WHAT IS PIE (PARTNERS IN EDUCATION)?

Partners in Education (PIE) is a school-based volunteer group made up of parents and guardians with the mission to make our school an even better place for our students to learn and grow. Basically, it's Mapleton Public School's version of PTA. Here are just a few ways we do this...

PIE plans and organizes events throughout the year designed to engage families, foster community and build school spirit.

FUNDRAISING

PIE plans and organizes Trailside's Student Activities fundraiser, which raises money to directly support students with money for field trips, books and other supplies and activities.

TEACHER SUPPORT

Our Room Parent team provides classroom support for teachers, including organizing teacher appreciation activities, assisting with admin tasks, planning parties and more.
