# Sequence

In each sentence below, two events happened. Draw one line under the event that happened first and two lines under the event that happened second. Draw a star ☆ over the clue word that tells the order that the two events happened. If both events happened at the same time, draw one line under both of them. The first two have been done for you.

1. Robert listened to his iPod as he worked on the jigsaw puzzle.

2. After we studied the pages in the book, we took the test.

3. Before Margie left for the store, she gave her dog a bath.

4. While the storm was approaching, we took shelter in the basement.

5. Everyone went to the restaurant after the baseball game.

6. As the train approached the station, we organized our belongings.

7. Jose cleaned up the garage; then went outside to play basketball.

8. Jennifer and Mary played on the beach until the sun went down.

9. As the bear fished for salmon in the river, the people took videos.

10. While Maria gathered wood for the fire, the others set up the tent.

11. Mark set the table as his sisters baked a chocolate cake.

12. The kite soared high into the sky as the onlookers cheered.

13. We went swimming in the creek after we hiked through the forest.

14. Chris cleaned the fish tank before he went on vacation.

The double lines are difficult to see so I highlighted the event that happened second, in RED.

Thank you for uploading my free sequence activity!

My other products can be seen at <http://www.teacherspayteachers.com/Store/Ruth-S>

I have many packets, worksheets, assessments, graphic organizers and more for language arts, literature, science and social studies - Grades 4 -12. My products are original and designed with National and State standards in mind.

The following is a list of some of my novel packets and other items I sell. All of my products less than \$3.00 because I'm very well aware that with budget cuts, that teachers are spending a lot of their own money to purchase classroom products. I'm in the same situation! Have a great year!

The novel packets are from 17 to 25 pages and are self explanatory worksheets.. I also have quite a few free items.
