began in the garden where religion didn't exist, and has continued every since.

Our Father In Heaven didn't tell us to become a Catholic, a Protestant, a Muslim, a Hindu, a Baptist, a Mormon, a radical Isis or any religion. What He told us is that He is our Heavenly Father, He rescued His nation of enslaved human beings from Egypt, and instructs us that we will have NO other Heavenly Father than He, none!

3. **FEARING HIM**

FEARING our Heavenly Father is actually a treasure to us, not a depressant. If we care enough about Him, if we care enough about ourselves, we will WANT to do everything He asks of us, and specifically, obey His commandments, decrees and instructions for life. For that, He will provide a rich store of salvation, wisdom and knowledge. Nothing religion, government or man can offer, or come anywhere near matching, even though they actually try.

"Though Yahweh is very great and lives in heaven, He will make Jerusalem His home of justice and righteousness. In that day He will be your sure foundation, providing a rich store of salvation, wisdom, and knowledge. The fear of Yahweh will be your treasure". **Isaiah 33:5,6**

As scary as that scene was at Mt. Sinai, and as scary as some of the scenes in visions to some of His called out prophets and messengers were, fear isn't the only motivation to come back to the mountain, but fear of the capability of the One who created us and will eventually and permanently set in motion our eternal lives should be.

The photo descriptions used for this booklet are not intended to make judgement, but they are intended to bring to mind there will be those who exist in a condition of death that no one in his or her right mind would want to even think about.

However, because He holds the key of life with Him and life without Him including a horrifying existence, we are describing it for you in the exact form He has so that you know it exists now, and will exist forever.

“They will see the dead bodies of **those who have rebelled against me**. For the worms that devour them will never die, and the fire that burns them will never go out. All who pass by will view them with utter horror.” **Isaiah 66:24**

When He sets up His physical kingdom on earth and rules from Jerusalem, as a reminder, He is going to expose the eternal conditions of some of those who have rebelled against Him in their mortal lives and in this case, instead of these bodies being in the underworld or the pit of the earth as He describes where most will be, these will be on the surface of the earth and viewable to those who travel in and out of the Jerusalem.

We don't have to re-define His statement, but perhaps explain that the “worms” are more than likely the maggots that take over a body when it dies and consumes it. In this case, these maggots will eat away at these dead bodies, but never consume them. And, like the burning bush He showed to Abraham, the bush burnt but did not consume. These people will forever exist in a dead state bodily, but will never disappear. They will simply lie in a state of being eaten and burnt away, but never get consumed by either.

We don't wish this on anyone folks, but, one should be aware it exists and will exist when He moves some from the graves they are in now on in to the underworld, never seeing the light of day because of their rebellion against Him.

That's not being judgmental, that's being honest and quoting His conditions for everlasting existence of some who just refuse to follow Him, and unfortunately, follow religion.

Are we saying that anyone that follows religion ends up in this condition?

We don't make that judgment because we do not know you individually first of all, and secondly, we are not judge and jury of any life, our Heavenly Father is.

However, yes, there will be those that end up this way, and yes, false prophets who teach lies and those who have an appetite to hear and follow them and their lies are subject to His judgement including that of what we've just outlined.

Keep in mind, it has been estimated there were at least a billion people on earth if not multi-billions, who drowned in His flood, men, women, children and animals. Those bodies will never see the light of day or He wouldn't have drowned them to begin with would He!

4. **ETERNAL EXISTENCE**

Just to refresh your memory if you haven't read some of the other booklets or "Words Of Life" documents, there are three stages of eternal existence.

The first is with the Heavenly Father Himself where He will be found in Jerusalem at His newly constructed Temple on Mt. Zion and we will live in peace, safety, plenty of food, happiness and one that we personally really like, harmony.

The second is away from the Heavenly Father in other nations on earth in shame and disgrace for not obeying Him in this short 70-odd-years of mortal life. We know that like Adam experienced, the ground will have to be tilled for sustenance as holding back the rains if they don't obey Him, will be an on-going condition for survival by people living in this state.

The third is in the earth. That's right. In the earth and there are already entire societies of people in that condition as we pen these words. Their bodies will not die, a horrific condition which He has decided to leave in display, some of these people right around Jerusalem.

Liars and those who thrive on listening to liars both will face the music unless they stop what they are doing, repent of it, be humbly sorry it ever happened, and of course, assure that it won't happen again. That's what the 120,000 people of Nineveh did from the top brass down and they included their animals in their

penance, and do you know what Yahweh did? He saved them from sure annihilation that He had scheduled for them before they stopped and turned.

We're encouraging you to do the same.

Stop and turn. Repent and be sorry and most of all, vow with all the human capability you can muster up, never to do it again.

In all of the great wisdom our Heavenly Father gave Solomon, we share with you how He views lying:

"What are **worthless and wicked people** like? They are **constant liars**". "Wrongdoers eagerly listen to gossip; **liars pay close attention to slander**". "**If a ruler pays attention to liars, all his advisers will be wicked**". **Proverbs 6:12 17:4 29:12**

Here's a different picture. We've shared with you Mt. Sinai, our Heavenly Father and words from Himself regarding life itself. Now put yourself in a similar position of being gathered together in a building and in front of you is a man or woman playing god.

That's right. A man or woman playing god. And instead of doing nothing more than directing your attention to the "Book Of Instruction" of our Heavenly Father, they spend an entire hour or so of your mortal time preaching and teaching about everything but. Or, in some religions, walking you through some ritualistic system of mysticism and magic to shove religion at your mind

instead of the words of our Heavenly Father from His “Book Of Instruction.” Therein lies the competitive effort of man. They want to be your god and they refuse to remind you of who He really is and what His words really mean because then you might not come back and their lying efforts would be fruitless.

Here’s what He says about them:

The false prophets or visionaries who try to lead you astray must be put to death, for **they encourage rebellion** against Yahweh your Heavenly Father, who redeemed you from slavery and brought you out of the land of Egypt. Since **they try to lead you astray** from the way Yahweh your Heavenly Father commanded you to live, you must put them to death. In this way you will purge the evil from among you. **Deuteronomy 13:5**

That’s right. Put them to death, and He darned well meant it then, and will one day do just that Himself since He has scattered His nation and they no longer exist as a governing entity.

On that day,” says Yahweh of Heaven’s Armies, “**I will erase idol worship** throughout the land, so that even the names of the idols will be forgotten. **I will remove from the land both the false prophets** and the spirit (*influence*) of impurity that came with them. **Zechariah 13:2**

Now give that some thought. Since He is going to erase idol worship, why in the world would you want to be caught up in it?

Idol worship is any worship other than Himself, so that includes Popes, rabbis, elders, pastors, preachers, teachers, priests - just anyone who makes himself or herself out to be your “god”.

Expanding that thought are the named religions themselves such as Christianity, Islam, Atheism, Hinduism, Buddhism, Judaism (*just to name a few of the 4200*). That’s right, if you’re following a religion, sitting in a religious service, listening to, absorbing and trying to live out the words of his or her lies, you are making he or she your god. That’s idolatry through and through.

Remember what He told us at the mountain:

“You must not have any other Heavenly Father but me”.

You can debate this all you want, but it’s our hope we’ve enlightened you to the degree that you’ll come back to Him no matter at what stage of this temporal life you presently exist. Get away from these liars and come back to Him and Him only. And, we hope you understand, and fear, that He has the capability and will separate good and evil one day. Being right (*Righteous*) means that:

“You must not have any other Heavenly Father but me”.
